GENERAL INVESTIGATIVE DIVISION
HEARNAP SUMMARY

San Francisco Office advises in attached a conference held with U. S. Attorney (USA) James Browning in San Francisco, 3/13/75, at which time the matter of Federal grand jury (FGJ) subpoenas discussed. Subsequently, subpoenas issued for Philip Kent Shinnick (a Jack Scott associate) and Louise Scott (mother of Jack Scott) ordering them to appear before the FGJ, San Francisco, on 4/10/75. Subpoenas forwarded to Newark and Las Vegas with request they be served by Special Agents, FBI, to allow reinterview of Shinnick and Mrs. Scott when served.

The status of Jack and Micki Scott also discussed with USA Browning who will not at this time seek harboring warrants against them. Primary objective is the location of the three fugitives. USA Browning advised if their attorney, Charles Garry, would make them available and they would voluntarily furnish information which led to the immediate apprehension of the three fugitives, he would consider the possibility of not prosecuting the Scotts.

USA Browning further advised he and USA Cattone, Middle District of Pennsylvania, will meet with Departmental Attorney Brandon Alvey, Washington, D. C., on 3/20/75, at which time this case will be discussed. General Investigative Division will be represented by SAs [REDACTED] b7c
b7D

Milwaukee Office advised 3/15/75, [REDACTED]

[REDACTED] voluntarily advised he knew Jack Scott during the academic year September, 1972 through May, 1973, at Oberlin. He advised most of the individuals who were friends and close associates of Scott are no longer at Oberlin. He stated Scott's "first and foremost defender" against the faculty and students at Oberlin, was Paul Hock, a teacher, brought there by Scott. He said Jay Weiner also a close friend of Scott's was considered to be "an incredible glory seeker," and the one person among all the students completely trusted by Scott.

[REDACTED] advised Scott had "fantastic connections" with the press which include Sandy Padive of the New York Daily News and unknown persons with the San Francisco Chronicle and the Detroit Free Press. [REDACTED] considers Scott to be paranoid, quick tempered and unstable when under pressure of any kind.

RE: PH 4389-PCI - GRAND JURY MATTERS.

ON MARCH 13, 1975, A CONFERENCE WAS HAD WITH US ATTORNEY JAMES BROWNING IN SAN FRANCISCO AND THE MATTER OF FURTHER GRAND JURY SUBPOENAS WAS DISCUSSED WITH HIM. AS A RESULT OF THIS CONFERENCE, GRAND JURY SUBPOENAS WERE ISSUED FOR PHILLIP KENT SHINNICK AND FOR LOUISE SCOTT ORDERING THEM TO APPEAR BEFORE THE FEDERAL GRAND JURY AT SAN FRANCISCO ON APRIL 10, 1975. THESE SUBPOENAS ARE BEING FORWARDED BY AIRTEL MARCH 14, 1975, TO NEWARK AND LAS VEGAS, AND IT IS REQUESTED THAT THEY BE SERVED BY SPECIAL AGENTS, AND WHEN THEY ARE SERVED ANOTHER ATTEMPT SHOULD BE MADE TO RE-INTERVIEW SHINNICK AND LOUISE SCOTT.

ADDITIONALLY, THE STATUS OF JACK AND MICKI SCOTT WAS DISCUSSED WITH MR. BROWNING, AND IT WAS AGREED THAT IT WAS PREMATURE AT THIS TIME TO SEEK HARBORING WARRANTS AGAINST THEM. THE FACT WAS DISCUSSED THAT OUR PRIMARY INTEREST AT THIS TIME WAS IN LOCATING THE THREE FUGITIVES, AND MR. BROWNING ADVISED THAT IN THIS REGARD IF JACK AND MICKI SCOTT'S ATTORNEY, CHARLES GARRY, WOULD MAKE THEM AVAILABLE AND THEY WOULD VOLUNTARILY FURNISH INFORMATION WHICH WOULD LEAD TO THE IMMEDIATE APPREHENSION OF THE THREE FUGITIVES, HE WOULD CONSIDER THE POSSIBILITY OF NOT PROSECUTING JACK AND MICKI FOR HARBORING. HOWEVER, THEY WOULD HAVE TO APPEAR VOLUNTARILY AND THE MERE FACT THAT THEY FURNISHED INFORMATION REGARDING THE HARBORING AND TRANSPORTATION OF THE FUGITIVES IN 1974 WOULD NOT BE SUFFICIENT FOR HIM TO CONSIDER NOT PROSECUTING THEM. INSTEAD, THEY WOULD HAVE TO FURNISH SPECIFIC INFORMATION LEADING TO THE FUGITIVES' APPREHENSION.

RE SF TELEPHONE CALL TO BUREAU TODAY, BROWNING STATED THAT ON MARCH 20, 1975, HE AND MR. CATTONE, US ATTORNEY FOR

DEPARTMENTAL ATTORNEY, BRANDON ALVEY, IN WASHINGTON, DC, AT

Enclosed are nine (9) lifts on rubber tape of latent impressions obtained from an "Econoline 300" bearing New York License 1038GC which were obtained on 2/13/75, at San Jose, California. Also enclosed are six (6) photographs of latent lifts identified as Lift #1, Lift #5, Lift #6, Lift #7, Lift #8, and Lift #9.

The above lifts were taken from the van in which it is alleged that PATRICIA HEARST was transported from the East coast to the West coast by JOHN VINCENT SCOTT.

It is requested that these latents be compared with the known prints of WILLIAM and EMILY HARRIS and PATRICIA HEARST. The Latent Fingerprint Section is requested to retain these latents as we anticipate additional known prints will be obtained in the near future which we will ask to be compared with the enclosed latents.

Federal warrant issued for Scott in Hearst case

By KAREL NEIKIRK
Assistant City Editor

Former Oberlin College athletic director Jack Scott and his wife, Micki McGee, are wanted by the FBI on federal warrants issued recently for their part in the Patty Hearst case. The Chronicle-Telegram has learned.

SCOTT admitted a link of nine months duration with the fugitive heiress last night in a telephone call to a New York newspaper reporter.

Officially, the FBI — both at its Washington headquarters and from its Cleveland district office — refused to discuss the warrants, leaving neither confirmation nor denials. Details of the warrants were not known.

The agency did admit it "had intensified the investigation" since a Pennsylvania sighting of Miss Hearst involving the Scotts.

THAT STATEMENT was issued to the C-T by Cleveland FBI agent-in-charge Frederick Fehl, who checked with Washington before commenting.

He refused to comment about the Scotts or about former Oberlin College student Jay Weiner.

Scott, in a telephone call last night to a California-based

June, either the individuals in question or any unidentified parties," Scott said.

"You get medals for killing people, but if you save lives some people will call you a criminal," Scott told the reporter, whom he met three weeks ago in California.

Mrs. Scott is one of two women believed to have rented a South Canaan, Pa., farm house in mid-July 1974. The house was rented from New York City fireman Timothy O'Sullivan, who lives in Callicoon, N.Y., about 30 miles away.

O'SULLIVAN said he rented the building in July — for \$2,000 for the summer — to a woman who said her name was Micki Scott.

The San Francisco Chronicle reported the FBI has documentary evidence the Scotts rented the farm and said Scott had evaded the FBI during a chase last week in Berkeley. The FBI refused to comment.

The second woman involved in renting the farm — 12 miles from Scranton, Pa., Scott's home town — was Wendy Yoshimura, sources close to the investigation told the C-T.

WENDY YOSHIMURA

Fullwood said. He identified pictures of Harris as the man.

FINGERPRINTS identified as those of Misses Hearst and Yoshimura and SLA members William and Emily Harris were found in the farm house when it was searched in October by FBI agents.

Also found were theatrical makeup and wigs — items also found in several SLA hideouts when raided. A note, signed by "Micki" was also found.

Residents of the very small community are — with two exceptions — solid in their identifications of the fugitives.

RURAL MAILMAN John Fullwood delivered advertising matter marked "Occupant" to the farm house in mid-July.

He is certain he saw Miss Hearst and William Harris there.

"I talked to a young man with glasses for about ten min-

WARRANT ISSUED for Jack Scott

FROM PAGE 1

ber — not those two anyway," she said.

MISS YOSHIMURA, 29, has been sought since 1972 in connection with a plot to bomb the ROTC headquarters on the Berkeley campus of the University of California.

Scott and his wife lived in Berkeley, and ran their Institute of Sports in Society for several years before moving to Oberlin in April 1972.

Wire service reports also indicated considerable FBI activity currently in Las Vegas, Nevada. The Chicago Tribune reported Miss Hearst and the Harrises were seen in Las Vegas three weeks ago.

SCOTT'S PARENTS, Mr. and Mrs. John Scott, are resident managers of a Las Vegas apartment. They refused to discuss their son with newsmen.

When seen in Nevada by an FBI informant, the fugitives were in the company of an unidentified man.

The Long Island newspaper, Newsday, for whom Weiner, a friend of Scott's while at Oberlin College, was an occasional writer, quoted sources saying Scott may now be with Miss Hearst.

SCOTT'S reported association with Miss Hearst and the Harrises — Tanis, Telo and Yolanda as they prefer to be called — did not stir the memory of Dr. L.S. Wolfe of Emmaus, Pa.

The doctor's oldest son, Willie, died in a shootout May 17, 1974 in Los Angeles which also killed five other SLA members, including Donald DeFreeze, former Cleveland who under the name General Field Marshall Cinque, headed the SLA.

"I was close to Willie and we discussed his views. I met many of the people he knew and was in regular contact with Willie until he was slaughtered," Dr. Wolfe told the C-T last night.

"THE NAMES Scott and McGee don't mean a thing to me. I don't think Willie ever mentioned them, but I suppose it is possible because he mentioned many people and I met many people when I was in Berkeley with him," Wolfe said.

Wolfe could think of no connection between his son and the Scranton area where the fugitives stayed until mid-September.

"HE (HARRIS) said the group would be moving on in a short time," Fallwood said.

Former owner Mary Nancy Piercy made what she called a "sentimental visit to her former home" July 8, 1974.

"I talked for about ten minutes with a girl who said her name was Joan Schmida and then I left," Mrs. Piercy said.

SHE NOW BELIEVES she talked with Emily Harris. Service station operator John Brink also positively identified the three.

But General store operator Dana Lockwood disagreed, saying he took propane to the farm house and saw two girls, neither of whom he could identify.

One "appeared to be an Oriental," he said, "and the other sorta plain."

"THEY HAD JUST MOVED in and needed the propane for heat and cooking and asked me to deliver it," he said.

His wife also saw the two women. She operates a Postal Service substation in the couple's business and insisted neither girl she saw was Miss Hearst.

"I'm sure I would know her. The FBI wanted poster was hanging right in the office when they came in. It just wasn't

"My son had no friends in Scranton and if Tania (Miss Hearst) was there I would have effort to reach me because of her loneliness for my son, she never did so," Wolfe said.

WILLIE WOLFE, had been renamed Cujo by the SLA and in her last message, a tape recording of June 6, 1974, Miss Hearst told of a romance with him.

"We loved each other so much," she said.

The Wolfe home is about 50 miles south of the South Canaan farmhouse.

THE FARM HOUSE was vacated in mid-September.

The group's next appearance — one unconfirmed by the FBI but validated by most sources — was on Cleveland's East Side.

Former Cleveland gangster Mickey Cohen told the C-T his sources located Miss Hearst and the Harris couple.

AFTER LEARNING Miss Hearst could go to prison on the multiple charges lodged against her, Cohen refused to further cooperate and sent word from his Los Angeles home for the fugitives to leave Cleveland, he told the C-T.

Cohen, in an Oct. 28 interview with the C-T, said the fugitives had fled Cleveland "at least two or three days ago."

The former gangster has constantly denied any further involvement in the Hearst case.

TURN TO PAGE 3 COL 7

WEINER, a Philadelphia man who was closely associated with Scott during Scott's stay at Oberlin, testified before a federal grand jury Thursday in Harrisburg.

He had been visiting campus friends in Oberlin when advised by a brother of a subpoena issued for him. He left Oberlin Tuesday, the C-T has learned.

After his appearance before the grand jury, Weiner, an aspiring writer who once listed the Scotts as references when he applied for work at a wire service, issued a plea to "Tania, Miss Teko, Yolanda . . . to my comrade Jack (Scott) and my dearest sister Micki," for understanding.

WEINER has been studying at Temple University near his home since he left Oberlin last spring.

Scott was fired by the college, at the same time receiving \$12,000 for his contract which had two years remaining.

He and his wife dropped from sight until September, when they surfaced in the Portland, Ore. area, living in the home of basketball star Bill Walton, who has been quizzed by the FBI.

THEY REMAINED there until about a month ago, and again dropped from sight.

One report indicated Scott visited Scranton, his home town, in mid-January. He was also seen boarding an airplane in Los Angeles Feb. 27.

Charles Garry, lawyer for Walton, said he has not talked to his longtime friend and "former client" Jack Scott for more than a month.

"I HAVE NOT been engaged as Jack's attorney for some time," Garry told The Chronicle-Telegram today.

Garry said he and Walton were asked the same question by FBI agents earlier this week and they gave the same answer: "We haven't seen Jack Scott for more than a month."

The San Francisco attorney said he and Scott have been close friends since 1969. He refused to speculate on what Scott's link might be to the Hearst case.

Garry said he did not know who Scott's lawyer is now or where Scott might be.

NIGHT, MARCH 16, 1975. WATSON, WHO APPEARS "WELL COACHED" AND ALMOST LACKADAISECAL, AGAIN DENIED ANY KNOWLEDGE OF FUGITIVES PRESENT OR PAST WHEREABOUTS AND DENIES EVER SEEING HEARST OR THE HARRISES. STATED ON CALL OF WEINER, MARCH 16, 1975, HE INFORMED WATSON THAT HE HAD TOLD HER IN PHILADELPHIA DURING EARLY SEPTEMBER, 1974, THAT HE HAD SEEN PATTY HEARST, HOWEVER, WATSON CANNOT RECALL THIS CONVERSATION OR ANY CONVERSATION WITH WEINER OR JACK AND MICKI SCOTT, CONCERNING THE CASE.

WATSON ADVISED THAT DURING AUGUST 1974, EXACT DATE NOT RECALLED, SHE TRAVELLED BY BUS FROM MEMPHIS, TENNESSEE, WHERE HER PARENTS RESIDE, TO MONTREAL, CANADA, WHERE SHE ATTENDED A WEDDING. SHE THEN RETURNED TO NEW YORK CITY, ARRIVING ON AUGUST 19, 1974, AND WAS MET AT THE BUS STATION BY WEINER. SHE REMAINED IN THE NEW YORK AREA AT WEINER'S APARTMENT FOR APPROXIMATELY TWO WEEKS AND THEN TRAVELED TO MAINE, TO VISIT FREINDS FROM COLLEGE. SHE STATED THAT DURING HER VISIT IN NEW YORK CITY, SHE MET JACK AND MICKI SCOTT ON TWO OR THREE OCCASIONS AND BELIEVED THAT ON ONE OCCASION, DATE NOT RECALLED, SCOTT WAS IN THE PROCESS OF PACKING TO GO TO PORTLAND AND ON ONE OCCASION AT THE APARTMENT WHEN ONLY MICKI WAS PRESENT, AND A THIRD TIME

WHEN WATSON AND MICKI HAD LUNCH AT AN UNRECALLED LOCATION IN NEW YORK CITY. WATSON AGAIN STATED THAT AT NO TIME DID THE SCOTT'S OR WEINER GIVE ANY INFERENCE THAT THEY WERE IN CONTACT OR HAD SEEN THE FUGITIVES.

WATSON CONTINUED THAT AFTER VISITING IN MAINE, SHE THEN TRAVELLED TO PHILADELPHIA WHERE WEINER HAD ENTERED TEMPLE UNIVERSITY AND SHE VISITED HIM APPROXIMATELY ONE WEEK, THEREAFTER RETURNING TO MEMPHIS BY BUS. SHE ADDED THAT APPARENTLY DURING THIS VISIT IN PHILADELPHIA IS THE TIME WEINER INFORMED HER OF SEEING PATTY HEARST, THE CONVERSATION WHICH SHE CANNOT RECALL.

WATSON CONTINUED THAT SHE NEXT SAW WEINER DURING MID DECEMBER 1974, WHEN HE PICKED HER UP IN MEMPHIS, TENNESSEE, AND THEY MADE A TRIP TO PORTLAND, OREGON, WHERE THEY SPENT SEVERAL DAYS AT THE RESIDENCE OF BILL WALTON. ENROUTE WEINER AND WATSON SPENT CHRISTMAS EVE AT THE PARENTS OF JACK SCOTT IN AN APARTMENT COMPLEX IN LAS VEGAS, NEVADA. UPON LEAVING PORTLAND FOR THEIR RETURN TRIP, SHE RECALLED THEY ARRIVED IN SAN FRANCISCO APPROXIMATELY JANUARY 4, OR JANUARY 5, 1975, AND IT WAS AT THIS TIME THAT WEINER VISITED WILLIE BRANT IN SOLEDAD PRISON. WATSON STATED THAT SHE IS AWARE OF THE FACT THAT JAY WEINER HAS CORRESPONDED

WATSON STATED THAT AFTER LEAVING SAN FRANCISCO, SHE AND WEINER AGAIN SPENT ONE NIGHT WITH JACK SCOTT'S PARENTS IN LAS VEGAS, NEVADA, AND THEN TRAVELLED TO ALBUQUERQUE, NEW MEXICO, WHERE SCOTT ASSISTED HER IN OBTAINING AN APARTMENT.

WATSON STATED THAT SHE COULD NOT ENLARGE ON WEINER'S VISIT WITH BRANT, HAD NO KNOWLEDGE OF BRANT'S GIRLFRIEND WENDY YOSHIMURA, AND HAS NEVER SEEN HER.

[REDACTED]

Our Albuquerque Office advised Kathleen Price Watson, former Oberlin College student and girlfriend of Jay Weiner, reinterviewed 3/17/75, in presence of American Civil Liberties Union attorney Paul Phillips. In response to Mr. J. B. Adams' inquiries concerning certain inconsistencies in United Press International (UPI) releases related to this case, the following is set forth:

1. UPI dated 3/13/75 reported: "... (Jack Scott) eluded an FBI Agent in a high-speed chase last week, 'The San Francisco Chronicle' reported today."

2. UPI dated 3/15/75 reported: "Jack Scott, 32, apparently became aware of the Agent following him on the night of March 6, in a Berkeley, California, neighborhood and accelerated his rented car, the newspaper said. The Agent tried unsuccessfully to force his car to a curb."

The San Francisco Office did maintain a surveillance of Jack and Micki Scott on 2/27/75 while they operated a rental car, however, they were lost in heavy traffic that same day. (See 3/3/75 Hearnap summary note with 2/28/75 San Francisco teletype attached.) San Francisco advised above UPI releases re high-speed chase and attempt to curb Scott on 3/6/75 are completely false.

REC-107 7-15210-5138

3. UPI dated 3/15/75 reported: "Scott telephoned 'New York Times' reporter Henry Weinstein Friday night and said his lawyer was negotiating with Federal authorities over his role in helping Miss Hearst."

22 APR 2 1975

Assistant Director Gebhardt telephonically advised Mr. Adams 3/17/75, San Francisco was telephonically contacted 3/14/75, by an individual who stated he was Jack Scott. The caller asked for SAC Bates who was not in the office at the time and then related he could be contacted through his attorney, Doron Weinberg. San Francisco immediately attempted to verify the above by contacting Attorney Weinberg. Weinberg advised he has not been contacted by Jack Scott and has not been retained to represent him; however, he does represent Jack Scott's;

Re: HEARNAP

father. Weinberg was alerted to notify the FBI in the event Jack Scott should contact him. There is no "negotiating" underway. As for Weinstein, the UPI release was from San Francisco where he was attending a rally and our New York Office is endeavoring to locate and interview him through his home office in New York.

4. UPI dated 3/15/75 reported: ". . . 'The Chicago Tribune' said that Miss Hearst was in Las Vegas 3 weeks ago and had been later sighted in Palm Springs, California. The newspaper said the FBI believes she is now back in the San Francisco Bay area. There is no official comment from the FBI."

We have no indication that Patricia Hearst was in Las Vegas or Palm Springs, California, within the past few weeks (Los Angeles Office observed that this release may be a spinoff from the 5/17/74 SLA shootout when KQED reporter Marilyn Baker advised SAC Bates, San Francisco, one of her sources wanted \$10,000 front money for furnishing Hearnap fugitive information. Baker's source advised her the fugitives were at a trailer court in Palm Springs, California). Los Angeles Office investigated this information and it proved false. There has been no recent "sighting" of Patricia Hearst in that area according to the Los Angeles Office.

5. UPI dated 3/17/75 reported: "'The San Francisco Examiner' said the fugitive trail is 'bound inextricably' to a Berkeley, California, radical group which may have been the prototype for the SLA. The newspaper said the three connected with Scott through the radical group soon after the Los Angeles shootout last May that left six other SLA members dead."

PH 4389-PCI advised 2/3/75 that Jack Scott stated his initial contacts were made with Patricia Hearst at Berkeley, California, during the last week of June, 1974. (See J. E. O'Connell to Gebhardt memorandum dated 2/11/75, attached) There is no indication a previous contact ensued nor a radical group which may be the "prototype for the SLA" exists in the Berkeley area. The latter statement appears to be unfounded.

6. UPI dated 3/16/75 reported: "a report from 'Time' Magazine Sunday said Miss Hearst and SLA fugitives Bill and Emily Harris hid out in a Las Vegas motel operated by Jack Scott's parents and in a New York City apartment. They then moved to an apartment on New York's West 92nd Street where Jack Scott and his wife joined them at the behest of an unidentified "West Coast Radical Leader" and from there sought a retreat at the

O'Connell to Gebhardt Memorandum
Re: HEARNAP

Pennsylvania farm."

Mr. and Mrs. Scott never owned a motel in Las Vegas or anywhere. They do, however, manage a small apartment complex in Las Vegas which is probably being confused with a motel. Nevertheless, our investigation cannot prove or refute that the alleged fugitive stay occurred as above. The New York City apartment in question is located at 317 West 90th Street. There is no other suspect apartment. (See O'Connell to Gebhardt memorandum dated 2/11/75.) The remainder of the release appears to be conjecture.

7. UPI dated 3/16/75 reported: "A 'Chicago Tribune' Sunday reported (William) Harris' fingerprints have been found in a New York City apartment rented and then abandoned by writer and sports critic Jack Scott in September."

This is not true. The New York Office has never obtained any latents of value necessary for comparison since there have been two subsequent occupancies of this apartment after Scott abandoned same. The apartment also has been painted at least twice since Scott's occupancy.

Attached Las Vegas teletype advises on 3/17/75, Las Vegas Metropolitan Police Department detective stated source of unknown reliability in the Clark County Jail told him that a "Federal prisoner" in the jail by the name of Johnny Phipps had made some statements concerning the SLA and something to the effect that he knew the location of Patty Hearst. Phipps was interviewed by Bureau Agents and categorically denied membership in the SLA or knowing present whereabouts of Patty Hearst.

Phipps alleged connection with SLA was subject of newspaper article in local papers and was picked up by national news services.

Our Portland Office (PDO) advised that on 3/18/75, that Gerald C. Lubenow, Bureau Chief, Newsweek, San Francisco, visited PDO and inquired of SAC information regarding wiretap being installed on Bill Walton's telephone as well as several other questions concerning Hearnap investigation. SAC advised Lubenow he was in no position to comment since to do so would jeopardize the continuing investigation. PDO also advises media known to be pursuing intensive investigation regarding white van report including close inspection of police vehicle recovery records. A local television reporter detected in PDO's garage space copying license plate numbers and when challenged, reported admitted association with local station. Incident satisfactorily resolved with station officials.

RETURN ADDRESS: TO PATRICIA HEARST, IN CARE OF HER ROYAL
HIGHNESS, THE PRINCESS OHM-LALLA SHISKEVISH, 12812 PINE TREE
LANE, OXON HILL, MARYLAND 20022, RETURN ADDRESS ALBERT EINSTEIN,
U-238 NUCLEAR NIRVANA CT., ATOMIC ACRES, OBERLIN, OHIO,
NEREWHON3.1415. THE LETTER WAS IN A 3 3/4 BY 6 1/2 INCH ENVELOPE,
WHITE IN COLOR, HANDWRITTEN AND ON THE BOTTOM FRONT OF THE
ENVELOPE, IN PRINTING, WERE THE WORDS "DEAR PATTY: I HOPE THE
FBI DOES NOT CAPTURE THIS CAREFULLY CODED COMMUNICATION." ON
THE BACK OF THE ENVELOPE IN THE MIDDLE, WAS PRINTED THE
FOLLOWING: "AS YOU CAN SEE, THE HARD WORK HAS DRIVEN ME
BANANAS. I HAVE BEEN REDUCED TO STANDING ON MY HEAD IN A CORNER
KNOWING HOW TO DO NOTHING BUT RECITE PI TO DECIMAL PLACE AFTER
DECIMAL PLACE. IS THIS WHAT HAPPINESS IS ALL ABOUT."
ADDITIONALLY, AROUND THE EDGE ON THE BACK OF THE ENVELOPE ON
ALL FOUR SIDES ARE NUMEROUS NUMBERS.

[REDACTED] STATED THAT HE WAS UNABLE TO DETERMINE THROUGH
WHICH POSTAL BOX THIS LETTER HAD BEEN MAILED IN OBERLIN. HE
STATED IT WOULD BE POSTMARKED AT OBERLIN, OHIO ON MARCH 17,
1975, AND SENT TO THE ABOVE ADDRESS. [REDACTED] ADVISED THAT

ACCORDING TO THEIR DIRECTORIES, THERE IS A PINE TREE LANE IN OXON HILL, MARYLAND.

FOR THE INFORMATION OF BALTIMORE, DUE TO THE EXTENSIVE INVESTIGATION AT OBERLIN, IT IS FELT AT THIS TIME THAT STUDENTS AT OBERLIN COLLEGE POSSIBLY SENT THIS LETTER IN ORDER TO DETERMINE WHETHER OR NOT THE FBI IS CHECKING THE MAILS. THE RETURN ADDRESS IN OBERLIN IS FICTITIOUS, AND IT IS FELT THAT POSSIBLY WHOEVER RECEIVES THIS LETTER, IF THE ADDRESS IN OXON HILL, MARYLAND IS LEGITIMATE, WILL ADVISE SOMEONE IN OBERLIN IF THE LETTER APPEARS TO HAVE BEEN TAMPERED WITH, THEREBY POSSIBLY CREATING EMBARRASSMENT TO THE BUREAU.

BALTIMORE AT OXON HILL, MARYLAND, SHOULD MAKE NO OPEN INQUIRIES REGARDING THE ADDRESS AT PINE TREE LANE, BUT SHOULD ATTEMPT THROUGH PUBLIC SOURCE DOCUMENTS, TO DETERMINE IF THAT IS A LEGITIMATE ADDRESS, AND THEREAFTER THE NAME OR NAMES OF THE RESIDENTS SHOULD BE CHECKED THROUGH INDICES. THE BUREAU, SAN FRANCISCO, PHILADELPHIA, WFO, LAS VEGAS AND CLEVELAND SHOULD ALSO BE ADVISED SO THEY MAY CHECK THEIR INDICES. BALTIMORE SHOULD MAKE NO ATTEMPTS TO INTERVIEW OR CONDUCT ANY TYPE OF

CHECKS WITHOUT FIRST CONTACTING THE BUREAU OR SAN FRANCISCO IN THIS REGARD.

[REDACTED] DID ADVISE THAT SHOULD THE PINE TREE LANE ADDRESS BE FICTITIOUS, THE LETTER WOULD EVENTUALLY BE RETURNED TO OBERLIN, AND INASMUCH AS THE OBERLIN ADDRESS IS FICTITIOUS, IT WOULD THEN BE SENT TO THE DEAD LETTER OFFICE IN CINCINNATI, OHIO. [REDACTED] STATED HE WOULD ADVISE AGENTS IF THE LETTER IS RETURNED.

Re Possible Sighting of PATRICIA
HEARST at the Swaz Spa, Mbabone,
Swaziland, South Africa on 2/12/75.

Upon his telephonic request [REDACTED]
[REDACTED] Wellington, Ohio,
was interviewed at his place of employment [REDACTED]
[REDACTED]

furnished the following information:

[REDACTED] had just returned from a business
trip which took him, among other places, to Mbabone,
Swaziland, South Africa. This town, Mbabone, is adjacent
to Johannesburg, South Africa.

[REDACTED] on the evening of 2/12/75, his wife,
and several business associates visited a well-known hotel
in Mbabone known as the Swaz Spa. During the evening they
attended a show in the lounge of the Swaz Spa where a young
white female performed a belly dancing act. Immediately
upon seeing this girl, he mentioned to his wife that she
looked familiar at which time both he and his wife agreed
that she bore a strong resemblance to PATTY HEARST.

[REDACTED] did not discuss her resemblance to the others but both he and his wife agreed that upon returning to the United States he would call Mr. HEARST or the FBI.

The female he saw appeared to be an amateur and the dance she did was not lewd and the female wore what would be considered appropriate clothing for a dance of that sort.

[REDACTED] described the female as white, medium height, no more than 5'5", 20-25, light brown hair, medium length, slender, no more than 115 pounds, fair complexion. This individual was billed on a sign outside the lounge but neither he nor his wife could remember the name.

[REDACTED] viewed photographs which included PATTY HEARST and stated the 12/73 photograph of PATTY most resembled the individual he and his wife saw except that she had shorter hair.

ADMINISTRATIVE

It is noted that [REDACTED] is an executive of a large corporation in Elyria and upon conclusion of the interview it was felt by Agents that [REDACTED] was stable and there was no indication that the above sighting was not factual in what he believed he saw. It is further felt that [REDACTED] was acting as a concerned citizen in response to the FBI's nation-wide request to furnish any information they believed would be helpful in locating PATTY HEARST.

[REDACTED] further noted that Mbabone is an all black country but businesses are predominantly owned by white merchants and most hotels and motels are run by white businessmen.

Re Bureau communication, dated 3/7/75, with
attached letter from [REDACTED]

On 3/11/75, [REDACTED] was interviewed at the
Federal Correctional Institution (FCI), Oxford, Wisconsin,
by Special Agents [REDACTED].
Prior to the interview [REDACTED] file was reviewed
and it was noted there was no report of any mental illness
or instability recorded therein.

Upon interview of [REDACTED] he was advised
the interview was being conducted in response to his
letter to FBI Director CLARENCE KELLEY in
which he stated that he could furnish information which
would lead to the whereabouts of PATRICIA HEARST, other
Symbionese Liberation Army (SLA) fugitives and information
concerning the Weatherman underground movement.

During a lengthy interview, it became clearly
evident that [REDACTED] did not have any information
concerning HEARST or any other SLA fugitives and his
familiarity with names of SLA members was in all probability
due to reading newspaper accounts regarding PATTY HEARST.

[REDACTED] could furnish no information concerning the Weatherman underground; however, he postulated that all radical groups both left wing and right wing are controlled and financed by the same group. He proposed that if he were able to get released from prison to the custody of the FBI, he could lead the FBI to those persons who are behind the radical group activity in this country including the civil rights movement. [REDACTED] proposal consisted of traveling to California with an Agent where he would introduce the Agent to certain people who would lead directly to those responsible for the radical movement in this country.

[REDACTED] was unable to furnish the names or places where he would make the proposed introductions saying that it would be necessary for him to travel to California in order to refresh his memory.

Although [REDACTED] appeared sincere during the interview, it became apparent that he was under the delusion that there exists in the United States a monolithic conspiracy whose ultimate aim is to overthrow the government of the United States through the activities of various radical groups that they control and manipulate. Based on these impressions and the fact that [REDACTED] was unable to furnish any specific information of a pertinent nature, the interview was cordially terminated.

On 3/14/75 [REDACTED] contacted the FBI Office and advised she saw an auto belonging to the [REDACTED] parked in front of their house while on her way to work in the morning.

On 3/14/75 [REDACTED] stated that just prior to Christmas she observed PATTY HEARST in Oregon in the company of two Negro males and one Negro female while shopping at the Ben Franklin Store in downtown Oregon. She stated she identified PATTY HEARST from her photo which she observed on a wanted poster. She stated she could not recall where she saw the wanted poster although at the time she saw the poster the Negroes she saw with PATTY in the Ben Franklin Store also had their photos on the wanted poster. She stated that PATTY, as well as the individuals accompanying her, was shopping in the store. She advised she once heard that PATTY may be hiding out in Chicago, Illinois, and thus concluded that she was probably in Oregon visiting one [REDACTED] who formerly lived in Chicago. [REDACTED] advised [REDACTED] no longer resides in Oregon but has returned to Chicago and she has no way of knowing where she is now living. She stated she felt PATTY may have been in Oregon looking for [REDACTED]. She further advised the only reason she feels PATTY might know [REDACTED] is because she saw PATTY in Oregon and that [REDACTED] who formerly lived in Oregon, is from Chicago where PATTY may be hiding out.

It was observed at time of interview that [REDACTED] who appeared to be approximately 85 years of age, was very eccentric. She advised she has often seen wanted fugitives and just recently as they were driving north to Minnesota she observed a fugitive wanted by the FBI driving south on the highway on which they were traveling. She stated she just got a glimpse of this fugitive but definitely remembers seeing his photo on a wanted poster somewhere before. She advised she worked in the past for some detectives although could not give any information as to the department for which the detectives worked or the identity of the detectives for detectives never furnished such information. It was evident from the interview of [REDACTED] that she did not give factual information. In view of the above, no further investigation is being conducted at this time in Oregon, Illinois.

Scott's brother informer?

By EAREL NEIKIRK
Assistant City Editor

Former Oberlin College athletic director Jack Scott was linked to fugitive heiress Patricia Hearst not by an elaborate investigation but by his older brother. The Chronicle-Telegram has learned.

Meanwhile, the hunt for Miss Hearst, William and Emilie Harris and others, including Scott and his wife, Micki McGee, has again "turned cold," the FBI admitted.

The latest break in the Hearst case came Jan. 31 in Scranton, Pa., Scott's home town, sources close to the investigation said.

SCOTT'S OLDER brother, William, 38, a Scranton resident, made the report to Scranton police, who immediately called in the FBI. Jack Scott is 33.

William Scott, a former Marine and onetime cadet at West

The FBI questioned two unidentified Oberlin College students for an hour yesterday.—Page 4

Point, walked into the Scranton police station late in the afternoon seeking undercover agent George Murphy.

After conversation lasting about 30 minutes, the undercover agent, listed as a patrolman on Scranton police rolls, immediately called FBI agents.

The rash of FBI activity in the area, and across the nation, started "almost immediately," Scranton sources said.

ACTION ON William Scott's information, the FBI located the South Canaan farmhouse where Miss Hearst and the Harrises allegedly stayed during July, August and part of September.

The agents also learned that Jack Scott's wife, Micki McGee, had rented the house for the summer.

William Scott has been placed in what sources termed "protective custody" since he reported to the Scranton police and efforts by reporters to reach him have been unsuccessful. Scranton sources believe him held as a material witness.

Meanwhile, the San Francisco Chronicle today said Jack Scott had been named in an auto embezzlement warrant issued by Burlingame, Calif. police.

THE CHRONICLE said Scott rented a car from Trans-Rent-A-Car in Burlingame Feb. 27 and was supposed to return it March 1.

When the car was not returned, the agency manager signed a warrant against Scott, the paper said.

The auto was recovered March 11 after a woman who identified herself as Scott's wife called the agency and told them the car was in Oakland.

"He's been sick and couldn't return the car," the agency manager quoted her as saying.

When found in Oakland, the car had been driven exactly 37 miles — the distance from the rental agency to where the car was located.

THE SAN FRANCISCO paper speculated on a possible link between Scott and Symbionese Liberation Army members Joseph Remiro and Russell Little.

The two are in jail charged with the assassination of Oakland School Supt. Marcus Foster, for which the SLA took credit.

An attempted escape by the men March 1 failed. Two prison guards were seriously injured in the attempted jail break.

THE MARCH 21 edition of Time Magazine says the Scotts, the Harrises and Miss Hearst left South Canaan by van in late fall and were stopped as they travelled west by a highway patrolman.

Scott, who reportedly was driving, bluffed his way out of the jam, Time said, by telling the officer that he and the others were driving home from a football game in Pennsylvania.

The FBI reportedly checked the Commodore Perry Plaza on the Ohio Turnpike, near Clyde, about two weeks ago, according to the Castalia post of the Ohio Highway Patrol.

Patrolmen said the FBI believed a person matching Miss Hearst's description had stopped at the Plaza, but the person had left by the time the FBI returned there.

OF THEIR ATTORNEY IN ELYRIA, OHIO.

SMOOT STATED HE HAS KNOWN WEINER FOR THREE YEARS AND THAT
ON OCTOBER 11, 1974, JAY WEINER VISITED HIS RESIDENCE IN OBERLIN,
OHIO, AND AT THAT TIME TOLD HIM THAT JACK AND MICKI SCOTT HAD
TAKEN HIM TO A HOUSE WHERE HE HAD MET SOME PEOPLE WHO WERE VERY

THEY WERE BUT IN THE ENSUING CONVERSATION STATED HE HAD SEEN PATRICIA HEARST, EMILY HARRIS, WILLIAM HARRIS AND AN ORIENTAL GIRL WHO WAS ALSO WANTED BY THE FBI. AT THIS TIME WEINER DID NOT TELL HIM WHERE THE RESIDENCE WAS AS HE DID NOT WANT HIM TO KNOW. WEINER STATED TO SMOOT THAT HE WAS TELLING HIM THE STORY AS HE, SMOOT, COULD LEARN FROM THIS AS THESE PEOPLE (REFERRING TO PATRICIA HEARST AND WILLIAM AND EMILY HARRIS) "WERE NOT ALTOGETHER IN THEIR OPERATION." WEINER ADDITIONALLY TOLD SMOOT AT THIS TIME THAT WHEN HE ORIGINALLY WENT TO THE RESIDENCE WITH THE SCOTTS, HE WAS INTRODUCED TO THE FUGITIVES UNDER FALSE NAMES. ADDITIONALLY, SMOOT WAS TOLD VARYING DETAILS OF THE WALK WEINER TOOK WITH THE SCOTTS AND ALSO SOME OF THE CONVERSATION THAT WEINER HAD WITH THE FUGITIVES. WEINER IN CONTACT WITH SMOOT SEVERAL TIMES BETWEEN OCTOBER 11, 1974, AND LATE FEBRUARY 1975, BUT THEY DID NOT DISCUSS THE FUGITIVES. IN LATE FEBRUARY 1975, WEINER TELEPHONICALLY CONTACTED SMOOT AND TOLD HIM THAT THE FBI HAD QUESTIONED HIM AND THAT HE, WEINER, HAD TOLD THE FBI HE "DIDN'T KNOW ANYTHING." SMOOT STATED WEINER CAME TO HIS

RESIDENCE ON SATURDAY, MARCH 11, 1975, AND THE FIRST DAY WEINER STATED TO HIM "DON'T ASK ME ANYTHING AT THIS TIME. I WILL TALK ABOUT IT WHEN I GET READY." THE NEXT TIME HE, SMOOT, TALKED TO WEINER OCCURRED IN THE HOURS JUST BEFORE WEINER WAS SERVED WITH A SUBPOENA BY THE FBI IN OBERLIN, OHIO. DURING THIS CONVERSATION, WEINER WAS VERY DISTURBED AS HE KNEW WHAT HE MUST DO AND WANTED SMOOT'S ADVICE ON WHETHER OR NOT HE SHOULD TELL AUTHORITIES WHAT HE KNEW. SMOOT STATED HE RECOMMENDED THAT WEINER TELL THE TRUTH TO THE FBI INASMUCH AS HE HAD NO PART IN THE CRIME ITSELF AND THAT HE HAD BEEN PLACED IN THIS VERY AWKWARD POSITION BY OTHERS AND THEREFORE SHOULD NOT TAKE THE BLAME.

SMOOT STATED THE NEXT TIME THE FUGITIVES WERE DISCUSSED WAS AFTER THE FBI HAD TALKED TO WEINER AND WEINER HAD RETURNED TO HIS, SMOOT'S, RESIDENCE IN THE EARLY MORNING HOURS OF MARCH 12, 1975. AT THIS TIME WEINER TOLD SMOOT THAT HE FELT MUCH BETTER AND HE HAD TOLD THE FBI EVERYTHING HE KNEW AND HAD TRIED NOT TO LEAVE OUT ANY DETAILS. WEINER HAS BEEN IN CONTACT WITH SMOOT ON TWO OCCASIONS SINCE HIS TESTIMONY BEFORE THE FGJ

ON MARCH 13, 1975, AND ON EACH OCCASION WEINER ONLY STATED THAT HE COULD NOT TALK ABOUT WHAT HE TESTIFIED TO, BUT DID STATE THAT HE HAD TOLD THE TRUTH.

DURING INTERVIEW OF EDWARD P. BOXER, BOXER STATED THAT HE WAS NOT AWARE OF WEINER'S CONNECTION WITH THE FUGITIVES UNTIL THE EVENING OF MARCH 11, 1975, WHEN WEINER TELEPHONICALLY CONTACTED HIM AND APOLOGIZED FOR NOT PICKING HIM UP AFTER A CLASS AT OBERLIN COLLEGE. IT WAS THEN THAT WEINER TOLD HIM HE WAS BEING INTERVIEWED BY THE FBI AND WOULD EXPLAIN THE MATTER TO HIM WHEN HE RETURNED TO THE RESIDENCE. BOXER STATED THAT AFTER THE FBI'S INTERVIEW OF WEINER IN THE EARLY MORNING HOURS OF MARCH 12, 1975, WEINER TOLD HIM ABOUT HIS SEEING PATRICIA HEARST, EMILY HARRIS, WILLIAM HARRIS, AND AN ORIENTAL FEMALE ALLEGEDLY WANTED BY THE FBI. AT NO TIME DID WEINER STATE WHERE HE SAW THESE INDIVIDUALS. WEINER INDICATED THAT HE HAD TOLD THE FBI EVERYTHING THEY WANTED TO KNOW.

DURING BOTH INTERVIEWS, BOTH SMOOT AND BOXER WERE QUESTIONED AS TO ANYONE ELSE WHO MIGHT HAVE KNOWLEDGE OF STATEMENTS MADE BY WEINER REGARDING HIS SIGHTING OF PATRICIA HEARST, AT WHICH

PAGE FIVE CV 7-1094

TIME BOTH ADVISED THAT THEY WERE SURE WEINER HAD STATED HE
HAD TOLD THE STORY REGARDING THE SIGHTINGS TO JAKE EMERY OF
BOULDER, COLO.

SMOOT AND BOXER INTERVIEWED SEPARATELY AND FD-302S WITH
DETAILS OF INTERVIEW TO FOLLOW.

ARMED AND DANGEROUS.

THIS INFO FURNISHED TELEPHONICALLY TO SAN FRANCISCO THIS DATE.

RE SAN FRANCISCO TEL REQUESTED LAS VEGAS TO EXHIBIT PHOTOGRAPHS OF PATTY HEARST AT PERSONNEL OFFICE, THUNDERBIRD HOTEL AND CASINO. IN VIEW OF THE LAW IN NEVADA REQUIRING A PERSON WHO IS EMPLOYED IN A CASINO TO BE FINGERPRINTED AND PHOTOGRAPHED, LAS VEGAS HAS FURNISHED AN 8X10 PHOTO COPY OF PATTY HEARST'S THUMB PRINT TO ALL SHERIFF'S OFFICES IN NEVADA WITH A REQUEST THAT ALL NEW EMPLOYEES APPLYING FOR A WORK CARD TO BE MATCHED AGAINST THIS PRINT. TO DATE, NO INFORMATION HAS BEEN RECEIVED THAT A COMPARABLE PRINT HAS BEEN IDENTIFIED.

IN ADDITION, LAS VEGAS IS, ON A COUNTINUING BASIS, REVIEWING PHOTOGRAPHS OF NEW APPLICANTS FOR WORK CARDS IN ALL AREAS OF NEVADA. TO DATE NO INDIVIDUAL IDENTIFIABLE PHOTOGRAPHICALLY WITH PITY HEARST HAS BEEN LOCATED.

IT IS POINTED OUT THERE ARE AT LEAST FIVE SHIFTS OF COCKTAIL WAITRESSES EMPLOYED BY EACH CASINO, WITH COCKTAIL WAITRESSES ON DUTY 24 HOURS A DAY, SEVEN DAYS A WEEK. IF IN VIEW OF THE ABOVE, SAN FRANCISCO FEELS FURTHER CONTACTS ARE NECESSARY, IT WILL BE NECESSARY FOR [REDACTED] TO BE REINTERVIEWED IN ORDER TO DETERMINE APPROXIMATE TIME THE LOOK ALIKE SERVED SHE AND HER HUSBAND A DRINK. IT WILL ALSO BE NECESSARY TO KNOW WHAT PART OF THE CASINO THEY WERE IN, E. E., THE SLOT MACHINE AREA, THE DICE TABLE AREA, THE 21 CARD TABLE AREA, OR THE KENO AREA, SINCE THERE ARE DIFFERENT COCKTAIL WAITRESSES HANKLING EACH OF THESE AREAS. IT WOULD ALSO BE HELPFUL IF [REDACTED] COULD BE MORE SPECIFIC AS TO THE DAY OF THE WEEK THAT THE LOOK ALIKE SERVED THE DRINK.

IT IS THE OPINION OF LAS VEGAS THAT THIS IS A RESULT OF ERRONEOUS PUBLICITY THAT IS EMANATING FROM ALL PARTS OF THE

PATRICIA CAMPBELL HEARST,
BANK ROBBERY;
NATIONAL FIREARMS ACT

This concerns investigation to locate Bureau fugitives Patricia Campbell Hearst and William and Emily Harris for whom Federal warrants were issued on May 20, 1974, at Los Angeles, California, charging the Harrises and Hearst with violation of the National Firearms Act. Additionally, on June 6, 1974, the Federal Grand Jury, San Francisco, California, returned an indictment charging Hearst with Bank Robbery and use of a weapon during a felony.

At 8:17 p.m., March 15, 1975, the Alexandria, Virginia, Police Department (AXPD) received an anonymous telephone call from a young white female who advised "I know Patty Hearst is supposed to be in Pennsylvania but she is not. She is currently at 649 Notabene Drive, Apartment 10, Alexandria, Virginia, and she has been there for the past week or ten days. She has cut her hair and she is with one of the people who left with her from California." The telephone call was then terminated and the information was provided to the Alexandria Division of the FBI.

Upon receipt of the above information, the Special Agent in Charge of the Alexandria Division designated four Special Agents to meet with two AXPB Detectives at the AXPB.

it was determined that a Negro male by the name of Victor Henry/ vol

David, Apartment 10, Alexandria, Virginia.

FBI Agents accompanied by the two Alexandria detectives who were familiar with this apartment complex then proceeded to an area approximately one-half mile from the above address. At this point, two uniformed AXPB officers joined the group. The purpose of the uniformed officers' presence was to show visibility to the community of the legitimate law enforcement

purpose in the event the fugitives were at the above location and to provide instant communication with the AXPD and the Alexandria FBI Office.

The uniformed AXPD officers were paired with two Bureau Agents to cover front and rear entrances to the three-storyed apartment house located at 649 Notabene Drive. It was determined that Apartment 10 is located on the third floor with the only access being a staircase. Two Bureau Agents accompanied by the two Alexandria detectives proceeded to the third floor landing where it was determined that Apartment 10 was the second door to the left. The Agents approached Apartment 10 at which time they could hear music coming from within. At this point, Bureau Agents knocked on the door and the voice of a young white female responded "Who is it?" A Bureau Agent then advised it was the FBI and requested to speak with her. The occupant stated she would not admit anyone to the apartment without seeing some identification. The Agents who had their credentials in their hands requested that the door be opened so the occupant could observe their identification. At this point, the occupant refused entry and stated "I am not going to let anybody in." Immediately thereafter, sounds of movement were heard in the apartment and at this time the door to this apartment was forced open by an FBI Agent and an AXPD detective and the apartment was entered.

Upon entry, a white female fully clothed was observed. The Agents identified themselves to this individual by displaying credentials and then conducted a quick search of the sole bedroom, bathroom and kitchen area. It was determined at this time that the above female was the only occupant of the apartment.

The occupant was identified as Elizabeth Ann Norton, white female, born November 27, 1955 / She had been living in the apartment for several months. When she was shown the Agents' credentials and asked to sit down, she appeared to be visibly shaken. It was subsequently determined through interview that Norton's roommate, Bernadine M. Davis, white female, aged 21, who according to Norton had been living in Apartment 10 for the past two months bore some facial resemblance to Patricia Hearst, however, further investigation determined that Davis was not identical to Hearst. It was pointed out to Norton that this incident could have been avoided if she would have opened her door and viewed the Agents' credentials, rather than flatly refusing to permit entrance to the Agents.

The Attorney General

The door to Norton's apartment was forced open for the protection of the personnel standing in a limited space provided in the hallway, in view of the fact that the fugitives in this case have a propensity for violence and are known to have carried automatic weapons.

An individual who later identified himself as Robert Salzar, Norton's attorney, subsequently contacted the FBI Office concerning this incident. He was referred to Assistant U. S. Attorney David H. Hopkins, Eastern District of Virginia, who had been apprised of this incident.

Special Agent in Charge

Date of transcription 3/18/75

MARTIN STEPHEN MILLER, 612 South Brooksvale, Cheshire, Connecticut, telephone 273-0215 was interviewed at his place of residence on March 17, 1975. MILLER, after being advised of the identity of the interviewing Special Agent and the purpose of the interview stated as follows:

MILLER and his six year old male child reside at the above address with MICHELINE DOUCHET GELBAND and her six year old male child. Prior to moving to this address in late May or early June, 1974, he made telephone calls to the above number to speak to MICHELINE.

MILLER has known JACK and MICKI SCOTT since his college days at Syracuse University, Syracuse, New York in the early and mid 1960's. While at Syracuse, MILLER became associated with SCOTT through the university track team of which MILLER was a member. He became very friendly with SCOTT and he and other teammates trained regularly with SCOTT.

In June, 1966, SCOTT and his wife MICKI moved to Berkley, California and MILLER, after graduation, took a trip to Israel. He had infrequent contact with SCOTT while in Israel and traveling in Europe. In September, 1968, MILLER took a job as a welfare case worker with the City of New York. MILLER worked in New York until August, 1971, at which time he resigned to accept a teaching position at Stockton State College, Atlantic City, New Jersey. This position was secured for MILLER mainly through the efforts of SCOTT. MILLER worked at Stockton State College from September, 1971 until June, 1973. During that time, he continued to maintain contact with SCOTT but was visited by SCOTT on only one occasion, this in the Spring of 1972 when SCOTT was on a college speaking tour.

During the Winter of 1973, SCOTT told MILLER that he was experiencing much pressure at Oberlin College where

Interviewed on 3/16/75 at Cheshire, Conn. File # NH 7-402

by SA [REDACTED] /pat Date dictated 3/17/75

7-15200-5184

He was at that time Athletic Director. MILLER visited SCOTT and his wife for three days at Oberlin during which time SCOTT worked constantly. MILLER determined that SCOTT was receiving a great deal of pressure from tenured faculty members at Oberlin. This was due to SCOTT'S unorthodox manner of administration as Athletic Director.

During the last part of May, 1974, MILLER'S employment at Stockton State College ended. At approximately the same time, SCOTT'S employment at Oberlin also ended and SCOTT and his wife moved to an apartment in New York. SCOTT did not have a job but was working on a book. He was also not in a financial crisis inasmuch as he had made a substantial settlement with Oberlin upon the termination of his job.

In late June or early July, 1974, MILLER received a call from SCOTT who indicated that he was in California. SCOTT suggested that MILLER and MILLER'S son come to California and visit him, and thereafter, drive back east with unnamed friends of SCOTT. In this regard, SCOTT told MILLER that reservations had been made by SCOTT for MILLER and his son with either American or United Airlines. MILLER declined this offer as he was planning to travel to France on July 25, 1975. MILLER did not consider anything unusual about this request inasmuch as it came from SCOTT who MILLER knew to be a ready traveler.

Prior to his departure for France on July 25, 1974, MILLER stopped at SCOTT'S apartment in New York. This was a few days before July 25th. Both JACK and MICKI SCOTT were present at the apartment. During that one night visit, SCOTT said that he had secured a farmhouse in the country in New York. SCOTT did not elaborate on this and MILLER did not pursue the matter.

Upon returning from France on August 18, 1974, MILLER again stopped at the SCOTT apartment. JACK was not there and MILLER visited with MICKI. During this visit, JACK called MICKI and when MILLER inquired as to JACK'S whereabouts, MICKI replied that JACK was somewhere climbing mountains with BILL WALTON. MILLER assumed this to be in

California or Oregon. MICKI also said that she and JACK were planning to pack up everything and move to California or Oregon.

Approximately one week later, MILLER again visited the SCOTT'S apartment. JACK SCOTT had still not returned at that time.

During approximately the first week of September, 1974, SCOTT was in New Jersey and he called the SCOTT'S apartment in New York as he was planning on a visit with them. He was told by JACK that he and MICKI were packing and leaving immediately for the West Coast.

During the last week of January or the first week of February, 1974, MILLER received a telephone call from SCOTT who indicated that he was in an airport in Los Angeles. SCOTT stated that he was going to confer with Attorney CHARLES GARRY about BILL WALTON. During approximately the middle of February, 1975, MILLER received a newspaper clipping from SCOTT. This clipping, which was postmarked California concerned BILL WALTON and SCOTT. MILLER has had no contact with SCOTT since that time.

[REDACTED] b7C

SCOTT at no time ever mentioned the names of PATRICIA HEARST, WILLIAM HARRIS or EMILY HARRIS. MILLER at no time had any idea that SCOTT was engaged in any illegal activity, or that SCOTT had at anytime attempted to recruit himself to be a party to any such activity. MILLER'S only knowledge regarding the alleged connection between SCOTT and Federal Fugitives was what he had read in newspapers and seen on television. MILLER was of the opinion that SCOTT could become involved in this type matter for personal reasons, such as being the first and possibly only writer to have inside information regarding the HARRIS' and HEARST. This would enable SCOTT to write a book which would be a guaranteed success both financially and in regards to making SCOTT famous.

The foregoing interview was conducted after MILLER had been advised of the provisions of the Federal Harboring Statute.

NEWS MEDIA

Since some of the facts concerning the SLA fugitives' activities at the farm in Pennsylvania have been revealed, the news media within the Albany Division has afforded the fugitives almost daily coverage. This extensive coverage has resulted in dozens of reported sightings and these have been checked out with negative results. Some of these reported sightings involved allegedly seeing HEARST or one of the HARRISEs in Pennsylvania during last summer and obviously were generated by the press revealing they had in fact been at the farm.

PH 4389-PCI

Albany continues to receive information regarding this source and has reported background information concerning individuals mentioned by him by teletypes. None of these associates mentioned currently within Albany Division and as of this time, no toll records have been subpoenaed for examination.

INFORMATION REGARDING
SLA FUGITIVES' TRAVELING
TO MONTREAL

On 1/26/75, the Albany Division in conjunction with NYSP and Customs Officers covered Interstate 87 and three border crossings in an attempt to locate the fugitives with negative results.

REPORTED SIGHTINGS

Within the past month, Albany has received two reported sightings in Watertown, however, both leads have been checked out with negative results. One of these leads concerned property allegedly owned by parents of SLA member WILLIAM WOLFE (deceased).

Attached San Francisco teletype reports that [redacted] Burlingame, California, Police Department (BPD) advised that Trans Rent-A-Car did not desire to pursue prosecution of Jack Scott for grand theft auto. [redacted] stated he would file report with District Attorney's Office and charges would probably be dismissed either 3/21/75, or 3/24/75. BPD at time of dismissal will probably make press release to effect that matter was dismissed at request of rental agency.

Las Vegas Office advised that efforts by Bureau Agents to serve Mrs. Louise Scott (Jack Scott's mother) with subpoena met with negative results. Mr. and Mrs. Scott departed in their automobile for unknown destination (presumably to San Francisco to honor Mr. Scott's grand jury subpoena).

Cleveland Office advised John Brawner Smoot and Edward P. Boxer (close associates of harboring suspect Jay Weiner) interviewed 3/17/75, in presence of their attorney in Elyria, Ohio. They stated in effect that Jay Weiner had discussed with them his meeting with Patricia Hearst, Emily Harris, William Harris, and an oriental female (Wendy Yoshimura) allegedly wanted by the FBI.

Denver Office advised that Ann Roberts (good friend of Jay Weiner and Jack and Micki Scott while at Oberlin College) was interviewed 3/18/75. Ann Roberts advised that Weiner had related to her that on 7/2/74, he (Weiner) had been taken by persons he preferred not to name to a mountain farmhouse where he was introduced to Patty Hearst and Emily and Bill Harris.

Newark Office advised that on 3/19/75, Phillip Shinnick (close associate of Jack Scott) was charged with a subpoena for appearance before Federal Grand Jury, San Francisco, 4/10/75. Shinnick stated that he had nothing to say concerning this matter.

Investigation continuing.

Assistant Director Robert E. Gebhardt, Section Chief Joseph E. O'Connell and Special Agent Elroy Anthony conferred with Departmental Attorneys Brandon Alvey and Alfred Hantman and U. S. Attorneys James Browning (San Francisco) and John Cattone (Scranton, Pennsylvania) regarding the harboring aspects and Federal Grand Jury (FGJ) proceedings in this case pertaining to Jack and Micki Scott.

After some discussion it was decided there is insufficient evidence to seek FGJ indictments for the Scotts who appeared to have illegally aided Patricia Hearst and Emily and William Harris during July through September, 1974, at the Honesdale, Pennsylvania, farm site. However, it was determined sufficient probable cause exists to issue material witness warrants for the Scotts and this will be done through the U. S. Attorney's Office at Scranton, Pennsylvania, Middle District of Pennsylvania. San Francisco and Philadelphia have been advised of these decisions.

Dear Mr Hearst

I realise that you are, and have been under a terrific emotional strain these past months, and hope this is not something that will add to your misery, rather I have hopes that this will reunite you and your wife with your daughter.

A few weeks ago I had reasons to be in the superstitious mountains of Arizona, while in there I met this young woman, whom I now believe was your daughter, I talked to this young lady for sometime, she had a small dog with her something on the order of a Collie, they seemed very attached, this may give you some clue, if your daughter liked dogs, Also there are places in the superstitions that one can readily get good and lost from civilization if one truly wishes it, this young lady had a complete map of the area and she asked several times about the whiskey springs area.

The F.B.I could get the National Park Rangers to check this area for you, And I sincerely hope this brings about the return of your Daughter, in any event my best wishes for her safe return.

Best wishes
b7c

calls regarding alleged sightings of PATRICIA HEARST and the HARRISes. Following the widespread publicity as a result of the appearance of JAY WEINER before the Federal Grand Jury at Harrisburg, Pa., there was a drastic increase in the sightings. All have either been resolved in a negative manner or are currently being resolved. Again, for the purpose of brevity and clarity, they are not being made a portion of this report.

The investigative period of this report overlaps that of referenced report, inasmuch as some material contained in this report was not available to be included in referenced report. WEINER appeared at Harrisburg, Pa., and testified before the Federal Grand Jury at Harrisburg on 3/13/75. He was represented by Attorney THOMAS MENAKER, Harrisburg, Pa., who formerly was on the staff of attorneys who represented PHILIP and DANIEL BERRIGAN, during their trial at Harrisburg, Pa. MENAKER has been known to associate with radical causes in the past. The Grand Jury proceeding was handled by Departmental Attorney BRANDON ALVEY and USA S. JOHN COTTONE, SDPA. It was noted by these attorneys that although WEINER testified before the Federal Grand Jury, he "hedged" on crucial identifications of the fugitives, so as to dilute the effectiveness of these identifications. Both ALVEY and COTTONE are currently considering options regarding any future re-appearance by WEINER. These options to include the possible subpoena of agents from the Cleveland Division who took detailed information from WEINER during previous interviews.

On February 26, 1975, at approximately 8:30 a.m., an attempt was made to interview JAY WEINER, 1102 Elbridge Street, Philadelphia, Pa. The interviewing agents knocked on the door and rang the bell of the residence described above. An individual later identifying himself as SAMUEL WEINER, father of JAY WEINER, arrived at the house at the same time the agents were ringing the door bell. Both agents identified themselves to Mr. WEINER and Mr. WEINER invited the agents to come inside. He then summoned his son, JAY WEINER, to the downstairs living room area.

Upon JAY WEINER's entrance to the room, both agents identified themselves as FBI Agents and showed WEINER credentials. WEINER wrote down the names of both agents. JAY WEINER was advised by SA [REDACTED] that the agents wished to interview him regarding any knowledge he might have of the whereabouts of PATRICIA HEARST. WEINER replied that he did not want to talk to FBI Agents about this matter or any other matter. He then asked the interviewing agents to leave his home.

At this point, SA [REDACTED] spoke to SAMUEL WEINER and made arrangements for separate interview of SAMUEL WEINER at a later time. These arrangements were made over the objection of JAY WEINER. SAMUEL WEINER indicated a desire to talk privately with the agents at a time to be arranged later. He furnished the agents with his name and home telephone number. The interview was then terminated.

JAY WEINER voluntarily appeared at the Philadelphia Office of the FBI on February 27, 1975, and was interviewed by SA [REDACTED] and SA [REDACTED]. WEINER advised that he was [REDACTED] of the [REDACTED] of each agent. He was advised by SA [REDACTED] that he was being questioned regarding his knowledge of the whereabouts of PATRICIA CAMPBELL HEARST, WILLIAM TAYLOR HARRIS, and EMILY HARRIS, all FBI fugitives. He was advised of the provisions of the Federal Harboring Statute by SA [REDACTED] and was presented a standard FBI Warning and Waiver Form setting out his constitutional rights, which he read and stated that he understood. He declined to sign the form, but reaffirmed that he would consent to limited interview and understood his rights as contained on the form. By limited interview he said he meant that there were certain questions he was not prepared to answer because they might reflect on persons that were friends of his.

WEINER was asked why he had changed his mind and decided to come to the FBI office for interview. He advised that he did this for several reasons. He said that he did not particularly like the FBI, but felt he had been rude to the agents who interviewed him the previous day as persons and wished to correct this. He advised also that his family had had some influence on his decision.

When questioned regarding his relationship with JACK SCOTT, WEINER supplied the following information:

WEINER advised that he was acquainted with JACK SCOTT at Oberlin College, Ohio, and became very friendly with him there. He also had known JACK SCOTT at Berkeley, Calif. He advised that his relationship with SCOTT is

similar to that of a brother and that he considers JACK's wife, MICKI, to be as a sister to him. WEINER advised that he is well acquainted with EVEL SCHWARTZ, another friend of JACK SCOTT, and is friendly with SCHWARTZ's wife. WEINER stated that he has never seen the fugitives mentioned above and is certain that he has never met them inadvertently. His only knowledge of them since the kidnapping of PATRICIA BREAST has come through reading newspapers and periodicals. He advised that he might have peripheral information, but is not involved in harboring them in any way. WEINER stated that he would consider harboring these persons or transporting them to be a very grievous matter and would consider that if anyone else did it, it would be grievous for them.

WEINER was asked if he had attempted to reach JACK SCOTT following his (WEINER's) visit the previous morning by FBI Agents. WEINER stated that he had attempted on several occasions to get a hold of SCOTT as a result of that interview, but had been unable to do so.

WEINER was asked where he had been to Scranton, Pa., during the summer of 1977. He refused to answer that question. He advised that he had taken a trip during December of 1977. He stated that this in no way involved transportation of the fugitives mentioned above. He drove to Memphis and picked up a girl, who was a student with him at Oberlin College. He then drove to Chicago and Las Vegas. He stopped with the girl in Las Vegas and saw JACK SCOTT's parents. He then drove to San Jose, Calif., where he dropped off the girl. He then proceeded to Portland and then to San Francisco. From San Francisco he drove to Boulder, Colo., where he left his car. He then flew to Portland and back to Boulder. He stated his reason for visiting Boulder was to see friends that lived in the Boulder area.

WEINER was again questioned regarding any trips he took to Northern Pennsylvania, specifically the Scranton area, during the summer of 1974. He again refused to furnish any information in that regard, but said he wished to think about it and be interviewed again within several days. The interview was then terminated.

JAY WEINER, 1102 Elbridge, Philadelphia, Pennsylvania, was reinterviewed during the early evening hours of March 3, 1975 by SAs [redacted] and [redacted]. WEINER was interviewed in the presence of his parents, Mr. and Mrs. SAMUEL WEINER, as requested by both JAY WEINER and his parents. He was interviewed at his home, the address of which is indicated above.

WEINER acknowledged that he was aware of the identities of both agents as Special Agents of the FBI, and that he was aware of the purpose of the interview. Mr. and Mrs. WEINER at this point had been made aware of the identities of both agents and the purpose of the interview by SA [redacted].

WEINER was again advised of his rights by SA [redacted] and was presented a standard FBI warning and waiver form, which he read and stated that he understood. WEINER refused to execute the form, but acknowledged that he did understand his rights and would consent to interview. When questioned regarding his knowledge of a trip allegedly made by him to the Scranton, Pennsylvania area during the summer of 1974, WEINER supplied the following information:

JAY WEINER stated that in late July or August of 1974, he was in New York City, and met friends of his, JACK and MICKI SCOTT, at their apartment. The purpose of the meeting was for WEINER and the SCOTTS' to go on "an outing" to the Scranton, Pennsylvania area, which is the original home of JACK SCOTT. The purpose of the trip was to acquaint JAY WEINER with the Scranton area, which had been discussed in many conversations with the SCOTTS'. WEINER stated that

he had always wanted to visit Scranton and have a special bread of hot chili called "Texas Hot," which is a local favorite in the Scranton area. WEINER advised that there was no other purpose for the visit.

MICKI SCOTT, JACK SCOTT and JAY WEINER proceeded in JAY WEINER's Volkswagen, leaving New York City around Noon and going to the Scranton, Pennsylvania, general vicinity. WEINER recalled that shortly before arriving at Scranton, and a short distance from Scranton, they turned off the main road and went to a house, which JACK and MICKI told him they were renting or were about to rent for a place to get away and write. WEINER recalled that he and JACK and MICKI stopped at the house and stayed for approximately twenty minutes. No one was at the house according to WEINER. WEINER used the bathroom facilities and after staying fifteen or twenty minutes, the SCOTT'S and WEINER drove on to Scranton. WEINER at this point was shown a photograph of a farmhouse in the Lake Ariel vicinity. WEINER was unable to state whether this was in fact the farmhouse. He advised that the only thing he could recall was that there was a piano downstairs in the house. He stated that he could not tell whether or not anyone was living there and had no impressions in that regard. WEINER denied that he met anyone at that house and stated that this was his only visit to the house.

Upon leaving the house, JAY WEINER, MICKI SCOTT and JACK SCOTT proceeded by car to the Scranton, Pennsylvania area where they saw a semi-pro football game, involving the Lackawanna County Eagles and the Chambersburg Cardinals. The weather was very cold and because of the cold, WEINER and the SCOTT'S left at half time and drove directly back to New York City. According to WEINER, they did not stay at the farm that night and drove directly back to New York. WEINER advised also that the SCOTT'S dog, SIGMUND, accompanied them on the trip.

3
JAY WEINER confirmed that he has spoken by phone to JOHN and LONIS SCOTT, in Las Vegas, Nevada, since first being contacted by Bureau Agents. He has also spoken to PHILIP SCHWICK, in New Jersey, by phone. WEINER stated that SCHWICK phoned him on the morning of March 3, 1975, and spoke regarding the possibility of WEINER giving a lecture to SCOTT's class at Rutgers University. WEINER also stated that PAUL HOUK called him from Montreal, Canada, regarding a visit paid to him by Canadian Authorities in regard to the BRENNER matter. WEINER also stated that he is aware of the attempt to interview JACK SCOTT in Portland, Oregon. He stated that he first learned of the attempt by FBI Agents to interview SCOTT from reading an account in the Daily World Newspaper, which WEINER described as "The Communist Party Newspaper."

At Harrisburg, Pa.

On March 13, 1975, JAY BLINER appeared before Federal Grand Jury, Harrisburg, Pa., having been served with a subpoena at Oberlin, Ohio. BLINER was represented by Attorney THOMAS BLINER, Harrisburg, Pa. He refused to testify without immunity, and immunity was granted. He testified before the Federal Grand Jury and shortly thereafter issued a news statement to members of the press corps waiting near the Grand Jury room. That statement is set out hereafter.

March 13, 1975

STATEMENT OF JAY WEINER AFTER BEING COMPELLED
TO TESTIFY BEFORE A FEDERAL GRAND JURY IN HARRISBURG

Tuesday night, I was subpoenaed to appear before a federal grand jury sitting today in Harrisburg. I had three choices: (1) to refuse to cooperate and be held in contempt of court, (2) to perjure myself and face future prosecution, or (3) to tell the truth. After much thought and struggle and advice from my friends, my family and my attorney, I chose to tell the truth. I told the truth because the FBI and the U.S. Attorney already knew it. Somebody else snitched. I told the truth because I am not prepared to go to jail for the so-called alleged crimes of others, and because my family, like all American working families, cannot afford the high price of American justice. It appears the FBI is merely trying to justify all the time it has spent on an unproductive search. My freedom, however restricted, is important to me, and can be helpful to others.

To the progressive people of the country, I only ask that you understand the position--innocently--in which I was placed. To Tania, Teko, Yolanda, and all my sisters and brothers underground or in prison, I hope you are safe and alert. To my comrade, Jack, and my dearest sister, Micki, I am with you. Please try to understand the terrible pressure my family, friends and I have been under these past two weeks. I only hope that the love I feel for you--and the love you have always extended to me--is shared with you by others and that you are safe in or out of this monster's belly.

WALTER AMPROSE SCOTT, 1534 Gayouss Avenue, Scranton, Pa., telephone number 346-4285, was advised of the identities of Special Agents [redacted] and [redacted]. He was advised of his constitutional rights by [redacted] and executed a waiver of these rights as shown on "Interrogation; Advice of Rights" Form. He was advised that the purpose of the interview was to determine his knowledge and the current whereabouts of PATRICIA HEARST and WILLIAM and EMILY HARRIS. Mr. SCOTT advised as follows:

On May 21, 1974, SCOTT advised that his nephew JOHN SCOTT, also known as JACK and BUTCH and his wife, MICHI, were in Scranton, Pa., to visit with him and his wife. He stated that they were living in New York City at that time and the purpose of their visit was to visit his other nephew, WALTER J. SCOTT who was staying in Scranton, Pa., at that time. They arrived from New York in a tan colored Volkswagen visiting with WALTER J., staying overnight and supposedly returning to New York City on May 22, 1974. During their stay in Scranton, Pa., they left on one occasion and supposedly visited an old school friend of JACK SCOTT who is a car dealer near Lynch, Pa., and has an Italian name. The next time that WALTER J. heard from his nephew JACK was in September 1974, when he was called by JACK and MICHI and they told him that their car had been stolen and the Pennsylvania State Police (PSP) in Honesdale, Pa., had recovered the car. They asked him to pick up the car and take it to Scranton, Pa., and to contact the Ohio Casualty Insurance Company to handle the insurance claim. SCOTT advised that on September 28, 1974, he drove to Macle's Garage in Honesdale, Pa., RD 4, Route 348, Lake Ariel, Pa., and they picked up the Volkswagen and drove it back to Scranton, Pa. He contacted insurance agent GEARY HUDAK at Ohio Casualty Insurance Company, 301 Mulberry Street, Scranton, Pa., and HUDAK came to his residence and looked at the car. HUDAK stated that he needed the papers (registration, etc.) and WALTER A. then

by letter contacted JACK SCOTT and asked him to give the papers so that the insurance company could settle the claim on their car. Four days later, a letter was received from NICKI SCOTT with the necessary papers and these were turned over to Mr. NEDAN who then declared the car as a "totaled" and cashed it out for \$3,625 and wrote another check for \$50 for storing and towing. WALTER A. advised that he mailed both of these checks made out to the Institute for the Study of Sports and Society, Oberlin, Ohio, to JACK SCOTT at 1134 Southeast Marion, Portland, Oregon. After this, another letter was received from NICKI SCOTT thanking him for handling the car deal. Mr. SCOTT made available these letters to the interviewing Agents.

SCOTT advised that his brother, JOHN ROBERT SCOTT and his wife, LOUISE, who live at the Cabaret Apartments, South Maryland Parkway, Las Vegas, Nevada visited him and his wife on June 24, 1974, and stayed until June 26, 1974 and left Scranton, Pa., supposedly to return to Las Vegas, Nevada. When they arrived at Scranton, they told WALTER A. that they had come to Scranton from JACK's apartment in New York City and they had with them a check to JOHN SCOTT from NICKI SCOTT for \$500.00. WALTER A. on June 25, 1974, took his brother to the Fidelity Bank in Danvers, Pa., and cashed him cash this check. Also, while they were in Scranton, his brother stated that they were on a vacation trip and had just stopped in for a visit. WALTER A. stated that while they were in Scranton, no one was with them nor did they go to see anyone while they were in Scranton, Pa. He stated that the last time he has talked to his brother was on January 30, 1975. SCOTT further added that his brother, JOHN, has been in heavy financial trouble and that his son, JACK, has helped him out financially for quite a few years and that it was possible that JACK could have held these favors over his father's head and if he did so, his father would probably do anything for him.

SCOTT stated that he had no knowledge whatsoever of PATRICIA HARRIS, WILLIAM and EMILY HARRIS or JAY WEINER and after viewing photographs of each, he stated that he has never seen or talked to any of them. He said that he was aware of WEINER's name because it had been mentioned by his nephew, JACK, on various occasions.

SCOTT advised that his only relative in the Scranton, Pa., area is a sister, MARY L. SCOTT, who lives with Mrs. EMMETT L. WAGAN on South Sumner Avenue, Scranton, Pa. He stated that she and the rest of the family do not get along and as a matter of fact, don't speak to one another. She was advised by WALTER A. that JOHN and LOUISE SCOTT were in Scranton, Pa., to visit during June 1974, but she did not see them.

WALTER AMBROSE SCOTT, 1534 Gayoussé Avenue, Scranton, Pa., telephone number 2-6-1115, was advised of the identity of Special Agents [redacted] and [redacted]. He was advised of his constitutional rights by [redacted] and executed a waiver of these rights as shown on "Investigation: Advice of Rights" Form. He was advised that the purpose of the interview was to determine his knowledge and the current whereabouts of PATRICIA HEARST and WILLIAM and EMILY HARRIS. Mr. SCOTT advised as follows:

He stated that he could be very specific with events that took place in his life because for the last ten years he has kept a daily log or diary that includes all his visitors, telephone calls, bills paid, etc. Anything that happens to him or anyone that calls him is in this log. From this log it was determined that his brother, JOHN SCOTT and his wife MICKI from Las Vegas, Nevada, had visited him from June 24, 1974 through June 26, 1974. When they arrived in Scranton, JOHN SCOTT was driving his 1970 Ford LTD, yellow in color. When they arrived in Scranton, they stated they had come from New York and while there, MICKI SCOTT had given them a \$500 check. During conversation it was also determined that JOHN SCOTT and his wife had stopped somewhere in Texas en route to the West Coast to visit with a friend they had been connected with at the Clay-Janic Hotel in San Francisco, California, when JOHN SCOTT was managing that particular hotel. SCOTT advised that at that time his brother, JOHN, was living at 60426 Caronde Way, Apartment B, Las Vegas, Nevada and that they had definitely stated that they had stopped to visit JACK and MICKI SCOTT on East 90th Street in New York City. There was at no time any mention of anyone accompanying them on their trip from Las Vegas to New York to Scranton, Pa. SCOTT advised that he definitely did not know that his brother was coming to visit and that he and his wife showed up at the doorstep on the afternoon of June 24, 1974.

and that he never did receive a collect phone call from them. The only telephone call in his diary around this time was that of his nephew, WALTER JOSEPH SCOTT, also known to him as "Jiggs", who called various times on June 23, 1974, between the hours of 6:00 and 9:00 a.m., and that he was drunk and in need of money. SCOTT advised that "Jiggs" also called various times later in the week. On June 24, 1974, he called from Las Vegas, where he was staying at his father's residence. On June 25, 1974, he called collect from the Las Vegas Airport and on the same afternoon arrived in Washington, D.C., calling from there. On June 26, 1974, he also called from Washington, D.C., at which time WALTER A. asked "Jiggs" to come to Scranton so that he could help him get straightened out. According to WALTER A.'s log, he, "Jiggs", arrived in Scranton, Pa., on June 28, 1974.

SCOTT stated that his last personal contact with JACK and NICKI SCOTT was on May 21, 1974, when they visited him in Scranton, Pa., and his last contact from them by any means was a letter from them on November 14, 1974, thanking him for handling the car deal.

SCOTT advised that his last contact with his brother, JOHN and his wife, LONNIE, was a telephone call on January 30, 1975, and at this time his nephew, WALTER J. was in Scranton and called him father in Las Vegas and near the end of the conversation, WALTER A. talked with his brother and they discussed WALTER J.'s condition and that he was O.K. SCOTT also advised that on January 20, 1975, he got a birthday card from his brother in Las Vegas and in it was a \$10 bill but there was no note or letter.

SCOTT related that while NICKI and JACK SCOTT visited him in May 1974, they did take a ride in the country and while they were on this ride, they picked up WALTER J. who was working at the Maplewood Fire Company, Lake Ariel, Pa., and returned him to Scranton, Pa. This took place on May 22, 1974. SCOTT advised that his nephew, WALTER J., started working for WILBUR BLACK, RD 4, Route 348, Lake Ariel, Pa. (W.B. Construction) on April 18, 1974, and was still working for him at various locations up until NICKI and JACK's visit in May.

ISSUANCE OF MATERIAL WITNESS WARRANTS FOR ABOVE CAPTIONED

SAN FRANCISCO IS OF THE OPINION THAT ISSUANCE OF THESE
WARRANTS SHOULD BE DELAYED UNTIL AT LEAST THE APPEARANCE OF SCOTT'S
PARENTS BEFORE FEDERAL GRAND JURY, SAN FRANCISCO, APRIL 10, 1975.

AS THE BUREAU IS AWARE, [REDACTED] 620

[REDACTED] KNOWN CLOSE
ASSOCIATES OF JACK SCOTT ARE BEING INTERVIEWED. THIS HAS

APPARENTLY CAUSED SOME DISRUPTION OF THE LIFE OF THE SCOTTS.

THEY HAVE APPARENTLY BEEN FORCED TO LEAVE THE BILL WALTON

HER COLLABORATION WITH LINDA HUEY IN THE PREPARATION OF A BOOK.

SAN FRANCISCO STILL HOPES THAT THESE PRESSURES MAY CAUSE THE SCOTTS TO SURFACE, AND THE ANNOUNCEMENT OF THE DISMISSAL OF THE SAN MATEO COUNTY CHARGES AGAINST JACK SCOTT ON MARCH 21 OR 24, 1975 MAY ALSO PERSUADE THE SCOTTS TO COME FORWARD. ON THE OTHER HAND, IT IS FELT THAT IF THEY HAVE NOTICE OF THE ISSUANCE OF THE MATERIAL WITNESS WARRANTS THIS MAY DRIVE THEM FURTHER UNDERGROUND AND THEIR PARENTS MAY ALSO TAKE A HARDER LINE IN REFUSING TO COOPERATE WITH THE FEDERAL GRAND JURY.

THIS MATTER WILL BE DISCUSSED WITH THE U.S. ATTORNEY, JAMES BROWNING, ON HIS RETURN FROM WASHINGTON. IF AS A RESULT OF THAT DISCUSSION OR ANY FUTURE INVESTIGATION WOULD INDICATE THIS RECOMMENDATION SHOULD BE CHANGED, THE BUREAU WILL BE IMMEDIATELY ADVISED.

1975, GOLDSTEIN PLACED SHEETS OVER THE WINDOWS, WAS PLAYING LOUD MUSIC AND APPARENTLY LIGHTING THE HOUSE WITH CANDLES.

ALBANY FBI ADVISED NEW YORK LICENSE 262 DTQ IS REGISTERED TO LESTER M. GOLDSTEIN, 62 ALEXANDER DRIVE, SYOSSET, NEW YORK.

TELEVISION REPORTER ABOVE RECONTACTED CLEVELAND FBI OFFICE AND ADVISED ANONYMOUS CALLER HAD CONTACTED HIM AGAIN AND TOLD HIM THAT A SHORT TIME AGO THE BLACK MALE WAS SEEN ENTERING THE APARTMENT WITH A RIFLE AND THAT SOME OF THE NEIGHBORS WHO HAD WEAPONS WERE PLANNING TO CONFRONT THEM.

CLEVELAND FBI AND NORTH ROYALTON POLICE DEPARTMENT OFFICERS WENT TO ABOVE LOCATION, WERE VOLUNTARILY ADMITTED BY GOLDSTEIN TO HIS RESIDENCE, AND CONDUCTED A SEARCH WITHOUT LOCATING A BLACK MALE, WHITE FEMALE, OR HEARST. GOLDSTEIN WAS ALONE IN RESIDENCE.

UPON INTERVIEW, GOLDSTEIN STATED HE DEPARTED LONG ISLAND, NEW YORK, FOR CLEVELAND, OHIO, AT 4:00 PM, MARCH 19, 1975, IN HIS 1966 WHITE OVER BLACK OLDSMOBILE BEARING NEW YORK TAG 262 DTQ. GOLDSTEIN STOPPED AT THE ALTOONA, PENNSYLVANIA, EXIT OF I-30 FOR A CUP OF COFFEE AND UPON DEPARTING THE RESTAURANT HE MET A WHITE FEMALE AND A NEGRO MALE WHO ASKED

HIM FOR A RIDE. HE GAVE THEM A RIDE TO HIS RESIDENCE IN NORTH ROYALTON, OHIO, AT WHICH TIME THE NEGRO MALE ASKED GOLDSTEIN TO DROP THEM OFF AT A MAIN INTERSECTION. GOLDSTEIN STATED THE TWO INDIVIDUALS NEVER LEFT HIS CAR IN THE DRIVEWAY AT HIS APARTMENT COMPLEX AND HE TOOK THEM TO THE INTERSECTION OF YORK ROAD AND ROUTE 32, WHERE HE DROPPED THEM OFF. GOLDSTEIN RETURNED TO HIS RESIDENCE, SLEPT THE NIGHT, AROSE AT 3:00 AM, WENT TO WORK AT ALL LITE ELECTRIC CO. WHERE GOLDSTEIN IS THE MANAGER. GOLDSTEIN STAYED AT WORK ALL DAY, MARCH 20, 1975, TOLD NO ONE THAT HE PICKED UP HITCHHIKERS, AND RETURNED TO HIS RESIDENCE AT 6:45 PM ON MARCH 20, 1975. HE STAYED HOME ALL NIGHT UNTIL HE RETIRED AT 11:45 PM AND WAS THEN AWAKENED BY THE FBI AND THE NORTH ROYALTON POLICE.

GOLDSTEIN STATED HE WENT TO HIS VEHICLE PARKED IN THE DRIVEWAY DURING THAT EVENING ON TWO OCCASIONS TO OBTAIN A PHOTOGRAPHIC LENS AND AN ENVELOPE IN THE CAR. HE STATED HE MAKES CANDLES AND DURING THAT EVENING, HE HAD A FEW CANDLES LIT IN THE DEN OF HIS APARTMENT. GOLDSTEIN HAD NO VISITORS ON THE EVENING OF MARCH 20, 1975, AND MADE THREE BUSINESS CALLS DURING THE EVENING.

GOLDSTEIN DESCRIBED THE WHITE FEMALE HITCHHIKER AS 5'3", 100-120 POUNDS, DARK BROWN HAIR, SHOULDER LENGTH, GREEN OR HAZEL EYES, WEARING ARMY JACKET, JEANS AND BOOTS. GOLDSTEIN-STATED SHE HAD A BEAUTY MARK OR BIRTH MARK ON HER RIGHT-CHEEK, AND DEFINITELY NOT ON HER CHIN. GOLDSTEIN THOUGHT SHE WAS PREGNANT, SINCE SHE APPEARED TO BE DIZZY AND THEY HAD TO STOP THE CAR THREE TIMES DURING THE TRIP TO LET HER USE THE WASHROOM.

GOLDSTEIN VIEWED PHOTOGRAPHS OF PATRICIA HEARST AND HE STATED HE HAS SEEN NUMEROUS PHOTOGRAPHS OF PATRICIA HEARST IN THE RECENT PAST AND HE COULD NOT IDENTIFY THE FEMALE HITCHHIKER AS PATRICIA HEARST.

GOLDSTEIN DESCRIBED THE NEGRO MALE AS LIGHT SKINNED, 5'10", 150-175 POUNDS, MEDIUM AFRO, NO MUSTACHE AND WEARING ARMY JACKET AND JEANS.

GOLDSTEIN STATED THE CONVERSATION IN HIS CAR WITH THEM WAS VERY LIMITED AND ON TWO OR THREE OCCASIONS, THEY SPOKE TO EACH OTHER IN "AN UNKNOWN LANGUAGE."

GOLDSTEIN STATED TO AGENTS THAT HE WAS AFFILIATED WITH "WERE" RADIO IN CLEVELAND, OHIO AND THAT HE HAD PLACED \$50,000 DOWN WITH OTHER INDIVIDUALS WHO WERE ATTEMPTING TO PURCHASE

"WERE" RADIO. GOLDSTEIN STATED HE HAD SUBSTITUTED ON EIGHT OCCASIONS OVER THE PAST TWO YEARS ON "WERE" RADIO.

ABOVE SITUATION RECEIVING EXTENSIVE NEWS COVERAGE IN THE CLEVELAND AREA AND "CLEVELAND PRESS" REPORTER HAS ADVISED THE CLEVELAND FBI OFFICE THAT GOLDSTEIN HAS BEEN IN CONTACT WITH THE "CLEVELAND PRESS" REGARDING DETAILS OF THE ABOVE SITUATION.

"CLEVELAND PRESS" REPORTER FURTHER STATED HE CONTACTED "WERE" RADIO STATION, CLEVELAND, OHIO, AND DETERMINED GOLDSTEIN WAS NOT AFFILIATED WITH "WERE" AND HE WAS UNABLE TO VERIFY OTHER INFORMATION FURNISHED BY GOLDSTEIN TO PAPER.

BASED UPON CIRCUMSTANCES SET FORTH ABOVE, INCLUDING INFORMATION FROM "CLEVELAND PRESS", THE POSSIBILITY EXISTS THAT GOLDSTEIN, HIMSELF, WAS RESPONSIBLE FOR THE ANONYMOUS CALLS.

FBI, CLEVELAND, ANSWERING PRESS INQUIRIES REGARDING THIS MATTER WITH STATEMENT THAT THE FBI HAS, IS, AND WILL CONDUCT VIGOROUS INVESTIGATION TO LOCATE THE WHEREABOUTS OF PATRICIA HEARST AND THIS SEARCH WAS A PART OF AN ONGOING INVESTIGATION.

ABOVE SUBMITTED FOR INFORMATION OF RECIPIENTS.

MARCH 19, 1975 AND ADVISED THAT [REDACTED]

WAS ACQUAINTED WITH JAY WEINER THROUGH HIS FRIEND [REDACTED]

[REDACTED] ADDED THAT [REDACTED] HAVE BEEN IN CONTACT WITH WEINER REGARDING WEIGHT LIFTING MATTERS.

ON MARCH 20, 1975, [REDACTED] APPEARED AT THE HARRISBURG, PA AND ADVISED THAT HE AND [REDACTED] HAVE AN INTEREST IN WEIGHT LIFTING.

IN THIS REGARD, [REDACTED] TELEPHONED JACK SCOTT SOMETIME LAST FALL (1974) IN NEW YORK CONCERNING THE OBTAINING OF NAMES OF SOME SPORTS

WRITERS TO ASSIST IN PUBLICITY FOR A NEW WEIGHT LIFTING ASSOCIATION.

[REDACTED] KNEW SCOTT FROM OBERLIN COLLEGE IN OHIO WHERE [REDACTED] WAS A STUDENT WHEN SCOTT WAS DIRECTOR OF PHYSICAL EDUCATION. [REDACTED] COULD NOT REACH SCOTT BUT SPOKE TO SCOTT'S WIFE. SHE ADVISED HIM TO CONTACT ONE SANDY PADWE, SPORTS EDITOR OF "NEWS DAY", A LONG ISLAND, N.Y. DAILY NEWSPAPER. [REDACTED] CONTACTED PADWE AND WAS TOLD TO CONTACT JAY WEINER WHO AT THE TIME WAS INTERNING AT "NEWS DAY". A SHORT TIME THEREAFTER, WEINER TELEPHONICALLY CONTACTED [REDACTED] AT HIS HOME ON AT LEAST ONE OCCASION BUT NOTHING CAME OF IT AS [REDACTED] HAD ALREADY BEEN SUCCESSFUL IN OBTAINING AN INTERESTED SPORTS JOURNALIST TO AID IN THE ASSOCIATION.

[REDACTED] ADVISED THAT HE HAD NO FURTHER CONTACT WITH SCOTT OR WEINER BUT ADVISED HE KNEW BOTH WHILE ATTENDING OBERLIN COLLEGE.

[REDACTED] STATED SCOTT BECAME SOMEWHAT TYRANNICAL AND POWER HUNGRY AT SCHOOL AND WAS NOT WELL LIKED. [REDACTED] KNEW WEINER AND THOUGHT HIM TO BE A NORMAL DECENT TYPE AT THAT TIME.

[REDACTED] WAS ALSO INTERVIEWED ON MARCH 20, 1975, AND ADVISED HE HAD INFO ABOUT SOME IRREGULARITIES CONCERNING THE AMATEUR ATHLETIC UNION-USA, AND WAS LOOKING FOR A WRITER TO EXPOSE THESE IRREGULARITIES. [REDACTED] A STUDENT AT THAT TIME AT OBERLIN COLLEGE IN OBERLIN, OHIO, AND A FRIEND OF HIS, PUT HIM IN

TOUCH WITH SCOTT WHO WAS THE ATHLETIC DIRECTOR AT THAT TIME AT OBERLIN.

[REDACTED] STATED HE WENT TO OBERLIN COLLEGE AROUND THE SPRING 1973 TO MEET WITH SCOTT. AFTER THE MEETING, SCOTT NEVER GOT IN TOUCH WITH HIM AS HE INDICATED DURING THE MEETING. [REDACTED] FURTHER ADVISED HE AND [REDACTED] CALLED SCOTT IN NEW YORK ABOUT NINE TO TEN MONTHS AGO BUT SCOTT WAS NOT THERE. HIS WIFE ANSWERED AND GAVE THEM THE NAMES OF SEVERAL WRITERS WHO MIGHT HELP. ONE OF THEM WAS SANDY PADWE OF "NEWS DAY" NEWSPAPER IN LONG ISLAND, N.Y. THEY CALLED PADWE AND GAVE HIM THE INFO ON THE WEIGHT LIFTING MATTER BUT HE ADVISED HE WAS INTERESTED BUT COULD NOT DO IT AT THE TIME. PADWE THEN RECOMMENDED JAY WEINER TO HANDLE THE PIECE FOR THEM. [REDACTED] STATED THEY DID NOT CALL WEINER AT THAT TIME AND, INSTEAD, DISCUSSED THE MATTER WITH ANOTHER WRITER. LATER, WEINER CALLED [REDACTED] WHO WAS NOT HOME AT THE TIME AND LEFT A MESSAGE. HE INQUIRED ABOUT WRITING THE WEIGHT LIFTING STORY. [REDACTED] SUBSEQUENTLY RETURNED WEINER'S CALL AND TOLD HIM THAT HE HAD ENGAGED SOMEONE ELSE TO HANDLE THE MATTER. [REDACTED] STATED THAT THIS WAS HIS ONLY CONTACT WITH WEINER.

67C
67D

[REDACTED] ALSO ADVISED THAT SCOTT WAS INVOLVED IN A PUBLISHING COMPANY AND HAD SOMETHING TO DO WITH THE PUBLICATION OF FORMER FOOTBALL PLAYER DAVE MEGGYESY'S BOOK, "OUT OF THEIR-LEAGUE", WHICH WAS PUBLISHED IN ARRANGEMENT WITH RAMPARTS PRESS, INC.; AND PAPERBACK LIBRARY OF CORONET COMMUNICATIONS, INC., 315 PARK AVE. SOUTH, NEW YORK, N.Y. 10010.

[REDACTED] STATED THAT SCOTT WAS ALSO INVOLVED WITH THE INSTITUTE FOR STUDY OF SPORT AND SOCIETY FOUNDED IN OAKLAND, CALIF. IN 1970.

[REDACTED] COULD FURNISH NO INFO AS TO THE CURRENT WHEREABOUTS OF THE FUGITIVES; INDIVIDUALS HARBORING THE FUGITIVES OR THE SCOTTS.

[REDACTED] ADVISED ON MARCH 21, 1975, THE TELEPHONE NUMBER HE CALLED FOR SCOTT NINE TO TEN MONTHS AGO WAS EITHER 216-775-5941 OR 716-775-5941 OR 212-362-1612. [REDACTED] STATED HE BELIEVED THE 212-362-1612 WAS THE MOST LIKELY NUMBER HE CALLED FOR SCOTT.

A CHECK OF THE TELEPHONE DIRECTORY REFLECTED AREA CODE 716 COVERS THE BUFFALO, N.Y. AREA WHILE 216 COVERS THE CLEVELAND, OHIO AREA. APPROPRIATE FD-302S TO FOLLOW.

BEFORE THE INFORMATION BECAME KNOWN VIA THE WIRE SERVICES.
THIS INFORMATION INVOLVED THE INTERVIEW OF BILL WALTON, THE
HIDEOUT HEARST HAD IN PENNSYLVANIA AND THE SCOTT'S INVOLVE-
MENT WITH HEARST. WHILE THIS INFORMATION DID NOT INVOLVE
THE PRINCIPALS IN HEARNAP IT WAS OF SUBSTANCE AND PROVED TO
BE ONE HUNDRED PERCENT CORRECT.

SOMETIME ON WEDNESDAY, MARCH 19, 1975, [REDACTED] CONTACTED

[REDACTED] EXPLAINED TO [REDACTED] THAT INTERMEDIARIES CONNECTED

BE INTERESTED IN A HUMANITARIAN VENTURE REGARDING HEARST.

[REDACTED] AGREED THAT HE WAS AND WAS TOLD HE WOULD BE RECONTACTED.
SPECULATION BY [REDACTED] TO [REDACTED] WAS THAT HEARST PERHAPS FEARED

[REDACTED] WAS FURTHER CONTACTED BY INTERMEDIARIES AND TOLD
TO GO TO A SPECIFIC PHONE BOOTH FOR FURTHER INSTRUCTIONS.
IF NOTHING HAPPENED HE WAS TO FOLLOW THE SAME ROUTINE TWO

BY INTERMEDIARIES TO ENSURE [REDACTED] HAD NOT CONTACTED AUTHORI-
TIES AND WAS NOT BEING SURVEILED.

[REDACTED] WAS CONTACTED ON MARCH 21, 1975, AT 2:00 P.M. AND
TOLD TO GO TO A PHONE BOOTH AND RECEIVE FURTHER INSTRUCTIONS.
ON THIS AND TWO SUBSEQUENT CONTACTS, 3:00 P.M. AND 5:00 P.M.,
NOTHING TRANSPIRED. AT 7:00 P.M., MARCH 21, 1975, WHILE AT
THE PHONE BOOTH, [REDACTED] HEARD A YOUNG SOUNDING, MALE VOICE FROM
BEHIND HIM INSTRUCT HIM NOT TO TURN AROUND BUT TO COME
PREPARED LATER THAT EVENING, IN CLOTHING SUITABLE FOR HIKING,
LIGHT BUT WARM GARMENTS WITH HIKING BOOTS, AND BE PREPARED
FOR A THREE TO FIVE DAY STAY. THE UNKNOWN MALE ALSO TOLD

IF ANYTHING WENT WRONG WITH THE DEAL, FOR EXAMPLE, LAW ENFORCEMENT OFFICIALS FINDING OUT, [REDACTED] WOULD BE SHOT.

FURTHER INSTRUCTIONS BY UNKNOWN MALE AT THE PHONE BOOTH DIRECTED [REDACTED] AT 9:00 P.M., TO DRIVE HIS CAR WHICH WAS PARKED NEXT TO THE RADIO STATION, DRESSED AS DIRECTED, TO THE FIRST REST STOP LOCATED APPROXIMATELY THIRTY MILES NORTH OF TOWN. AT THAT TIME [REDACTED] WOULD RECEIVE FURTHER DIRECTIONS.

AT APPROXIMATELY 8:55 P.M. [REDACTED] PLACED A CALL TO [REDACTED] AND SAID HE THOUGHT THE TEST OR DRY RUNS WERE FINISHED AND THAT WITHIN SEVENTY-TWO HOURS HE WOULD SEE HEARST FACE TO FACE. [REDACTED] SAID HE WOULD TRY TO CONTACT [REDACTED] WHEN CONDITIONS PERMITTED. IF AT ANY TIME, DURING A SUBSEQUENT CONTACT [REDACTED] USED THE WORD BLIZZARD IN ANY CONTEXT, [REDACTED] WAS TO KNOW THAT [REDACTED] WAS IN TROUBLE AND COULD NOT HANDLE THE SITUATION. THIS WOULD BE THE CUE FOR [REDACTED] TO NOTIFY APPROPRIATE AUTHORITIES AND PROVIDE THEM WITH ANY AND ALL SPECIFIC INFORMATION DISCUSSED BETWEEN [REDACTED] AND [REDACTED] WHICH WOULD AID IN LOCATING [REDACTED]

[REDACTED] EXPRESSED GREAT CONCERN FOR THE LIFE OF [REDACTED] DURING THIS PERIOD AND MADE EXPLICIT THE FACT THAT AT NO TIME SHOULD ANY OF THE ABOVE INFORMATION BE MADE KNOWN OUTSIDE THE FBI. [REDACTED] HAD EXPRESSED TO [REDACTED] THAT IF LOCAL AUTHORITIES BECAME AWARE OF THE INFORMATION A LEAK MAY OCCUR WHICH WOULD RESULT IN POSSIBLE DEATH TO [REDACTED]

AS A RESULT OF A DIRECT QUESTION, [REDACTED] NARROWED THE GEOGRAPHIC AREA TO THREE STATES, WASHINGTON, OREGON, AND NORTHERN CALIFORNIA WHERE HE THINK [REDACTED] IS BEING DIRECTED TO HEARST. AGAIN HOWEVER, HE DESIRED THE STRICKEST CONFIDENCE REGARDING THESE LOCATIONS FOR FEAR OF HARM TO [REDACTED] IF GEOGRAPHIC AREA BECAME KNOWN OUTSIDE THE BUREAU.

[REDACTED] REITERATED THAT [REDACTED] WAS DEALING EXCLUSIVELY WITH HIM, [REDACTED] RE HEARST. [REDACTED] IN TURN, WILL IMMEDIATELY CONTACT INTERVIEWING AGENTS, WASHINGTON FIELD OFFICE, OF ANY PERTINENT DEVELOPMENTS. RE [REDACTED]

IT IS THE OPINION OF INTERVIEWING AGENT, WASHINGTON FIELD OFFICE, FROM OBSERVATION AND INTERVIEW THAT [REDACTED] IS CREDIBLE AND SINCERE. RE PORTLAND NITEL DATED MARCH 18, 1975.

RE ANONYMOUS CALL TO PORTLAND OFFICE ALLEGING PATTY HEARST

ANONYMOUS CALLER NO DOUBT REFERS TO TOLSTORI FARM, WELL KNOWN
PACIFIST COLONY LOCATED IN RURAL SECTION OF LINCOLN COUNTY, WASHINGTON,
WHICH HAS BEEN HABITAT OF TRANSIENT HIPPIE TYPES AND DRUG CULTURE
ADVOCATES FOR MANY YEARS. THE FARM COVERS SEVERAL HUNDRED ACRES IN

EASTERN WASHINGTON HAS BEEN INACCESSIBLE FOR MONTHS EXCEPT TO FOUR
WHEEL DRIVE VEHICLES, SNOW MOBILE, ETC.

INHABITED BY FROM A FEW TO AS MANY AS SEVERAL DOZEN TRANSIENT "DROP OUTS", MOSTLY YOUTHS, FROM ALL SECTIONS OF THE COUNTRY BUT WAS NEVER BEEN KNOWN TO BE REFUGE FOR REVOLUTIONARIES OR SIMILAR EXTREMISTS.

ACCORDING TO LINCOLN COUNTY, WASHINGTON, SHERIFF'S OFFICERS, SOME TOLSTORI FARM OCCUPANTS APPEAR TO MAKE ATTEMPTS AT FARMING OR RANCHING AND THEY HAVE NEVER BEEN ABLE TO THOROUGHLY PENETRATE THE SETTLEMENT NOR HAVE THEY EXERTED EXTENSE EFFORT TO DO SO AS NO DISTURBANCE NOR CRIMINAL CONDUCT, EXCEPT MINOR MARIJUANA GROWING HAS BEEN ENCOUNTERED. THE AREA IS DOTTED WITH MANY CABINS AND MAKE SHIFT CAMPS ALONG VIRTUALLY IMPOSSIBLE ROADS AND TRAILS WHICH ARE STILL UNDER SEVERAL INCHES OF SNOW. LIVING CONDITIONS ARE EXTREMELY PRIMITIVE.

LINCOLN COUNTY CHIEF DEPUTY SHERIFF GALAN DICE, DAVENPORT, WASHINGTON, ADVISED ON MARCH 20, 1975, THAT THE SO ATTEMPTS TO MONITOR ACTIVITY AT THE FARM AND THEY ARE ALERT TO APPEARANCE OF PARTICULARLY SUSPICIOUS PERSONS BUT THEIR ONLY SOURCE IS AN OLD MAN WHO ATTEMPTS TO COLLECT SALVAGE IN THE AREA. DICE STATES IT IS NORMALLY POSSIBLE FOR ALMOST ANYONE TO SPEND TIME AT THE FARM UNNOTICED AND DUE TO

TRANSIENT NATURE OF THE OCCUPANTS, TEMPORARY RESIDENTS MIGHT WELL NOT EVEN BE SEEN BY MOST OTHER OCCUPANTS SINCE ONE SECTION OF THE FARM HAS BEEN TURNED OVER BY WILLIAMS TO THE MORE UNDESIREABLE TYPES. ALSO, DISCRETE INVESTIGATION AT THE FARM IS NOT POSSIBLE BECAUSE NOT ONLY ARE THE ROADS INTO THE AREA IMPOSSIBLE FOR ORDINARY VEHICLES NOW, THEY CAN BE VIEWED FROM SEVERAL VANTAGE POINTS AND ALL VISITS BY LAW ENFORCEMENT OFFICERS AND STRANGERS ARE MET WITH SUSPICION AND FOR THE MOST PART, SILENCE. IT IS DEPUTY SHERIFF DICE'S OPINION IT IS NOT POSSIBLE TO DETERMINE WHETHER ANY PARTICULAR PERSON HAS RESIDED THERE AT ANY TIME EXCEPT THOSE WHO HAVE BEEN ENCOUNTERED FROM TIME TO TIME BY SHERIFF'S OFFICERS. HE SAID HE IS WELL AWARE OF CAPTIONED MATTER AND HAS BEEN ALERT TO POSSIBLE REPORTS THAT PATTY HEARST MIGHT APPEAR AT TOLSTORI FARM BUT NO SPECIFIC REPORTS HAVE BEEN ENCOUNTERED PREVIOUSLY. HE SAID HE WILL MAKE SUCH FURTHER INQUIRY REGARDING CAPTIONED MATTER AS IS LOGICAL AND WILL PROMPTLY REPORT ANY SIGNIFICANT INFORMATION.

FEDERAL INVESTIGATIVE DIVISION
HEARNAP SUMMARY

67C
67D

Attached San Francisco (SF) teletype summarizes current investigative direction in this matter. Federal Grand Jury (FGJ) subpoenas served on Philip Kent Shinnick (Jack Scott associate and harboring suspect) and Louise Scott (Jack Scott's mother) for appearance 4/10/75, at SF. Both declined FBI interview upon being served.

John Joseph Scott (Jack's father) appeared before FGJ, SF 3/20/75, and invoked Fifth Admendment, refusing to testify. He was instructed to return 4/10/75. He then gave press interview declaring his innocence and "FBI witch hunt" against the Scott family.

Several friends of harboring suspect Jay Weiner advised latter freely discussed farmhouse (Honesdale, PA) meeting with Patricia Hearst, Emily and William Harris and Wendy Yoshimura. Yoshimura is now a Federal fugitive. Alameda County, CA authorities requested UFAP (Possession of Firearms, Bomb and Explosive Devices) assistance; complaints filed 3/14/75, Oakland, CA, with recommended bond \$50,000.

SF also advised Anne Randolph Hearst hearing before U. S. Magistrate, Buffalo, NY, has been adjourned and she may be allowed to plead to lesser charge as a youthful offender.

Philadelphia Office advised the 1968 Volkswagen reported stolen New York City, 9/6/74, by Micki Scott, recovered 9/19/74, by PA State Police (PSP), Honesdale, PA. Vehicle subsequently declared total loss by insurance company and cash settlement made to Micki Scott. PSP advised nothing of evidentiary value located in vehicle when recovered and vehicle sold for salvage to Apex West, Nanticoke, PA. Vehicle examined by BuAgents 3/21/75, at Apex where it has been since 11/11/74, and found in stripped condition. Several items of unknown investigative value removed from vehicle submitted to FBI Laboratory.

LA advised [redacted] received information through [redacted] that Patricia Hearst, Jack Scott and (FNU) Ayers, a Weatherman fugitive, were staying at the [redacted] farm outside of Portland, Oregon. PD Office advised [redacted] has revolutary ties and owns a farm located 20 miles south of Salem, Oregon. Portland continuing investigation.

WFO advises [redacted] confidentially revealed his source [redacted] who is considered reliable by [redacted] has been furnishing accurate Hearnap information for the past 10 to 12 days. [redacted] claims Hearst intermediaries contacted him 3/20-21/75, to assist in "humanitarian venture re Hearst" in the area of three states: Washington, Oregon and Northern California. [redacted] feels [redacted] will meet face to face with Patricia Hearst and arrange for surrender and/or negotiations. SF, PD and SE Offices have been alerted and WFO maintaining close contact with [redacted]

All aspects of this case being handled expeditiously.

RE: PH 4389-PCI - GRAND JURY MATTERS.

OUR NEWARK OFFICE ADVISES THAT ON MARCH 19, 1975
PHILIP KENT SHINNICK WAS SERVED WITH A GRAND JURY SUBPOENA
DIRECTING HIM TO APPEAR BEFORE THE GRAND JURY AT SAN FRANCISCO
ON APRIL 10, 1975. HE STATED AT THIS TIME HE HAD NOTHING TO
SAY REGARDING THIS MATTER.

ON MARCH 20, 1975, JOHN JOSEPH SCOTT APPEARED WITH
HIS ATTORNEY, DORON WEINBERG, IN RESPONSE TO THE GRAND JURY
SUBPOENA AT SAN FRANCISCO. JOHN JOSEPH INVOKED THE FIFTH
AMENDMENT AND REFUSED TO TESTIFY. HE WAS INSTRUCTED TO RETURN
ONCE AGAIN ON APRIL 10, 1975. JOHN SCOTT THEN FURNISHED THE

"LIKE AN INCREASING NUMBER OF OTHER INNOCENT PEOPLE OVER THE PAST FEW YEARS, I FIND MYSELF SUBPOENED TO TESTIFY BEFORE THE FEDERAL GRAND JURY WITHOUT ANY CLEAR IDENTITY OF WHY I'M HERE. I HAVE COMMITTED NO CRIMES. APPARENTLY, THE FBI IS TRYING TO USE ME TO GET AT MY SON, JACK, OR PERHAPS EVEN TO FIND PATRICIA HEARST. THIS IS A GROSS PERVERSION OF THE GRAND JURY'S HISTORIC FUNCTION. I CANNOT HELP THE FBI. I DO NOT HAVE THE INFORMATION THEY WANT. I CANNOT, AND I WILL NOT, PARTICIPATE IN WITCH HUNTS AGAINST MY SON OR OTHER MEMBERS OF MY FAMILY. MY WIFE, LOUISE, AND I STAND BEHIND JACK; WE LOVE HIM AND CONTINUE TO SUPPORT HIM. WE ARE SURE THAT HE HAS DONE NOTHING WRONG AND THAT HE WILL BE VINDICATED IN THE END."

LOUISE SCOTT

ON MARCH 20, 1975, SPECIAL AGENTS OF THE SAN FRANCISCO OFFICE LOCATED JOHN AND LOUISE SCOTT UNDER THE NAME OF MR. AND MRS. JOHN NELSON AT THE HOLIDAY LODGE IN SAN FRANCISCO, AT WHICH TIME LOUISE SCOTT WAS SERVED WITH A GRAND JURY SUBPOENA DIRECTING HER TO APPEAR BEFORE THE GRAND JURY IN SAN FRANCISCO

PAGE THREE

SF 17-855

ON APRIL 10, 1975. HER HUSBAND, WHO WAS PRESENT, WOULD NOT ALLOW HER TO BE INTERVIEWED.

JAY WEINER

JOHN BRAWNER SMOOT, AN ASSOCIATE OF WEINER, STATED THAT WEINER TOLD HIM THAT JACK AND MICKI SCOTT HAD TAKEN HIM TO A HOUSE WHERE HE HAD SEEN PATRICIA HEARST, EMILY HARRIS, WILLIAM HARRIS, AND AN ORIENTAL GIRL, WHO WAS WANTED BY THE FBI.

EDWARD P. BOXER, AN ASSOCIATE OF WEINER, STATED THAT WEINER TOLD HIM THAT HE HAD SEEN PATRICIA HEARST, EMILY AND WILLIAM HARRIS, AND AN ORIENTAL FEMALE ALLEGEDLY WANTED BY THE FBI.

ANN ROBERTS, A FRIEND OF WEINER, ADVISED THAT WEINER TOLD HER THAT ON JULY 2, 1974, HE HAD BEEN TAKEN TO A MOUNTAIN FARMHOUSE BY INDIVIDUALS HE WOULD NOT NAME, WHERE HE WAS INTRODUCED TO PATRICIA HEARST AND EMILY AND BILL HARRIS. ALL OF THESE INDIVIDUALS DENIED HAVING ANY KNOWLEDGE OF THE PRESENT WHEREABOUTS OF THE FUGITIVES.

JACK AND MICKI SCOTT

REGARDING THE GRAND THEFT AUTO WARRANT OUTSTANDING AGAINST JOHN VINCENT SCOTT IN SAN MATEO COUNTY, THE BURLINGAME, CALIFORNIA, POLICE HAVE ADVISED THAT THE CAR RENTAL AGENCY, TRANS RENT-A-CAR, HAS STATED THEY DO NOT DESIRE TO PURSUE THE PROSECUTION OF SCOTT, AND AS A RESULT THE BURLINGAME POLICE WILL FILE A REPORT OF THIS WITH THE SAN MATEO COUNTY DISTRICT ATTORNEY'S OFFICE AND THE MATTER WILL PROBABLY BE DISMISSED EITHER ON MARCH 21 OR 24, 1975.

WENDY MASAKO YOSHIMURA

IN APRIL, 1972, YOSHIMURA WAS INDICATED FOR FELONY POSSESSION OF FIREARMS, BOMBS AND EXPLOSIVE DEVICES BY THE ALAMEDA COUNTY, CALIFORNIA, GRAND JURY. ALAMEDA COUNTY REQUESTED AN UNLAWFUL FLIGHT WARRANT REGARDING YOSHIMURA, AND ON MARCH 14, 1975, A COMPLAINT WAS FILED BEFORE U.S. MAGISTRATE CAMERON W. WOLFE AT OAKLAND, CALIFORNIA, BY SA ALLEN M. BOND CHARGING YOSHIMURA WITH VIOLATION OF TITLE 18, SECTION 1073. THE WARRANT WAS ISSUED FORTHWITH; BOND RECOMMENDED \$50,000.

RE: TOLL CALLS.

THE SAN FRANCISCO OFFICE CONTINUES TO REVIEW THE COMPUTERIZED PRINTOUT REGARDING TOLL CALLS AND THE SPECIAL INDICES MAINTAINED BY THE SAN FRANCISCO OFFICE ON TOLL CALLS, AND APPROPRIATE LEADS ARE BEING SET OUT TO HAVE SUBSCRIBERS INTERVIEWED REGARDING THEIR KNOWLEDGE OF THE HARBORING OF THE FUGITIVES OR THEIR WHEREABOUTS.

RE: JACK SCOTT - DORON WEINBERG

IT IS NOTED THAT DORON WEINBERG IS A RADICAL SAN FRANCISCO ATTORNEY WHO HAS BEEN RETAINED BY JACK SCOTT'S FATHER, JOHN JOSEPH SCOTT. ON MARCH 14, 1975, A MALE IDENTIFYING HIMSELF AS JACK SCOTT CALLED THE SAN FRANCISCO OFFICE AND REQUESTED TO SPEAK TO MR. BATES. WHEN HE WAS ADVISED THAT MR. BATES WAS NOT IN, HE STATED THAT IF MR. BATES WISHED TO TALK TO HIM HE SHOULD CONSULT WITH HIS ATTORNEY, DORON WEINBERG. AS A RESULT OF THIS, DORON WEINBERG WAS CONTACTED ON MARCH 14, 1975, AND HE STATED HE HAD NOT BEEN IN TOUCH WITH JACK SCOTT AND DOES NOT CONSIDER HIM A CLIENT.

PAGE SIX

SF 7-855

HE WAS RECONTACTED ON MARCH 17 AND 20, 1975, AND ON BOTH OCCASIONS HE DENIED THAT HE HAS BEEN IN TOUCH WITH JACK SCOTT OR THAT SCOTT WAS HIS CLIENT.

RE: ANNE RANDOLPH HEARST.

IN REGARD TO ANNE RANDOLPH HEARST'S ARREST ON NARCOTICS VIOLATION, NEW YORK, OUR BUFFALO OFFICE ADVISES THAT THE HEARING BEFORE THE U.S. MAGISTRATE HAS BEEN ADJOURNED IN THIS MATTER AND THE SPECULATIVE RESULTS OF A FUTURE HEARING WILL BE THAT SHE WILL BE ALLOWED TO PLEA TO A LESSER CHARGE OR NARCOTICS VIOLATIONS AS A YOUTHFUL OFFENDER AND THE RECORD WILL BE EXPUNGED AT A LATER DATE.

RE: "NORTH AMERICAN NEWS".

"NORTH AMERICAN NEWS" IS AN INTERNAL PUBLICATION OF MANPOWER INTERNATIONAL, INC., WHICH IS DISTRIBUTED TO SOME 704 SUB-OFFICES OF MANPOWER IN THE UNITED STATES AND NUMEROUS OTHER SUB-OFFICES IN 32 FOREIGN COUNTRIES. The Attorney General's staff meeting for March 26, 1975, scheduled discussion by representatives of the FBI concerning "Entry of premises to execute an arrest warrant." I accompanied the Director to the meeting and when the Attorney General called for the FBI presentation, the Director requested me to comment concerning the law on entry of premises to execute an arrest warrant.

I discussed Rule 4 of the Federal Rules of Criminal Procedure which provides that a Federal arrest warrant may be executed at any place within the jurisdiction of the United States. I pointed out that it is not necessary for the arresting officers to have the warrant in hand at the time of an arrest. It is only necessary that the officer have the authority to make a Federal arrest and that he have knowledge that the warrant is outstanding. I told the Attorney General that there is no provision in the Federal law for an application to be made for a search warrant to search for a person who is the subject of an arrest warrant. Rule 41 of the Federal Rules provides authority for the issuance of search warrants only for property which might be evidence of a crime, but it does not authorize issuance of a search warrant for the person of an individual. Therefore when there is information indicating that a fugitive is located in premises protected by the Fourth Amendment, the only authority available to the Federal agent is the authority of the arrest warrant. The arrest warrant is sufficient authority to authorize entry into the premises to search for and effect the arrest of a fugitive.

purpose of executing search warrants, but by judicial interpretation that statute has been used to measure entries to execute arrest warrants as well. In summary, Section 3109 authorizes forcible entry into private premises in order to execute a search warrant or to make an arrest where: (1) the officer has the authority to make the arrest; (2) he has reasonable cause to believe the person to be arrested is in the premises at that time; (3) he gives notice of his authority, purpose and identity and demands entry and is refused entry by an occupant of the premises.

I explained that Bureau policy as stated specifically in our manuals is entirely in accord with the law. I pointed out that the difficulty in individual cases lies in the determination that must be made by the Agent on the scene as to whether he has at that time sufficient basis for a reasonable belief that the fugitive is in the premises to be entered. I said that that requires a subjective determination by the Agent which obviously can be reviewed by others later who may or may not disagree with the Agent's judgment.

At that point the Director commented that his concern with this matter was the publicity being given the incident and the inquiries being received from Members of Congress and elsewhere. He told the Attorney General that he was carefully reviewing the facts of this matter and his full inquiry has not as yet been completed. He said that he intends to respond to those making inquiry very carefully explaining the Bureau policy is consistent with the law.

The Attorney General commented that as a result of my presentation it appeared that the critical question concerning the matter in Alexandria was whether or not there was sufficient probable cause to believe that the fugitive was in the premises. I told the Attorney General that was the issue.

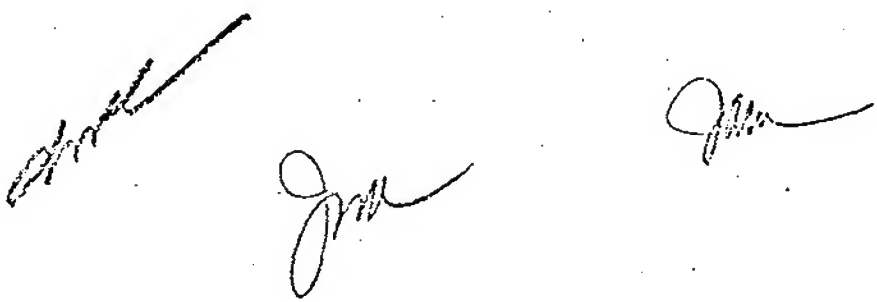

The Attorney General then opened the matter to questions from others at the staff conference and the only question raised was presented by a representative of the Land Division who asked me whether there was a specific decision that would authorize forcible entry into premises based on an anonymous tip alone. I explained to him that

Memorandum to Mr. Adams
Re: HEARNAP

probable cause is a matter requiring a good deal of subjective judgment and though I knew of no case which held that an anonymous tip alone is sufficient for probable cause, there are numerous cases where anonymous tips have been used as elements of probable cause and the judgment of the sufficiency of probable cause is determined by the degree of corroboration of the allegation in the anonymous tip.

MEMORANDUM FOR: Edward H. Levi
Attorney General

FROM: Jonathan C. Rose
Associate Deputy Attorney General;
Director, Office of Justice Policy & Planning

SUBJECT: Forcible Entry of an Alexandria Residence by
the FBI to Execute an Arrest Warrant Upon
Patricia Hearst

You have requested the views of this Office upon memoranda sent to you by the Director of the Federal Bureau of Investigation on March 19 and March 21. The memorandum of March 19 sets forth the facts surrounding the forcible entry by the FBI of a residence in Alexandria in order to execute an arrest warrant upon Patricia Hearst. The memorandum of March 21 discusses the legal authority for: (1) entry of premises to execute an arrest warrant; and (2) forcible entry in circumstances where admittance is denied.

I. Alexandria Incident

Under relevant federal case law, law enforcement authorities may not enter the premises of a third party to execute an arrest warrant unless they have probable cause to believe that the subject of the warrant is on the premises. 1/ In our judgment the information contained in the March 19 FBI memorandum did not constitute probable cause to believe Patty Hearst was located in the searched Alexandria premises (649 Notabene Drive, Apartment 10). The memorandum states that the warrantless search was based upon an anonymous telephone tip from a source of unknown reliability to the Alexandria police. The informant stated that Hearst had been in Apartment 10 for the past week or ten days; that she had her hair cut; and that she was with one of her California associates. 2/

cont.

7- 15200 - ~~SECRET~~

Several decisions of the Supreme Court have established the general rule that under the Fourth Amendment, when probable cause to search or arrest is based upon an informant's tip, the officers relying on the informant must have facts supporting (1) the informant's credibility, and (2) the informant's conclusion. 3/ The March 19 memorandum contains no facts supporting a belief that the telephone informant was reliable. In addition, the informant's conclusion that Hearst was in Apartment 10 does not appear to be supported by underlying facts that would justify such a conclusion. Thus in our view the FBI had no authority to enter Apartment 10 based upon the fact that probable cause existed to believe Hearst was there.

The FBI officers might have had authority to enter Apartment 10 if they reasonably believed, after announcing their presence, that forcible entry was necessary to prevent personal injury to the officers. 4/ However, we are unable to find sufficient facts stated in the FBI memorandum which would have supported such a belief.

In order to make a final determination as to whether probable cause existed to support a search of Apartment 10, the facts contained in a full report on the incident from the FBI's Inspection Division would be most helpful. I would recommend that you request a copy of this report.

II. Additional Legal Issues Discussed in the March 21 Memorandum

The FBI's March 21 memorandum discussed several legal issues which do not appear directly relevant to the question of whether FBI officers had authority to search Apartment 10 in order to arrest Patty Hearst. We address them here only for the sake of completeness.

A. Authority of law enforcement officers to search the premises of the suspect named in an arrest warrant to execute the warrant

Citing Paper v. U.S., 5/ U.S. v. Joiner, 6/ and U.S. v. Retolaza, 7/ page two of the FBI memorandum asserts that law enforcement officers may lawfully enter and search the residence of a suspect named in an arrest warrant without probable cause to believe that the suspect is at home. That

assertion seems a considerable overstatement of existing case law. 8/ In addition, there was no evidence cited in the FBI memorandum that the premises entered could reasonably have been assumed to be Hearst's residence.

Although the issue was not specifically raised, Paper, Joiner, and Ratcliff generally support the proposition that probable cause is not necessary to search a suspect's premises in order to execute an arrest warrant upon him. 9/ However, a 1974 Ninth Circuit opinion 10/ specifically held that probable cause is required to search the premises of the suspect in attempting to execute an arrest warrant. Finally, U.S. v. Dorman 11/ somewhat obliquely states that "concepts of probable cause and reasonableness prima facie justify looking for a man at home after 10:00 p.m."

Thus, the existing case law is divided on the question of whether probable cause is needed to justify a search of a suspect's premises in attempting to execute an arrest warrant upon him. However, since there is no allegation that the premises entered in Alexandria belonged to Hearst, the above discussion has no relevance to that incident.

B. Authority to use force to enter premises where admittance is denied

The validity of an entry to execute an arrest, either with or without an arrest warrant, is tested by criteria identical to those embodied in 18 U.S.C. §3109. 12/ That section provides:

The officer may break open any outer or inner door or window of a house, or any part of a house, or anything therein, to execute a search warrant, if, after notice of his authority and purpose, he is refused admittance or when necessary to liberate himself or a person aiding him in the execution of the warrant.

Accordingly, before force may be used to enter a premise to execute an arrest warrant, the officers must as a general rule announce both their authority and purpose. There is no requirement that the officers provide documentation of their authority

and purpose; an oral statement is sufficient. 13/ Moreover, the requirement that an officer announce his authority and purpose is inapplicable in limited situations where the announcement would (1) create a danger to the officer or others, (2) create a danger that the suspect might escape, (3) create a danger of destruction of evidence, or (4) be superfluous because the occupant knows of his presence and purpose. 14/

If after announcing his authority and purpose, an officer is denied admittance, then he may use reasonable force to enter the premises. 15/

On the basis of the March 19 FBI memorandum, it appears that the FBI officials announced their authority, but not their purpose as is required absent exigent circumstances. It also appears that reasonable force was used to effectuate entry after admittance had been denied. However, a full report on the incident by the FBI's Inspection Division would be needed to reach a final conclusion as to whether the Agents' announcement at Apartment 10 satisfied the requirements of §3109.

III. FBI Policy Regarding Executing Arrest Warrants on Third Party Premises

The Alexandria episode appears to have been a great departure from normal FBI practice. We understand that FBI agents are instructed that the Constitution requires probable cause to believe that a suspect is present upon premises belonging to a third party, before the premises are forcibly entered to execute an arrest warrant. The Supreme Court has not required search warrants before such premises may be entered to execute an arrest warrant. We would be reluctant to conclude on the basis of this incident alone that search warrants should be required.

The manner in which FBI agents announce their authority and purpose in executing arrest and search warrants may warrant further inquiry. For example, many individuals in high crime areas may be understandably reluctant to open their doors at night upon a simple oral expression of authority. However, we believe that questions of this sort arising from the Alexandria incident may be more intelligently pursued after you have the report of the FBI Inspection Division.

- 1/ See e.g., U.S. v. Brown, 467 F. 2d 419, 424 (C.A.D.C. 1972); U.S. v. McKinney, 379 F. 2d 259 (C.A.6 1967). McKinney also specifically held that if probable cause exists, no search warrant is needed to justify a search of third party premises. However, both the Fourth Circuit whose case law would apply to the Alexandria incident (absent contrary Supreme Court decisions), and the Ninth Circuit have specifically reserved opinion on whether the Fourth Amendment requires search warrants, absent exigent circumstances, to enter third party premises in order to execute an arrest warrant. Lankford v. Gelston, 364 F. 2d 197, (C.A.4 1966); U.S. v. Bekowies, 432 F. 2d 8, 13n.5 (C.A.9 1970). Although the Supreme Court has not ruled on this issue, it has clearly upheld the constitutionality of warrantless searches based upon probable cause if "exigent circumstances" are present, even if a search warrant could have been obtained long before the exigent circumstances arose. See Cardwell v. Lewis, 417 U.S. 583 (1974). McKinney indicates that a magistrate's determination of probable cause to arrest a suspect and the suspect's inherent mobility constitute exigent circumstances justifying a warrantless search of third party premises to execute the arrest warrant. Several arrest warrants for Patty Hearst are, of course, outstanding.
- 2/ It was also apparently determined subsequent to the informant's call that some nine months earlier, an individual who resided at Apartment 10 had been interrogated by the Alexandria police concerning a concealed weapon charge. This fact appears irrelevant to the establishment of probable cause to believe Hearst was in Apartment 10.

- 8/ In Paper, supra, the issue in question was whether liquor found on the suspect's premises pursuant to the execution of an arrest warrant was lawfully seized. The opinion assumes that the arrest warrant by itself justified a search of the suspect's premises, but there is no discussion as to whether the searching officers had probable cause to believe he was there. In Joines, supra, the issue in question was whether evidence was lawfully seized by the IRS in the suspect's house during an attempt to execute an arrest warrant. In supporting a denial of the defendant's motion to suppress, the court stated that the arrest warrant entitled the IRS officers to enter and search the suspect's house but did not indicate whether the officers had probable cause to believe he was on the premises. In Retolaza, supra, the issue in question was whether the FBI, possessing an arrest warrant, had lawfully searched the defendant's apartment after his wife had consented to the search. In rejecting the defendant's claim, the court appeared to justify the search upon the independent grounds of consent and the possession of an arrest warrant. The court stated that the FBI, in asking the wife for permission to search, had reason to believe that the defendant was not in the apartment, but it is unclear whether this fact had any relevance to the issue of consent or the right to search the apartment by virtue of the arrest warrant.

GENERAL INVESTIGATIVE DIVISION
HEARNAP SUMMARY

Attached summarizes current investigative status and federal grand jury (FGJ) proceedings for various harboring suspects in Hearnap matter.

John Joseph and Louise Scott (parents of Jack Scott) as well as Philip Kent Shinnick (former Olympic broad jumper and associate of Jack Scott) scheduled to appear before FGJ at San Francisco (SF) 4/10/75.

The current whereabouts of Jack and Micki Scott remain unknown.

SF feels any (material witness) warrants for Jack and Micki Scott should be issued subsequent to 4/10/75 FGJ at SF. SF feels this would be to FBI's advantage and allow close coverage on the Scotts if located and FGJ pressure on parents and friends may induce their cooperation.

Departmental Attorney Brandon Alvey advised 3/28/75, authority secured for material witness warrants for Jack and Micki Scott to appear before FGJ, Harrisburg, Pennsylvania, on or about 4/16/75. Mr. Alvey requested FBI attempt to serve subpoenas at known past residences of Scotts prior to issuance of warrants. Additionally, Department will recall Weiner (Jack Scott associate) regarding discrepancies in his FGJ testimony of 3/13/75. SF and other concerned offices advised. General Investigative Division coordinating as above and following closely.

SF advised local Grand Theft Auto warrant for John Vincent Scott (Jack) for failure to return rental car 3/1/75 in San Mateo County, California, dismissed.

SF advised Mrs. Catherine Hearst [redacted] was readmitted to Peninsula Hospital 3/22/75. [redacted] date of release unknown.

Your attention is invited to my memorandum of March 28, 1975, concerning FBI efforts to locate the captioned individual at Alexandria, Virginia, on March 15, 1975.

I wish to advise that a most thorough inquiry has been completed with regard to the forced entry into an Alexandria, Virginia, apartment by FBI Agents and local law enforcement officers last month. The following are the basic facts of the matter:

At 3:13 p.m., March 15, 1975, the Alexandria, Virginia, Police Department received a call from an unidentified female who stated she wanted for a lawyer in Alexandria and then continued, "You know Betty Hearst is supposed to be in Pennsylvania but she's not. She's currently at 649 Rosebush Drive, Apartment 10, in Alexandria and she's been there for the last week or ten days. She's out her hair and she's with one of the people who left with her from California." The officer receiving the call then furnished this information to the Alexandria Office of the FBI by telephone.

Within minutes of its receipt, this information was relayed to the Special Agent who was coordinating all investigation related to the search for Patricia Hearst and William and Billy Harris in our Alexandria Field Division. He immediately noted that none of the data provided by the person calling the Alexandria Police, in fact, none of it correlated with the information he had received concerning the person who had been out her hair and was with one of the people who left with her from California. He immediately advised the Alexandria Office of the FBI by telephone.

The Attorney General

This Agent, joined by three others, picked up photographs and descriptions of Miss Hearst and the Harrises at our Alexandria Office and proceeded to the Alexandria Police Department.

Two local detectives accompanied the four Agents from the police station to a site near Notabene Drive, where they were joined by two uniformed Alexandria police officers. It was then approximately 9:30 p.m.

A briefing session was held in which the local officers were furnished photographs and descriptions of the three fugitives. The fact that the fugitives were known to have carried automatic weapons in the past was also discussed by the eight men.

The Agents and officers arrived at the apartment building on Notabene Drive shortly after 10 p.m. Two Agents and two uniformed officers were designated to remain outside to cover the front and the rear of the building, while the other two Agents and the two detectives went inside.

Upon entering the apartment building, the two Agents and two officers looked for a sign listing the name and location of the resident manager or the owner whom they might contact for information regarding the occupant(s) of Apartment 10. There was none.

The four men did note, however, that the layout of the stairwell and halls was such that if any of the doors were opened or any people conversed with, the voices would carry and could possibly be heard in any apartment in the building, including Apartment 10 on the third floor. Thus, any inadvertent use of other tenants could alert the occupants of Apartment 10, thereby creating the potential of a highly dangerous situation. At this point--approximately 10:00 p.m.--a decision was made to go directly to the third floor and talk to the occupant(s) of Apartment 10.

The Attorney General.

Music coming from within the apartment indicated to the two Agents and two officers that someone was awake inside. One of the Agents knocked on the door, and a female occupant asked, "Who is it?" The Agent replied that it was the FBI and requested to speak with her. The person in the apartment said she would not let anyone in without seeing some identification; and when the Agent asked her to open the door to view his FBI commission card, she stated, "I'm not going to let anyone in."

At this point, sounds of movement were heard from the apartment, indicating that some form of activity was taking place inside.

Since there was no peephole in the door of the apartment, the two Agents were unable to suggest that the occupant might view their commission cards from the inside. Nor was there enough space beneath the door for them to pass a badge or commission card inside.

Clearly, the two Agents and two officers in the building had made substantial efforts to establish their lawful identities. When still denied entry, they had to make an immediate decision.

They knew that both Federal and state warrants existed for the arrest of Miss Hearst and the Harrisos and, thereby, that under Rule 4 of the Federal Rules of Criminal Procedure, authority was available for them to force entry into the apartment. This fact standing alone would not justify such action; but a combination of other compelling considerations was present.

First, the information which sent them to the apartment had a definite air of authenticity--particularly the vital and previously unpublished detail about her short hair.

Second, the Agents' and officers' reasonable and peaceful efforts to ascertain the occupant(s) of the apartment had been repelled by the unknown occupant(s).

The Attorney General

Third, the Agents and officers were aware that a virtual suicidal compulsion toward violence has characterized the Symbionese Liberation Army. The crimes charged to Miss Hearst certainly leave little question concerning her willingness and ability to use firearms, including automatic weapons. Therefore, having announced their presence and been rebuffed, the officers knew that a very real threat to life existed if the apartment were, in fact, being used as a hideout by Miss Hearst and/or her compatriots.

The two Agents and two detectives at the scene who were confronted with making an on-the-spot decision chose to force the door as they had reason to believe that Patty Hearst was in the apartment and their action would reduce the potential for violence.

Many questions have been raised about this decision. One is why the FBI would place credibility in an anonymous tip. Frankly, many anonymous tips prove to be fabrications. Many others, however, prove to be well-founded--particularly in fugitive cases. Therefore, the potential of each one must be weighed carefully.

An anonymous tip regarding the whereabouts of a fugitive must be differentiated from a tip concerning the involvement of an individual in illegal activity. The tip concerning whereabouts demands much quicker action, while a tip regarding illegal conduct can be weighed and investigated over a longer period of time and, therefore, with less possibility of error. Any error of identification is, of course unfortunate, but if an error should occur, it is important to determine whether it resulted from impetuous or capricious conduct--or whether the officer did, in fact, follow in good faith the dictates of his training, his experience, his conscience, and the information and events then before him.

Questions have also been raised concerning the matter of identification. It is true that we in law enforcement strive to address the importance of ensuring proper identification before granting entry to persons who knock upon their doors. The Agents at the apartment recognized this and made what reasonable efforts the circumstances permitted to establish this identification. When still denied entry, they were faced with the immediate necessity of making an immediate decision.

The Attorney General

In their judgment, adequate bases existed for a prompt and decisive determination of the information which had been furnished by the informant.

Next, there is the question of forcing the door to the apartment. True, a legal basis for this action existed, but its propriety in a society that cherishes privacy and abhors violence is naturally questioned.

We feel the same repugnance as other citizens to the use of force, but this does not dissipate the presence of danger. Two of our Agents were killed in Washington, D. C., in 1969 by a fugitive who shot them from behind the door of an apartment into which they sought entry. Substantially every other law enforcement agency has had similar experiences. Forced entry is not an abrogation of privacy when it is done for the purpose of saving lives. When the potential of violence lurks in the background, our citizens many times are best served or saved by quick and decisive action.

We hear, of course, that sometimes--as happened in this instance--the leisure of later reflection and the luxury of subsequently available facts may indicate the wisdom of a different course of action.

We as law enforcement seldom encounter "textbook" situations in carrying out arrests and other duties involving a potential for violence. Much of our learning must be done in the time of action and I am confident that the Agents and officers at the apartment building learned from this experience. Furthermore, the full facts and circumstances of this incident are being utilized by our Training Division so that they can be incorporated into our courses in practical interview and arrest procedures.

Had Mrs. Smith been inside the apartment--and she well might have been--there would have been no criticism of the entry. In fact, that law enforcement and all others are free of criticism. But experience tells us, however, that all of the information and all of the precautions we have will not prevent this. It is, indeed, our duty, to do our best to prevent such a tragedy at any time in the future.

The Attorney General

For your information, I am furnishing the above facts in a letter to Senator Robert C. Byrd of West Virginia in answer to his letter of inquiry pertaining to this incident.

We have reviewed the memorandum from Associate Deputy Attorney General Jonathan C. Rose to you dated March 25, 1975, captioned "Forceful Entry of an Alexandria Residence by the FBI to Execute an Arrest Warrant upon Patricia Hearst." Mr. Rose's memorandum discusses our memorandum of March 21, 1975, concerning the legal authority for entry of premises to execute an arrest warrant and forceful entry in circumstances where admittance is denied.

Our memorandum of March 21, 1975, was predicated upon two specific theoretical questions and was intended only as a general view of the law in this area. It was not requested that we apply the law to the facts of the Alexandria incident nor was our memorandum intended to serve that purpose. Therefore, we believe, as Mr. Rose's memorandum also indicates, that the appropriate conclusions may be reached only by applying the facts previously set forth to the general considerations as expressed in our memorandum of March 21, 1975.

1 - Assistant Attorney General
Criminal Division

NOTE: Above facts are from letter to Senator Robert C. Byrd, 4/2/75, reviewed 4/1/75, by SA [REDACTED] and SAC Robert G. Kunkel of the Alexandria Division. It is noted SA [REDACTED] spoke for SA [REDACTED] (Alexandria) and stated contents completely accurate as to the facts and thought processes of the Agents on the scene. This matter coordinated with External Affairs and Legal Counsel Divisions 4/1/75.

Patty Hearst said on way to Algeria

SAN FRANCISCO (AP). — A television news reporter said Tuesday night she had received an "unconfirmed report" that fugitive Patty Hearst, accompanied by radical sports figure Jack Scott and his wife Micki, will fly into Algeria within a matter of hours.

Marilyn Baker, who won an award for her reporting of the Hearst heiress' kidnapping last year, said officials in Algeria had refused to comment on the report that the trio might seek asylum in that country.

Charles Bates, agent in charge of the FBI office in San Francisco, said he had no knowledge of the report and that it was the first he heard connecting Miss Hearst with Algeria.

Miss Hearst, daughter of "San Francisco Examiner" president and editor Randolph Hearst, has been sought since she was kidnapped from her apartment in Berkeley, California, on February 4, 1974. A few weeks after her abduction she sent word that she had joined her Symbionese Liberation Army kidnappers and adopted the name Tania.

Fingerprints of Miss Hearst and the Scotts reportedly were among those found in a rented farmhouse near South Canaan, Pennsylvania, last month. The New York City fireman who owns the house has said he rented it to a woman named Micki Scott.

3/28/75

K95 .30 Carbine caliber U. S. Carbine, Model M2,
Serial Number 7148579

Result of examination:

Test bullets and cartridge cases obtained from the K95 weapon were microscopically compared to the .30 caliber bullets, bullet fragments and cartridge cases previously submitted in this case without effecting an identification.

An inspection of the K95 weapon revealed no modifications similar to those noted on the four .30 caliber carbines recovered from the debris of the burned residence at 1466 East 54th Street, Los Angeles, California, (the scene of the May 17, 1974 shoot-out). It is noted that these weapons were .30 caliber U.S. Carbines, Model M1, which had been modified so as to permit them to deliver only controlled full-automatic fire.

The K95 weapon is a .30 caliber U.S. Carbine, Model M2, which is capable of delivering either semiautomatic or full-automatic fire. Therefore, this weapon comes within the purview of the National Firearms Act.

ON MAY 29, 1974, GEORGIA MAE ANDERSON PROVIDED A SIGNED
STATEMENT IN WHICH SHE STATED THE FOLLOWING:

ON MAY 17, 1974, A FEW MINUTES BEFORE 4:00 P.M., SHE
VISITED HER SISTER, BARBARA ANDERSON, WHO RESIDES AT 1152
54TH PLACE, LOS ANGELES, CALIFORNIA. HERE SHE LEARNED
THAT THE SLA WAS PRESENTLY IN CHRISTINE JOHNSON'S HOUSE ON
54TH STREET. GEORGIA ANDERSON AND HER SISTER PROCEEDED TO
CHRISTINE'S HOUSE AT 1466 EAST 54TH STREET SINCE THEY WERE
VERY INTERESTED IN THE MISSION OF THE SLA.

UPON ARRIVING AT THE HOUSE, GEORGIA ANDERSON OBSERVED
CHRISTINE'S CHILDREN PLAYING ON THE PORCH. UPON ENTERING THE
HOUSE, CHRISTINE INTRODUCED GEORGIA ANDERSON TO A FRIEND OF
HERS. THIS NEGRO MALE IDENTIFIED HIMSELF AS ^{LINCOLN} ~~ROBERT~~ BUT STATED
HIS REAL NAME WAS DE FREEZE
AND HIS NAME WAS DE FREEZE AND HE WAS THE LEADER OF THE SLA.

END PAGE EIGHT

GEORGIA ANDERSON AND DE FREEZE BEGAN DISCUSSING THE MISSION OF THE S.A. CINQUE INDICATED THAT HE WAS OUT TO FIGHT FOR THE RIGHTS OF THE PEOPLE IN NEED AND WAS GOING TO USE NEGROES AND WHITES TO FULFILL HIS MISSION. CINQUE BELIEVED THAT BY USING RICH WHITE GIRLS, HE COULD CONVINCE THEIR FATHERS TO HELP HIM BY GIVING HIM MONEY. HE STATED THAT PATTY HEARST IS NOW PART OF HIS ARMY.

GEORGIA ANDERSON ASKED DE FREEZE WHY HE PICKED 166 EAST 72ND STREET AND HE INDICATED IT WAS BECAUSE HE FELT THIS AREA HAD ALREADY BEEN SEARCHED BY THE "PIGS" AND IT WOULD BE A SAFE PLACE TO HIDE HIS ARMY. GEORGIA ANDERSON ASKED DE FREEZE IF HE KNEW THAT THE POLICE WERE PRESENTLY SURROUNDING THE HOUSE THEY WERE IN AND HE TOLD HER THAT HE WAS. UPON BEING ASKED BY GEORGIA IF DE FREEZE COULD WIN THE FIGHT AGAINST THE POLICE, HE INDICATED THAT HE AND HIS ARMY WOULD FIGHT TO THE DEATH. DE FREEZE ALSO INDICATED THAT HE HAD OTHER CHILDREN THAT COULD CARRY ON HIS FIGHT, AND THAT HE WOULD TAKE A LOT OF "PIGS" DOWN WITH HIM. DE FREEZE INDICATED TO GEORGIA ANDERSON THAT HE HAD FIVE OTHER WHITE PEOPLE WITH HIM AND THEY KNEW THEY WERE GOING TO DIE.

END PAGE NINE

PAGE TEN

DE FREEZE INDICATED DURING THE CONVERSATION THAT ONE OF THE REASONS HE CAME TO THE LOS ANGELES AREA WAS BECAUSE HE WAS SEARCHING FOR HIS WIFE AND SIX CHILDREN. HE CONTINUED THAT WHEN HE CAME TO THE LOS ANGELES AREA, HE SPLIT THE SLA INTO TWO GROUPS. DE FREEZE SENT ONE OF THE GROUPS TO THE INGLEWOOD AREA AND THE OTHERS WERE CURRENTLY LOCATED WITH HIM. DE FREEZE INDICATED THAT OTHER PEOPLE WOULD JUMP ON THE "PIGS" AS SOON AS HE DIED FOR HIS CAUSE. GEORGIA ANDERSON INDICATED THAT DE FREEZE DID NOT APPEAR TO BE INTOXICATED AND THAT HE SPOKE VERY WELL AND WAS IN CONTROL OF ALL HIS FACULTIES.

GEORGIA ANDERSON OBSERVED MANY GUNS AND BOXES OF AMMUNITION, AS WELL AS GAS MASKS, IN THE HOUSE. WHILE SHE WAS TALKING WITH DE FREEZE, A WHITE MALE CAME INTO THE ROOM AND ASKED DE FREEZE IF HE COULD GET SOMETHING FROM THE STORE. SHE DESCRIBED THIS INDIVIDUAL AS A WHITE MALE, 6', COLLAR-LENGTH BLONDISH HAIR WITH A SLIGHT BUILD. HE WAS WEARING A BLUE KNIT CAP AND AN ARMY COAT. HE WAS ALSO WEARING A BANDOLIER AROUND HIS WAIST WITH BULLETS IN IT, AS WELL AS A HANDGUN AND A HOLSTER. SHE ALSO OBSERVED SEVERAL WHITE GIRLS SITTING IN ONE OF THE BEDROOMS ALL WEARING GUNS AND BANDOLIERS WITH BULLETS IN THEM.

GEORGIA ANDERSON WAS TOLD BY DE FREEZE DURING HIS CONVERSATION THAT PATRICIA HEARST HAD STAYED OF HER OWN FREE WILL BECAUSE HE HAD NOT GIVEN ENOUGH MONEY. DE FREEZE SAID GOODBYE TO ANDERSON AND SHE LEFT THE HOUSE PRIOR TO THE POLICE ASSAULT.

ANDERSON WAS UNABLE TO IDENTIFY FROM PHOTOGRAPHS ANYONE SHE SAW IN THE HOUSE.

EFFORTS TO LOCATE AND APPREHEND WILLIAM HARRIS, EMILY

~~FRANK RICHARD SUTTER~~, WHO WAS ABDUCTED
BY WILLIAM AND EMILY HARRIS AND PATRICIA HEARST FROM 6:45 A.M.
UNTIL 1:30 P.M., MAY 17, 1974, HAS ADVISED THAT DURING HIS
ABDUCTION, THE HARRIS' AND PATRICIA HEARST STOPPED AT AN UNKNOWN
LOCATION. FROM THE FLOOR OF THE BACK SEAT WHERE HE WAS FORCED
TO LIE, HE WAS ABLE TO BRIEFLY GLIMPSE A PARKING AREA AND
STRUCTURE, AN INTENSIVE GRID SEARCH CONDUCTED IN THE VICINITY
OF THE HOLLYWOOD HILLS WHICH INCLUDED USE OF A HELICOPTER
FAILED TO LOCATE THIS STRUCTURE. A DRAWING IS BEING PREPARED
BASED UPON ~~THE~~ DESCRIPTION OF THE PARKING LOT AND STRUCTURE.
THIS WILL BE USED IN AN EFFORT TO LOCATE THE STRUCTURE. LOS
ANGELES DIVISION IS CONSIDERING THE FEASIBILITY OF OBTAINING
AERIAL PHOTOGRAPHS OF THE HOLLYWOOD AREA OF LOS ANGELES IN AN
ATTEMPT TO IDENTIFY THIS LOCATION.

MEL'S SPORTING GOODS STORE WAS BEING PATRONIZED BY EMILY
AND WILLIAM HARRIS ON MAY 16, 1974, WHEN THE HARRIS' WERE
STOPPED BY A CLERK AT THE STORE FOR SHOPLIFTING. IT WAS AS A
RESULT OF THIS INCIDENT THAT THE FUGITIVES FLED AFTER PATRICIA
HEARST ASSISTED THEIR ESCAPE BY FIRING AN AUTOMATIC WEAPON.

LOS ANGELES DIVISION HAS INSTITUTED A GRID SEARCH IN THE INGLEWOOD, CALIFORNIA, AREA, IN AN ATTEMPT TO DEVELOP ANY INFORMATION REGARDING FUGITIVES. THE SEARCH INCLUDES CHECKING LOGICAL BUSINESSES, APARTMENT HOUSES AND CAR LOTS, WHICH MIGHT DEVELOP INFORMATION REGARDING ACTIVITIES OF THE FUGITIVES OR OTHER SLA MEMBERS WHO WERE KILLED AT 1466 EAST 54TH STREET, LOS ANGELES, CALIFORNIA. LOCAL LAW ENFORCEMENT AGENCIES CONTINUE TO REPORT VEHICLES STOLEN AND VEHICLES LOCATED OR IMPOUNDED BY THEIR DEPARTMENTS. THESE REPORTS ARE BEING INVESTIGATED TO DETERMINE IF FUGITIVES MAY BE INVOLVED.

REPORTED SIGHTINGS AND INFORMATION CONCERNING FUGITIVES CONTINUES TO BE PROVIDED BY CITIZENS TO LOS ANGELES FBI OFFICE AND LOCAL LAW ENFORCEMENT. EACH OF THESE REPORTS IS EXPEDITIOUSLY INVESTIGATED TO DETERMINE THEIR VALIDITY.

THE SAN FRANCISCO DIVISION HAS ADVISED THAT THE ABOVE DESCRIBED .22 CALIBER PISTOL WAS REGISTERED WITH THE OAKLAND POLICE DEPARTMENT ON SEPTEMBER 11, 1962, BY [REDACTED]. SAN FRANCISCO ADVISES THAT [REDACTED], A SUSPECTED ASSOCIATE OF MEMBERS OF THE SLA. THE MANUFACTURE DATE ON SOME OF THE FILTER CANISTERS WAS DETERMINED TO BE FEBRUARY 1956. THE MASKS WERE MANUFACTURED BY VARIOUS COMPANIES, ONE OF WHICH WAS B. F. GOODRICH. THE MASKS WERE DECLARED OBSOLETE IN 1965 OR 1966 AND PHASED OUT OF NAVAL UNIT INVENTORIES. THE MASKS WERE TO BE DESTROYED AND NOT TO BE MADE AVAILABLE FOR CIVILIAN USE. Result of examination:

Qc1 was not associated with material maintained in the Anonymous Letter File. Copies have been added thereto.

A definite conclusion was not reached whether the typewriting on Qc1 was prepared by the typewriter or typewriters used to prepare the questioned typewriting on Q41 through Q44, and Q30 previously submitted in case captioned "HEARNAP", due to the lack of individual identifying characteristics and the indistinct nature of the submitted photocopies. The conclusion was reached that the typewriting on other items previously submitted in the HEARNAP case and in case captioned "SYMBIONESE LIBERATION ARMY (SLA)" was not prepared by the typewriter or typewriters used to prepare Qc1.

The typewriting on Qc1 is too indistinct to classify as to make; however, this typewriting most closely corresponds to Laboratory standards for pica styles of type manufactured by Remington and Sotag Companies and used on typewriters manufactured under brand names including: Antares, Halda/Facit, Olivetti, Orga, Royal, Remington, R.C. Allen, Smith-Corona, and Underwood.

Qc1 is retained.

EXAMINATION DESIRED

1. The Identification Division, when the typewriter arrives under separate cover, is requested to process it for fingerprints.

2. It is further requested that all logical papers and expended ammunition described above also be afforded examination for latent fingerprints.

3. It is requested that the FBI Laboratory examine three (3) separate items of paper (F9G, J, and Q) for indented writing.

4. It is requested the Laboratory examine the contents of the typewriter ribbon and furnish any pertinent lead material from this examination.

5. It is requested that specimens be taken from the typewriter and that a comparison be made with communications previously submitted in connection with the SLA and HEARNAP case.

6. The Laboratory is requested to furnish expert observation as to the purpose for which the enclosed seven (7) separate pieces of clothes line might have been intended in view of their present condition, and also advise if any of these pieces of clothes line can be matched with clothes line type rope used to secure ~~JOHN LENNENSON~~, who was kidnaped in connection with his vehicle being utilized in subsequent kidnaping of PATRICIA HEARST, Berkeley, California, 2/4/74. Also, compare with any other similar type items submitted either during FBI investigation or by local authorities in connection with SLA or HEARST kidnaping.

[REDACTED] CBS, Washington, D. C., phone 296-1234, contacted my office this date and advised that yesterday, 5/30/74, two young people, one male and one female, identities unknown, contacted their New York headquarters with a .16 mm film showing Patricia Hearst's participation in the Hibernia Bank robbery in San Francisco, California. **[REDACTED]** advised that these people were trying to sell this film to CBS for \$20,000. He stated that he did not observe the film but that his people in New York advised that it looks very, very good to them; that it appears to be made from bank camera film and is a bit jerky in motion. **[REDACTED]** advised that CBS was dubious about buying this film and they were requesting at this time to obtain the original film from the bank. **[REDACTED]** reasoned that within a day or two someone in the industry would purchase this film and show it on television. Therefore, he reasoned, that the Government may see fit to release the original film. He was advised that the Bureau could not release this film as it is being held as evidence.

SAC Bates was contacted this date and he advised that the San Francisco Office had a film made from the stills taken during the Hibernia Bank robbery and that he would commence investigation to determine how many films were made and where they are at this time. He could furnish no explanation how these unidentified persons had received a copy of this film.

ASAC Thomas Druken, San Francisco Office, advised that their office had contracted with **[REDACTED]** San Francisco, whom they have worked with before, to produce films. He advised that 6 films were produced, one was sent to the Bureau, SAC Henry Schutz has one in the New York Office, and San Francisco has four of the films secure in their office safe.

ASAC Druken stated that **[REDACTED]** office also had a film which was secured in their office safe in the event that additional copies were needed.

Re: [REDACTED]

He stated that only three persons had access to this safe and that these three persons were being contacted at this time to be interviewed.

SAC Henry Schutz, New York Office, advised that his film was secure in the New York Office and he could furnish no information regarding the individuals in New York City who were endeavoring to sell a copy of this film.

ATTENTION: EXTERNAL AFFAIRS DIVISION

FROM: SAC, SAN FRANCISCO (7-855)

SUBJECT: HEARNAP

On 5/29/74, MARILYN BAKER, Newscaster for KQED-TV, Channel 9 (public subscription station), was talking to Supervisor [REDACTED] of the San Francisco Office. At that time she advised him that she was going to be on the cover of TV Guide for 6/8-14/74. She told [REDACTED] that she was a little concerned that SAC BATES might be upset by the article about her. She told [REDACTED] that the article was written by TV Guide newsmen and that she did not see the finished product until after it was printed. [REDACTED] inquired as to why she was concerned and she gave him a copy of the TV Guide and the article about her. The headline quote on the article is "I Wish We Had That Broad's Connections," CHARLES BATES, FBI Agent. At the end of the article it says in a newspaper interview SAC BATES paid MARILYN BAKER the ultimate tribute, "I wish to God we had that broad's connections." BAKER told [REDACTED] that she had never heard these quotes from me. She said she was going to be out of town but did leave the copy of the article.

This article is mainly fiction about how BAKER solved the entire HEARST case ahead of law enforcement. Because of the references in the article to the San Francisco Police Department, this matter was checked with [REDACTED]. He confirmed that a bomb report had been received on 2/18/74, that the bomb squad searched KQED and BAKER's car but found no bomb. [REDACTED]

The article relates that the San Francisco Police Department guarded her for more than six days. [REDACTED] said this was absolutely not true. He did relate that on 5/1/74, between 6:00 p.m. and 8:00 p.m. the police were at her home as she had called claiming someone was going to harm her.

SAC talked with [REDACTED] on the evening of 5/30/74. [REDACTED]

As far as the quotes attributed to SAC, I can assure the Bureau that never in my life have I referred to a woman in such language. Not only that but I would never admit under any circumstances that anyone could be better at investigating a matter than the FBI.

I am calling this to the Bureau's attention merely for information and on the possibility that press inquiries might be received.

The article is enclosed.

'I Wish We Had That Broad's Connections'

—Charles Bates, FBI agent

The amazing story of a 44-year-old TV newswoman who stayed two weeks ahead of the police in her revelations about the Hearst kidnaping case

By Bill Davidson

The phone rang suddenly during the 7 P.M. news hour on KQED, San Francisco's public-television station, which operates out of a decrepit, formerly abandoned warehouse in the city's industrial slums. It was exactly 7:12 on Feb. 18. At the time of the call, KQED's 44-year-old, deceptively-housewifely-looking No. 1 reporter, Marilyn Baker, was on the air with her latest findings in the Patricia Hearst kidnaping case.

News director Joe Russin took the call, and heard a muffled voice say, "This is the Symbionese Liberation Army. There's a plastic bomb—meant for Marilyn Baker. It will go off at 8:17." Then, just the hum of the dial tone.

In a matter of minutes—while the 7 P.M. news continued—cops swarmed all over the ratty KQED news room—even

spilling onto the set. Bomb-squad men in armored clothing ripped apart Marilyn's desk in search of hidden explosives. When Marilyn finished her broadcast at 8:00, one of the cops said, "Think very hard. Where would you normally be at 8:17?"

She said, "I don't have to think very hard. I'd be in my car—on my way home." The bomb-squad men rushed out into the empty street, where the hood of Marilyn's car gaped open. Inside, they found an ignition wire ripped out—seemingly ready to be attached to a bomb. The cops, apparently, had poured out of the building soon enough to interrupt the bomb installer in mid-task.

The police guard on Mrs. Baker, put into effect six days earlier, was increased. And that night, her 26-year-old son Jeff, an ex-marine, stood watch in her living room with a loaded rifle.

It had all begun across the Bay in Oakland last Nov. 6, with the assassination of Marcus Foster, Oakland's black superintendent of schools. The Symbionese Liberation Army surfaced then to claim responsibility for the murder, and established its claim by mentioning the cyanide-tipped bullets that had been used in the attack on Foster and his assistant Robert Blackburn (who was wounded). "I was busy elsewhere," Marilyn said, "but that cyanide non- →

...interested me. I checked it out with the coroner and found out it was taken at least 35 such bullet holes. I delivered enough cyanide to kill Foran's why Blackburn, who was hit with the same cyanide, recovered from his wounds. I went on our Newsroom show in the story, but everyone else kept making a big thing out of the "cyanide-bullet thing."

Marilyn became totally involved with the SLA after police inefficiency came up in the arrest on Jan. 10 of SLA members Joseph A. Remiro and Russell Little, who have been charged with Peter's murder. "It was 1:30 in the morning," Marilyn says, "and a deputy sheriff's car made a routine stop at a van driven by two guys. It was in the suburban residential town of Alameda across the Bay, and a van area at that time of night suspicious. The driver of the van he was 'looking for the DeVoto house, Sultherland Drive.' Then, when he began to check his driver's license, which was a fake, he pulled out a gun. There was a shoot-out, and both Remiro and Little were killed. There was a lot of SLA stuff in the van, but no one thought of the DeVoto house, just two guys. If they had, they would

have caught at least three members of the SLA—and maybe there wouldn't have even been a Hearst kidnaping.

"As it was, as soon as the news of the arrest was broadcast, 'Mrs. DeVoto' was seen fleeing the house after setting it on fire. The fire department got there in a hurry and put out the fire, and then the sheriffs got there and found weapons and all kinds of SLA stuff."

The next day, Marilyn got there. Incredibly, the house was unsealed and unguarded—neighborhood kids carting off such souvenirs as bayonets and a target pistol. Entering the unlocked back door, Marilyn found a store of evidence not even touched by the police—drugs, professional make-up equipment, closets full of nonhippie, middle-class clothing, maps and a manuscript about the SLA's aims in which, each time the words "men and women" were used, someone had crossed them out and written in "women and men."

"From all this," Marilyn said, "I deduced that whoever these people were, they used middle-class disguises and were living among us, not as hippies. The make-up, all dark, indicated that they wanted their whites to appear to be blacks, and the manuscript changes told me this outfit was run by women—heavy-women's-lib-type women."

Marilyn turned the evidence over to the Oakland police, went on the air with her hypotheses, and then set out to identify the "Mrs. DeVoto" who had rented the house. From references given to the real-estate agent, she tracked down an authentic Mrs. DeVoto in the East; when Marilyn described to her the 4-foot-11-inch, dark-haired woman who had fled the burning house, she said, "That sounds like Nancy Ling. I went to school with her. She must have used my name."

From her street-people contacts in near-by Berkeley, Marilyn then learned that a Nancy Ling, a former ultraconservative, Barry Goldwater supporter in 1964, had been living with a black musician named Gilbert Perry. She found Perry, learned that he and Miss Ling had been married, taped an interview with him about her background, and went on the air with it.

Marilyn thus identified the first of the strange women within the SLA. A few days later, on Jan. 17, Nancy Ling Perry admitted her SLA involvement in a lengthy "Letter to the People" delivered to radio station KPFA. The communique set forth the SLA's "death to the fascist insect" philosophy and also directly answered two points made by Marilyn in her news broadcasts. As a sardonic joke, the envelope in which the communique was delivered bore Marilyn's name and Station KQED as the return address.

Then, on Feb. 4, Patty Hearst was abducted from her Berkeley apartment. Three days later, a communique from the SLA, accompanied by one of Patty's credit cards, announced that she had been taken as a "prisoner of war." Marilyn spent the weekend contacting all of her hundreds of sources in the San Francisco slums, in the streets around the University of California in Berkeley, and in all the area's law-enforcement agencies—asking for any information about the kidnaping.

On Monday, Feb. 11, the information came to her. Her phone rang at 6:10 A.M. and an unidentified voice said, "There are two black escaped convicts in the SLA." The caller mentioned two names—Wheeler, and what sounded like "Diffuse"—and then hung up.

All that day, Marilyn checked California's prisons. Finally, at Soledad, the warden told her that the preceding March a black man named Donald DeFreeze had been taken outside the main compound of Soledad to repair a boiler—and had simply walked away. She asked him if DeFreeze had had a nickname in prison. The warden said, "Yes. He called himself Cinque." At Vacaville Prison Marilyn learned of the similar escape of a convict there named Thero Wheeler in August 1973. In Berkeley she learned from her street-people about "a black dude, calls himself Cinque (Sin-cue) and brags about being an escaped convict, trying to hook up with radical groups, but he was talking about such violence that we thought he was an agent of the police trying to stir things up."

In the next SLA communique, the voice of "General Field Marshal Cinque" was heard for the first time. Marilyn already knew that he was DeFreeze, and that Wheeler had probably aided him in the kidnaping. She phoned Randolph Hearst and told him that she was going to identify DeFreeze and Wheeler on the air. He begged her not to, and asked her instead to tell what she knew to an FBI agent stationed with him. She did; Hearst then gave her a special unlisted number so she could keep in touch—the only reporter to be so favored during the entire ordeal.

Two days later, Hearst phoned her and told her to go ahead with her story. "You've got it straight," he said. She broadcast her findings on KQED's evening news of Feb. 14, and "before I finished," she says, "our switchboard was swamped with calls. The story →

continued

was picked up all over the United States. All over the world."

Then came a series of threats on Marilyn's life—and the Feb. 18 bombing attempt. Guarded by the police, son Jeff and her younger son Chris, 23, Marilyn resumed her digging. Another anonymous phone tip and a check of the registration lists enabled her to identify Patricia Soltysek, the female broad of the SLA, known as "Mizmoon," as she was called in a love poem written for her by her lesbian lover, Camilla Hall, daughter of a Lutheran minister and also a member of the SLA.

Marilyn then found a man who had been a cell mate of DeFreeze and Wheeler. He told her—on the air—his theory of how the entire SLA plan had been concocted in prison by DeFreeze, Wheeler and radical visitors from the outside. (Among the visitors Marilyn later identified one white youth named Willie Wolfe.) Not only had they discussed the Marcus Foster murder and the Hearst kidnaping, but possible kidnappings of other victims as well—such as Vice President Gerald Ford's daughter—and a massive jail break at Alcatraz.

In the meantime, Marilyn's son Jeff—white-haired, looks like a radical, and works undercover for her—came up with a witness who tied Willie Wolfe into gun classes held every Sunday night by Joseph Remiro, one of the two men already arrested in the Marcus Foster murder. Remiro is a Vietnam veteran known as "GI Joe," and a firearms expert. Jeff's source also named several of Remiro's students at gun classes; Marilyn soon identified them through her street contacts as a **blond**, Emily and Bill Harrison. Of course, Patricia Soltysek—whom had disappeared, as had Perry and Camilla Hall, as only became public.

Now she knew the entire core of SLA membership, and she broke

the story well ahead of everybody else on March 22. Those she identified have now been named officially as having participated in the kidnapping and also in the April 15 Hibernia Bank robbery in which Patricia Hearst took part.

For weeks, nearly every substantial clue you read or heard about the Hearst case or the SLA came directly or indirectly from Marilyn Baker. CBS used parts of her SLA revelations in its evening newscasts. On the day of the bank robbery, ABC in New York wouldn't report that Patty Hearst was involved until someone phoned Marilyn in San Francisco for confirmation. TV and newspaper reporters from all over the world followed her around—and interviewed her to find out what was going on in the case, even after the bloody May 17 shootout in Los Angeles.

In being the first to identify "General Field Marshal Cinque" and the lesbian sisterhood that dominates the SLA, Marilyn was usually a week ahead of the flaccid local FBI office—and two weeks ahead of the San Francisco police, whose ineptitude has inspired comparison with the Keystone Kops.

While other San Francisco TV reporters were joshing each other on their "happy talk" newscasts, or playing cards in comfortable press trailers while waiting for press conferences at the Hearst mansion, Marilyn Baker was pushing through the back alleys to find evidence. She glistens—like the Emmy and Peabody awards she will probably win next year—amid the dull and shameful torpor that seemed to grip all journalism in the case. There were some mitigating circumstances, not the least of which was Randolph Hearst's plea that journalists not "do anything to endanger Patty's life." This led to the SLA's manipulation of the media, which gave full play to the SLA's rambling and incoherent propaganda messages. Marilyn admits that she and KOED were also manipulated for a while, but she

was the first to see that the media were being used by, as she put it on the air, "common hoodlums." She said bluntly, "This has been muddled into a political story when it's nothing but a basic murder-kidnaping-robbery story."

Marilyn has had many firsts in the bizarre case (including exclusive interviews with ex-SLA associate Christopher Thompson, who was "sentenced" to death by the SLA and later hidden for several days by Jeff Baker), but she is the first to admit that, like any investigative reporter, she has made her share of mistakes.

"I wasted days," she said, "having Jeff check mountain caves marked on the SLA maps I found in the DeVoto house. My news director Joe Russin and I lost \$300 at a midnight drop in an Oakland parking lot: we were supposed to get an SLA tape telling us where Patty was. Instead, the tape was just a recording of a rock song—'My Baby's Daddy Is a Millionaire.'"

"I have also had changing views of Patty Hearst. At first I thought she had been forced into the bank robbery, but it may be that she is like Silly Putty, someone who can be molded into anything anyone wants her to be. My sources at Berkeley have told me that at various times she was thought to be a conservative, a liberal, a drug abstainer, a drug user—all according to her associations at a given time. There's a lot of sex in the SLA, both heterosexual and homosexual; perhaps in a cloud of confusion she has mistaken that for the kind of true love that she thinks may have been missing in her family life and in her relationship with Steve Weed, her fiancé. I'll never forget my conversation with Randolph Hearst after the first SLA tape with Patty's voice on it. I said, 'I've got two sons, and if either of them got into this kind of trouble, he'd say some secret thing that only I could understand.' Mr. Hearst mumbled, 'I wouldn't know

of anything. We never had that kind of close relationship with Patty.'"

On the other hand, it should be noted that Patty, in her taped messages, seemed clearly to be reading from a script prepared in advance, and if she was being forced to read them, it is not likely that the SLA would permit her to add any "secret things" of her own. And if she had, the SLA could easily have erased them. Also, such a signal, if subtle enough not to be noticed by the SLA, might also be so small as to elude her family. And further, if the Hearsts had noticed some small signal from Patty, they might very well be risking her life if they made it public. Speculation of this sort, although attractive and almost unavoidable, is also inconclusive.

As an investigative reporter of some years' experience, I joined Marilyn on her beat for four days. More than anything else, she is apparently fearless: after finding a neighborhood where merchants had said the SLA's Mizmoon and Camilla Hall had made food and gasoline purchases, Marilyn went charging into hostile, commune-type houses. We had a clandestine meeting with Christopher Thompson, who is still hiding out and still under the SLA's death sentence. Later we had a secret meeting with one of Marilyn's law-enforcement contacts. She told him of Thompson's predictions of the SLA's next possible actions; he said, "For God's sake, Marilyn, be careful!"

The next day, in a newspaper interview, Charles Bates, the FBI agent in charge of the case, paid Marilyn the ultimate tribute: "I wish to God we had that broad's connections."

Marilyn's only reaction to the grudging compliment came that night before her KOED Newsroom telecast. She said, "This is the fifth show in a row where this underpaid, middle-aged broad hasn't had the time to put on her false eyelashes." (ND)

Unidentified latent prints are not identical with finger or palm prints of Donald DeFreeze, FBI #606723D.

Unidentified latent prints compared, insofar as possible, with available known fingerprints Nancy Ling Perry, Angela Atwood, Camilla Hall, Patricia Michelle Soltysik "Mizmoon" and William Wolfe and with latent prints previously developed on items purportedly handled by Perry, Atwood, Hall, Soltysik, Emily Montague Harris, FBI #325804L2, and Patricia Campbell Hearst, FBI #325805L10, but no identification effected. Conclusive comparisons not possible since comparable areas not present in all instances.

Eighteen lifts of value enclosed. Remaining lifts of no value destroyed. Copy of log, which was also submitted, retained.

Result of examination:

Set forth below are the results of the cryptanalytic examination
of specimen Qc1523.

Page 1, front side

The material is decrypted by considering the third letter of
every second word as significant.

- #2 SANSUM (probably SANSOME)

- #5 CALIF

All except "CANADA" are the names of streets in San Francisco,

of page 1 of specimen Qc1523). There is a Canada Road south of San
Francisco between Redwood City and Woodside.

(continued on next page)

Each of the "sentences" making up the encrypted names of streets are followed by 2, 3 or 4 letters in parentheses. These could very well represent numbers but this could not be verified.

Page 1, reverse side

This side contains instructions to reach certain locations in the San Francisco area as well as a rough map representing San Francisco.

Page 2

On this page, decryption is effected by taking the third letter of each word.

Both parts of #8 are followed by letters in parentheses, probably representing digits, and both are the names of San Francisco streets.

Remarks: K41 is being returned separately with results of the requested latent finger print examination.

Although a definite conclusion was not reached whether any of the previously submitted questioned writing was prepared by ANGELA ATWOOD, K41, significant similarities observed indicate that the "Angela Atwood" signatures on Q146 through Q149 (previously submitted material pertaining to ATWOOD's employment at Dave's Great Electric Underground) was probably written by ATWOOD, K41.

San Francisco should continue its efforts to obtain additional handwriting and hand printing of all suspects and subjects in this case for comparison with unidentified questioned writing.

Result of examination

A definite conclusion was not reached whether the unidentified questioned writing on items previously submitted in this case and in case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM" was prepared by ANGELA ATWOOD, purported writer of K41, due to the limited amount of known writing, the presence of unexplained variations and the lack of sufficiently comparable writing.

K41, which has been photographed, is being returned separately.

Result of examination:

Qc1077 was not associated with material maintained
in the Anonymous Letter File. Copies have been added thereto.

A definite conclusion was not reached whether
the questioned writing on Qc1077 was prepared by PATRICIA CAMPBELL
HEARST, purported writer of K32, due to the presence of
unexplained handwriting characteristics, the indistinct nature
of the submitted photocopy and the lack of sufficiently
comparable writing. However, handwriting differences were
observed in this comparison which indicates that the questioned
handwriting on Qc1077 was probably not prepared by PATRICIA CAMPBELL
HEARST.

Qc1077 is retained.

~~Ray S. Miron~~, Professor of Psycholinguistics, Syracuse University, as set forth in several prior memoranda, analyzed by use of the computer the tapes prepared by the Symbionese Liberation Army.

On April 3, 1974, he visited at his own expense FBI Headquarters and discussed his analysis of the first four tapes. It was during this session that ~~Miron~~ stated that Patricia Hearst was a perfect subject to be kidnaped because she would lean upon and adopt the attitude of her kidnapers and would adopt a very hostile attitude toward the FBI. He predicted Hearst would join the SLA prior to the receipt of the tape in which she announced that she was joining the SLA.

Los Angeles summary teletype of May 29, 1974, contains an interview with Georgia Mae Anderson who provided a signed statement in which she related that on May 17, 1974, a few minutes before 4:00 p.m., she visited ~~her sister~~ who resides at 152 West 6th Place, Los Angeles. While there, she learned the SLA were at the time in ~~Christine Anderson's~~ house on 54th Street. As she and ~~her sister~~ were interested in the SLA mission, they proceeded to 1466 East 54th Street. Upon arriving at the house, Christine introduced Anderson to a friend of hers, a Negro male who identified himself as Cinque but stated his real name was DeFreeze and that he was the leader of the SLA. Cinque indicated he was out to fight for the rights of the people in need and was going to use Negroes and whites to fulfill his mission. Cinque believed that by using rich white girls he could convince their fathers to help him by giving him money. He stated Patty Hearst is now part of his Army.

REC-100

Anderson asked DeFreeze why he picked 1466 East 54th Street and he indicated he felt the area had already been searched by the "pigs" and would be a safe place to hide his Army. Anderson asked him if he was aware the police were presently surrounding the house they were in and he told her he was. Upon being asked by ~~Anderson~~ if DeFreeze could win the fight against the police,

Memorandum to Mr. Gebhardt
Re: HEARNAP

he indicated he and his Army would fight to death, that he had other children who could carry on his fight, and that they would take a lot of "pigs" down with them. He indicated he had five other white people with him and they knew they were going to die.

Of interest is a statement in Dr. Miron's briefing notes which he made available on April 3, 1974, and his conclusion is being set forth as follows:

c. Self Destruction: The critical problem in dealing with the SLA is their determination to commit suicide by establishing the conditions in which their destruction at the hands of some-one else is inevitable. The communications increasingly establish those conditions. Even Patricia has been drawn into the mutual suicide pact. Cinque is acting out the dominant male role posing for the women of the group. He maintains his dominance so long as he is seen as the source of expertise in crime, action and courage. But his self guilt and posturing will not permit him to kill in cold blood. The group as a whole is not capable of their own suicides unless engineered as the dramatic culmination of their indecisive lives as a consequence of the actions of others which they can rationalize as outside of their responsibilities. But they remain in touch with reality and emphasize that contact in all of their communications. They do not know the solution that will rescue them from themselves, but they will welcome such a solution when they have played out their game or when they are finally made aware of their unavoidable personal responsibility for their acts.

This morning Dr. Miron telephoned Gallagher from Syracuse, New York. He stated that he noted in the papers that there has been some criticism concerning the shoot-out in Los Angeles. He said the people who feel that excessive force was used were badly misinformed. The SLA was prepared for a big battle and were not going to give up easily. Dr. Miron said that he clears up the record whenever the opportunity presents itself by saying that the police were caught in a situation where nothing else could have been done. He said that these people who are criticizing the police for the way this situation was handled are in effect carrying out the works of the SLA and that the SLA even in death were advancing their mission; that if people could only understand what the background was they would not use this tragic aftermath to advance the cause of the SLA.

Memorandum to Mr. Gebhardt
Re: HEARNAP

For your further information, the Institute of Criminal Justice has expressed an interest in ~~Mr. Hiron's~~ discipline and plan within the near future to have him come to Washington to discuss his discipline.

ENCLOSURE

1 being committed by Emily Montague Harris, William Taylor Harris
2 and Patricia Campbell Hearst, and other members of the Symbionese
3 Liberation Army and others as yet unknown.

4 I am an "Investigative or Law Enforcement Officer
5 of the United States" within the meaning of Section 2510 (7) of
6 Title 18, United States Code. That is, I am an officer of the
7 United States who is empowered by law to conduct investigations
8 of and make arrests for offenses enumerated in Section 2516 of
9 Title 18, United States Code. I have personally participated in
10 the investigation of these offenses and have supervised activities
11 of other agents who have furnished information to me in this
12 investigation. Because of my personal participation in this
13 investigation and because of reports made to me by other agents
14 of the Federal Bureau of Investigation and other law enforcement
15 agencies, information from reports of a confidential informant
16 of the Federal Bureau of Investigation and other facts and
17 details which have been made known to me and which are explained
18 in the facts and circumstances in this affidavit, I am familiar
19 with all facts and circumstances of the offenses.

20 ULTIMATE FACTS TO BE SHOWN

21 Based on this familiarity, I allege that the facts
22 contained in the following paragraph show:

23 There is probable cause to believe that [REDACTED]
24 [REDACTED] William Taylor Harris, Emily Montague Harris, and
25 Patricia Campbell Hearst and others, as yet unknown, have
26 committed and are committing all or some of the offenses
27 enumerated above.

28 There is probable cause to believe that particular
29 oral communications concerning these offenses will be obtained
30 through the interception of oral communications between [REDACTED]
31 [REDACTED] and others taking place in [REDACTED]
32 [REDACTED] California, herein described, authorization

for which is applied for in the application associated with this affidavit and to which this affidavit is attached.

It will be shown, there is reason to believe that [redacted] and others are conspiring and acting as accessories after the fact in regard to kidnaping, extortion and other offenses enumerated above. Further, there is probable cause to believe that their conversations will include evidence of their conspiracy and their guilt as accessories. [redacted]

[redacted] The electronic surveillance requested here is for the purpose of obtaining admissible evidence of their guilt.

Normal investigative procedures reasonably appear unlikely to succeed and exhaustive efforts to date have been unsuccessful in locating William Taylor Harris, Emily Montague Harris, and Patricia Campbell Hearst the wanted members of the Symbionese Liberation Army.

There is probable cause to believe that the premises referred to herein are being used in carrying out the offenses previously detailed.

8
9 FACTS AND CIRCUMSTANCES

10
11 A review of the files of the Los Angeles Office
12 of the Federal Bureau of Investigation by affiant reveals that
13 the following information was developed through investigation
14 by agents of the Los Angeles and San Francisco field offices:

15 On November 6, 1973, Marcus Foster, Superintendent
16 of Schools, Oakland, California, and his assistant, Robert W.
17 Blackburn, were ambushed. Foster was killed and Blackburn wounded.

18
19
20
21

1 Shortly after the ambush (17 hours later) a Berkeley radio station
2 received a letter from a group calling itself the Symbionese
3 Liberation Army. In that communication the group said it had been
4 responsible for the killing of Dr. Foster and that the attack had
5 been ordered by "the People's Court." The letter also said that
6 the execution had been by cyanide bullets. A day later, the
7 Alameda County Coroner's Office confirmed that Dr. Foster had been
8 shot with bullets that contained cyanide, therefore, confirming
9 the Symbionese Liberation Army claim of responsibility which was
10 unknown to anyone else other than the sender of the letter.

11 On January 10, 1974, Russell Little and Joseph Ramirez
12 were arrested by the Concord, California Police Department in
13 Contra Costa County, California, for assault on a police officer
14 that day. Thereafter, they were charged with the hereinbefore
15 described murder of Marcus Foster and are currently pending
16 prosecution in State Court, Alameda County, California.

17 On January 10, 1974, the former residence of Nancy
18 Ling Perry, located at 1560 Sutherland Court, Clayton, California,
19 was burned and a warrant issued by Contra Costa County authorities
20 charging Perry with arson is outstanding. In the residence
21 material was located by the fire department describing the
22 Symbionese Liberation Army, its goals, tactics, structure, etc.

23 On February 4, 1974, Patricia Campbell Hearst was
24 abducted by two unidentified Negro males and an unidentified white
25 female from Apartment 4, 2605 Sanvenue, Berkeley, California.

26 On February 7, 1974, Randolph A. Hearst, Hillsborough,
27 California, father of Patricia Hearst, advised that on February 7,
28 1974, a letter and envelope, which was addressed to KPFA Radio
29 Station, News Department, 2207 Shattuck Avenue, Berkeley,
30 California, and postmarked Berkeley, California, February 6, 1974,
31 and containing a return address of 5 Sandringham Road, Piedmont,
32 California, was received by him.

1 Also received by Mr. Hearst was a Mobil Credit Card
2 in his name, Number 8132599823, which was also contained in the
3 aforementioned envelope.

4 This letter is typewritten and reads as follows:

5 "SYMBIONESE LIBERATION ARMY

14 "On the afore stated date, combat elements of the United
15 Federated Forces of The Symbionese Liberation Army armed with
16 cyanide loaded weapons served an arrest warrant upon Patricia
17 Campbell Hearst.

18 "It is the order of this court that the subject be arrested by
19 combat units and removed to a protective area of safety and only
20 upon completion of this condition to notify Unit #4 to give

22 "It is the directive of this court that during this action ONLY,

17 "DEATH TO THE FASCIST INSECT THAT
18 PREYS UPON THE LIFE OF THE PEOPLE"

19 Thereafter, numerous tape recordings were received
20 by Mr. Hearst through various individuals and organizations from
21 individuals identifying themselves as Patricia C. Hearst, General
22 Field Marshal Cinque and other members of the Symbionese
23 Liberation Army. An example of one of these tape records which
24 was directed to Mr. Hearst was received by Radio Station KFFA,
25 Berkeley, California, during the morning of February 12, 1974.
26 Portions of this tape recording are as follows:

1 First Male Voice: "To those who bear the hopes and future of our
2 people, let the voice of their guns express the words of
3 freedom. Greetings to the people and fellow comrades, brothers
4 and sisters: My name is Cinque (phonetic) and to my comrades
5 I am known as Cin. I am a black man and a representative of
6 black people. I hold the rank of General Field Marshal in
7 the United Federated Forces of the Symbionese Liberation
8 Army. Today I have received an order from the Symbionese War
9 Council, the Court of the People, to the effect that I am
10 ordered to convey the following message in behalf of the SLA
11 and to insert a taped word of comfort and verification that
12 Patricia Campbell Hearst is alive and safe. The Symbionese
13 Liberation Army is the Federated Union of military political
14 elements of many different liberation struggles and of many
15 different races. Our unified purpose is to liberate the
16 oppressed people around the world in their struggle against
17 fascist imperialism and the robbery of their freedom and
18 homeland. Since this is the purpose and goal of the SLA, it
19 is therefore clear to us, as it will be to all the oppressed
20 people, that our interest is to serve and defend the people
21 and not ourselves, since the people shall always come first
22 in our hearts and souls. The SLA has arrested the subject
23 for the crimes that her mother and father have, through their
24 notions, committed against us, the American people, and the
25 oppressed people of the world."

26 "....for these acts and others, the Court of the People
27
28
29
30

1 hold the Hearst family accountable for their crimes and hold
2 that they are enemies of the people.

3 "We, of the Symbionese Liberation Army, hold that the
4 Hearst Corporation and the Hearst family, and the Board of
5 Regents as well, as the corporate states that they support
6 and aid are enemies of the people, and as much, that the
7 people have a legal and human right and duty to attack said
8 enemy, according to the forms of war taken by the oppressed
9 people against any enemy or murderer and oppressor, to gain
10 their freedom and liberty and to give life to their children
11 and people."

12 Affiant states further that a review of the files of
13 the Federal Bureau of Investigation, by him, revealed that the
14 transcription of the tape referred to above was listened to on
15 February 14, 1974, by Catherine Hearst, mother of Patricia Hearst,
16 and Phoebe Cook, Virginia Bosworth, Vicki Hearst, sisters of
17 Patricia Hearst, and Steven Weed, fiancé of Patricia Campbell
18 Hearst addressing her mother and father and telling them that she
19 is being held a prisoner by the Symbionese Liberation Army.

20 As a condition of Patricia C. Hearst's release, the
21 Symbionese Liberation Army demanded Randolph A. Hearst to provide
22 free food to people in specified areas of California. In
23 compliance with this demand, Mr. Hearst has provided approximately
24 two million dollars (\$2,000,000.00) in free food to the people in
25 the areas specified. The Symbionese Liberation Army later claimed
26 this was inadequate.

1 During the afternoon of May 16, 1974, a white male
2 was the subject of a shoplifting incident at Mel's Sporting Goods
3 Store, Inglewood, California. At the time of his attempted
4 apprehension by an employee of that store, he was accompanied by
5 a female. Arrest was not effected at that time inasmuch as a
6 volley of gunfire was fired into the store front by a third person.

7 Shortly thereafter, at approximately 7:00 p.m.,
8 May 16, 1974, Tom Dean Matthews was kidnaped from his residence,
9 Inglewood, California, by two Caucasian females and one Caucasian
10 male. [REDACTED] subsequently was shown photographs by an agent of
11 the Federal Bureau of Investigation on May 18, 1974, of
12 approximately 18 individuals, including photographs of Emily Harris,
13 William Harris and Patricia Hearst. [REDACTED] identified these
14 three photographs as being identical with the three individuals who
15 kidnaped him. Shortly after he was kidnaped, William Taylor Harris
16 asked [REDACTED], "Do you know who this is?" referring to a second
17 Caucasian female. This is "Tania, you probably know who she is."
18 [REDACTED] said that during the following 12 hours during which he was
19 a kidnap victim, he was told by Patricia Campbell Hearst that she
20 had not been a willing kidnap victim but had since learned to
21 accept the Symbionese Liberation Army ways because of the actions
22 of her father. Patricia Hearst told [REDACTED] that the Symbionese
23 Liberation Army, including herself, were disappointed with the
24 food distribution in the Bay Area and added that her father had not
25 done everything possible to get her back. [REDACTED] questioned
26 William Taylor Harris by asking, "What is the SLA really trying
27 to do?" and he replied, "They wanted to overthrow the Government."
28

31

1 "The Government had already been overthrown with the assassination
2 of President Kennedy." [REDACTED] continued, "Why did you rob the
3 bank?" Harris replied that they needed the money and continued,
4 "They declared war on the United States and were carrying on
5 guerilla warfare to achieve this purpose."

On May 17, 1974, a shootout took place between alleged members of the Symbionese Liberation Army and officers of the Los Angeles Police Department and agents of the Federal Bureau of Investigation at 1466 East 54th Street, Los Angeles, California. As a result of this confrontation, six bodies were recovered from the residence which had been destroyed by fire. These bodies have been identified as Donald David McFuzz, Nancy Ling Perry, Patricia ^{Monique} ~~Monique~~ Boltynik, Angela Atwood, Camille C. Hall and William Linton Wolfe. Under the body of Angela Atwood a partially burned piece of paper was discovered by officers of the Los Angeles Police Department.

In addition several pipe bombs and other explosive devices such as blasting caps were found in the house in which the bodies were recovered.

1 REAL INVESTIGATIVE PROCEDURES REASONABLE

2 APPEAR UNLIKELY TO SUCCEED

3 Real investigative procedures appear unlikely to
4 further develop information regarding the location of William
5 Taylor Harris, Emily Montague Harris, and Patricia Campbell Hearst
6 and other members of the Symbionese Liberation Army who are hiding
7 to avoid arrest. These investigative techniques have included
8 attempts to locate former associates of the Harrises and Patricia
9 Campbell Hearst and other associates of the now deceased members
10 of the Symbionese Liberation Army. Efforts to locate some of
11 these persons prior associates have met with negative results in
12 most cases. In other instances, where prior associates are
13 located, they have, through their attorneys, advised the Federal
14 Bureau of Investigation that they did not wish to become involved
15 and that no further efforts should be made to attempt to contact
16 them. In regard to surveillance by Bureau agents of individuals
17 and locations believed to have some connection with the Symbionese
18 Liberation Army members or associates, these too have met with
19 negative results. Some of the locations surveilled have been
20 avoided by persons who would normally frequent these locations,
21 and the people who live in the surveilled neighborhoods are
22 generally known to each other and sensitive to law enforcement
23 operations. The intrusions of strangers where these individuals
24 reside has caused comment and rapid publicity.

25 The continued use of the informant is limited in
26 effectiveness since the informant has made every effort to learn
27 the location of Patricia Campbell Hearst, William Taylor Harris,
28
29
30
31
32

1 and Emily Montague Harris and other members of the Symbionese
2 Liberation Army and their intermediaries. Repeated efforts by
3 [REDACTED]
4 who are associates of William Taylor Harris, Emily Montague Harris
5 and Patricia Campbell Hearst has not disclosed to date to the
6 informant [REDACTED]
7 communicating with William Taylor Harris, Emily Montague Harris,
8 and Patricia Campbell Hearst and other members of the Symbionese
9 Liberation Army.

10 In addition to the aforementioned investigative
11 techniques, it is pointed out that during an interview of [REDACTED]
12 [REDACTED] she declined to comment upon her
13 knowledge of the Harrises or Patricia Campbell Hearst. [REDACTED]
14 [REDACTED]
15 [REDACTED]

16 [REDACTED] This fear is based upon the nature of
17 acts believed to have been committed by the Symbionese Liberation
18 Army members; such as, use of automatic weapons and shooting
19 elderly people in the commission of a bank robbery, issuance of
20 death warrants against persons suspected of assisting the Federal
21 Bureau of Investigation or law enforcement, and numerous other
22 acts and statements by the Symbionese Liberation Army.

23 CONCLUSION

24 Based on the facts related above and my experience
25 as a Special Agent of the Federal Bureau of Investigation for the
26 past four and one-half years, I believe the above facts meet the
27
28
29

standards for probable cause required by Title 18, United States Code, Section 2518 (3).

OTHER APPLICATIONS

No other application is known to have been made to any judge for authorization to intercept or for approval of interception of wire or oral communication involving any of the same persons, facilities or places specified herein.

TECHNICAL ASSISTANCE

Pursuant to provisions of Section 2518 (4) of Title 18, United States Code, the court may, pursuant to a request of the applicant, direct that a communications common carrier, landlord, custodian or other person shall furnish the applicant forthwith all information, facilities and technical assistance necessary to accomplish the interception unobtrusively. Expenses necessarily incurred pursuant to this authority will be processed for payment by the Federal Bureau of Investigation and the United States Government.

CONTINUING NATURE OF OFFENSE

Based on the facts set forth herein, it is believed that the activity to be electronically intercepted pursuant to the Court's Order represents a continuing criminal conspiracy or enterprise and that the evidence sought will be obtained on a continuing basis on a number of days following the first receipt of the particular communications which are the object of the application in this case. In order to detect all of the individuals who are expected to be involved, interception for several weeks will be required. Therefore, it is requested that

1 these interceptions not automatically terminate when the
2 described type of communications sought are first obtained, but
3 that this authority to intercept continues for a reasonable time
4 thereafter not to exceed a total of thirty (30) days from the
5 date of the Court's Order. As long as William Taylor Harris,
6 Daily Montague Harris and Patricia Campbell Hearst are at large,
7 there is clear and present danger to individuals and society
8 based on the organization's expressed goals and aforementioned
9 performances.

Property seized by the Federal Government or otherwise in its possession for evidentiary or for forfeiture purposes is generally considered to come within the meaning of Title 18 USC § 641. Even though the United States may not be the owner of the material, while it holds the property it has a bailee relationship giving the Government a proprietary interest.

Certainly that interest would extend to the copy of the film in the FBI's actual possession. There are insufficient facts available to determine if the one copy left in the possession of the [REDACTED] would come within the statute. Basically, if the original exposed film was turned over to the FBI and we delivered it to a private firm for processing, duplicate copies made or retained by that company could constitute an embezzlement within the meaning of the statute since

Legal Counsel
Room 5640, Ext. 2676

OVER

we had a proprietary right in the original film. If the bank delivered the film or if the police delivered the film, the FBI would have had no proprietary right and accordingly, the statute would not apply. Under the latter circumstances our proprietary right would cover only that film in our actual possession.

Certainly, if an employee of the [REDACTED] duplicated the film and attempted to sell it for \$20,000 there would be local violations involved -- probably embezzlement.

At this stage we are becoming involved in First Amendment rights with regard to possible purchasers of the film. I am sure that we would have a very tough time in making a case against members of the news media. If we develop information that someone actually profits from this scheme there might be reason to pursue an investigation and a potential prosecution against that individual but we tend to agree at this stage we may be making too much of this incident. From our standpoint, it does not appear that the Bureau or our investigation would be harmed by running the film on TV. If it is actually run, we can then take whatever action is necessary against the individuals who may have profited illegally from the theft.

Emily's dad put FBI onto SLA

By Art Petacque and Hugh Hough
Copyright, 1974, Field Enterprises Inc.

A phone call to the Chicago office of the FBI put investigators on the trail of members of the Symbionese Liberation Army less than 24 hours after the Feb. 4 kidnaping of Patricia Hearst. The Sun-Times learned Saturday.

The call came from Frederick W. Schwartz of suburban Clarendon Hills, who had a "gut feeling" that his daughter and son-in-law, Emily and William Harris, were involved in the kidnaping plot and reported them as suspects.

The phone call gave Federal Bureau of Investigation agents an early start toward the eventual identification of the Harrises and fellow SLA terrorists as participants in the plot.

The previously untold story of how a disturbed father felt duty-bound to report his suspicions was gained by this newspaper in interviews with Schwartz and sources close to the kidnaping investigation.

A nationwide hunt is continuing for Miss Hearst, 20, and the Harris couple, the last known SLA fugitives. Six other members of the terrorist group died May 17 of bullet wounds or burns in a flaming Los Angeles hideout that was encircled by police.

Schwartz said he made the phone call here because he had received a letter from his California-based daughter in early February that indicated her "complete life style had changed."

Schwartz, an engineering consultant and village trustee in Clarendon Hills, described the letter as personal and declined to show it to a reporter.

He said there was nothing specific in the letter about a kidnaping, about the SLA, or about Donald D. DeFreeze, an

acknowledged SLA leader, and the others who surfaced later as colleagues of the Harris couple.

But he said the "broad sense" of the letter was such that he thought he should notify authorities about the possibility the Harrises were involved in the kidnaping plot.

Another source recalled that, in the letter, Mrs. Harris spoke of being "on a mission to rebuild society."

So on Feb. 5 Schwartz called FBI Special Agent Vincent Inserra, head of the organized-crime squad in the Chicago FBI office.

Schwartz said he was advised by a mutual friend that Inserra was a top investigator and would lend a sympathetic ear to anything he might have to say.

Inserra, in turn, passed the information on to Special Agent

Kenneth Grant, head of the kidnaping squad here. After a conference with Richard G. Held, agent in charge of the Chicago office, and his two top assistants, John W. O'Rourke and Hunter E. Helgeson, the FBI wheels began turning.

The information on the Harrises was forwarded to key offices in the bureau, including the one in San Francisco, where Charles W. Bates, the agent in charge there, was co-ordinating the search for Miss Hearst and her captors.

Background checks were made on the Harrises. That led agents to Indiana University in Bloomington, Ind., where they had studied and lived before moving to Oakland, Calif., late in 1972.

There, the agents learned that one of the Harrises' closest

How a father put FBI on SLA trail

Continued from Page 1

friends in Bloomington had been Angela Atwood, 25, a woman who, like the Harris, had moved to California and plunged into revolutionary Maoist activities in the Berkeley area. Miss Atwood was one of the six SLA members to die in the Los Angeles hide-out.

But it was in California that investigators turned up information that convinced them that Emily Harris, 27, and her 29-year-old husband were implicated in the Hearst kidnaping.

They discovered that Emily had abruptly quit her job as a clerk-typist at the University of California in Berkeley on Jan. 10. William also had gone underground on that date after working in the Oakland post office.

The date was significant. It was then that Joseph Remiro and Russell Little, both SLA members, were arrested and charged with the murder last Nov. 6 of Oakland School Supt. Marcus Foster.

After the SLA publicly claimed on Feb. 7 that it had engineered the kidnaping of the daughter of publishing magnate Randolph A. Hearst, the FBI compiled a list of Maoist radicals who had gone underground after the arrests of Remiro and Little.

In addition to the Harris, the list included the names of Miss Atwood; Nancy Ling Perry, 26; William Wolfe, 22; Patricia (Mizaud) Sotysik, 24, and Camilla Hall, 29, all white and with middle-class backgrounds.

Also on the list was the name of DeFreeze, 33, a black prison escapee.

All except the Harris were to die in the May 17 holocaust after eluding a tightening police dragnet for more than 100 days.

The investigation showed that in days prior to the kidnaping the Harris had frequented a rifle range in the Berkeley area, with most of the other SLA members, for target practice and that there had been frequent rap sessions on Maoist philosophy at an Oakland residence for activists called Peking House.

Investigation also indicated that the seeds of the SLA organization had been planted by DeFreeze, a street criminal and onetime police informer, during a prison term he served in Vacaville, Calif. As a leader of a prison group called the Black Culture Assn., DeFreeze drew to the prison for frequent visits a number of young white radicals from the Berkeley area.

DeFreeze served time at Vacaville from late 1969 until December, 1972, when he was transferred to Soledad prison. He escaped from Soledad on March 5, 1973, and gained refuge in the Berkeley area, where, investigators said, he, with the SLA cadre, masterminded the Hearst kidnaping.

Earlier, written pleas for DeFreeze's parole, based on his Black Culture Assn. work at Vacaville, were sent to California penal officials. Investigators said they were sent by Little and his sister Joan from the Peking House address.

As the search for Miss Hearst and the Harris couple continues, the father of Mrs. Harris still clings to the hope that she will surrender — preferably to him.

"I can see that the longer this thing goes on (the hunt for the fugitives), the more likely it is to end in more bloodshed," he said.

He said the FBI has been "at a time hand in its efforts to effect a peaceful surrender."

As for his initial call to the FBI, voiced by others later in February, Schwartz stressed that they were made out of no vindictive desire to land his daughter and her husband.

"I felt I had a duty to provide the FBI with this kind of lead," he said. "I didn't have a gut feeling about it."

Schwartz said he would, first, "as a parent with a great interest in his daughter's welfare."

Second, said Schwartz, he had come to realize that his ideology and that of his daughter and son-in-law were "completely different." He said he felt it was in society's best interest to attempt to get his daughter placed under "society's control."

Even before receiving the early February letter that prompted his call to the FBI, Schwartz had gained another indication of an abrupt change in Emily's life.

As disclosed previously, she wrote to her parents on Jan. 30 to report that she was "in love with a beautiful black man who's come over to me the nature of being black in this country."

It is said by investigators that the man was DeFreeze. She also wrote then that "Bill and I have changed our relationship so that it no longer confines us, and I am enjoying relationships with other men."

FBI Director Clarence M. Kelley, in an interview, praised investigative work that enabled his men to identify "a most elusive group of fugitives" involved in the Hearst kidnaping. Among those cited by Kelley were Bates and William A. Sullivan, an assistant FBI director in charge of the Los Angeles office, and the Chicago staffers Held, O'Rourke, Helgeson, Inserra and Grant.

"I am hopeful that we will soon have the last three fugitives in custody," Kelley added, as the hunt for them remains concentrated in the Los Angeles area.

PUBLISHED BY NEWS MEDIA INCLUDING THE NEW YORK TIMES
MAY 31, 1974, PAGE 30.

ARTICLE STATED THAT JOHNSON, AGE 18, RESIDED AT 1466 EAST 54TH
STREET WITH HIS MOTHER, CHRISTINE JOHNSON. THE ARTICLE STATED
THAT JOHNSON WAS ASKING FOR AND RECEIVING MONEY FROM THE
SIGHT-SEERS PRIOR TO THE FBI-LED CONFRONTATION AT THE 54TH STREET ADDRESS, HEARD OF
EVENING MAY 17, 1974, FROM THE RESIDENCE.

INVESTIGATION DISCLOSED CHRISTINE JOHNSON DOES NOT HAVE A SON
AND NOTHING WAS DEVELOPED TO INDICATE PATRICIA HEARST WAS AT
1466 EAST 54TH STREET PRIOR TO ARMED CONFRONTATION MAY 17, 1974.

INFO RECEIVED MAY 31, 1974, THAT ONE JAMES JOHNSON, SON OF
CHRISTINE JOHNSON, WAS CONDUCTING TOURS IN AREA OF 1466 EAST 54TH
STREET, EXPLAINING TO THE MANY SIGHT-SEERS HE SAW PATRICIA HEARST,
ETC. HE WAS ASKING FOR AND RECEIVING MONEY FROM THE SIGHT-SEERS.

THIS INDIVIDUAL LOCATED BY BUAGENTS AND BROUGHT TO LOS ANGELES

REAL NAME IS WALTER SEALS, AND ENTIRE STORY HE HAS GIVEN TO NEWS MEDIA
IS TOTAL AND COMPLETE FABRICATION. HE ADVISED THAT ON MAY 17, 1974,

SEALS ADVISED HE PURCHASED THE ITEMS AND DELIVERED THEM TO THE RESIDENCE 1466 EAST 54TH STREET. SEALS DID NOT ENTER THE HOUSE, BUT WAS MET AT THE DOOR BY CHRISTINE JOHNSON. HE RECEIVED A SMALL TIP AND RETURNED TO THE PARK. SEALS STATED THAT HE WAS NOT AWARE OF THE SLA'S PRESENCE IN THE NEIGHBORHOOD, NOR DID HE NOTICE ANYTHING UNUSUAL UNTIL THE RAID ON THE RESIDENCE. SEALS ADVISED THAT AFTER THE SHOOTOUT AND BECAUSE OF THE NUMEROUS SOUVENIR HUNTERS AND PUBLIC CURIOSITY, HE TOOK ON THE IDENTITY OF JAMES JOHNSON. AS JAMES JOHNSON, SEALS CLAIMED TO BE THE SON OF CRISTINE JOHNSON AND FABRICATED A STORY WHICH HE RELATED TO NUMEROUS REPRESENTATIVES OF THE NEWS MEDIA AND PASSERS-BY FOR A SMALL FEE. SEALS STATED THAT ALL OF THE INFO HE PROVIDED TO THE NEWS MEDIA AND THE GENERAL PUBLIC WAS FALSE. HE DECLINED TO ADVISE THE AMOUNT OF MONEY HE HAD MADE WITH HIS HOAX.

LATENT FINGERPRINT SECTION

FROM: SAC, SAN FRANCISCO (7-855)

SUBJECT: HEARNAP

Being forwarded under separate cover is a package containing four pieces of plaster from the west kitchen wall at 1627 Golden Gate Avenue, Apartment 6, San Francisco, containing the following statement which was not sufficiently readable that it could be photographed. This 18 line message commences "Everyday my rage grows fonder.....the enemy may be and she die in war." (H24).

Being forwarded AMSD are the following:

-A) 3" X 5" unlined sheet of white paper attached to a piece of cardboard which appears to be from a 3" X 5" tablet found in U.S. Government offices which contains the inked handwritten notation "Kerita Reynolds 64229." (F16D)

B) 8" X 10" photograph of a handprinted three line message from wall of Apartment 6. 8" X 10" photograph of message "Death to the.....of the people."

C) 8" X 10" photograph which contains four line message "Boots once read make good bullet-proofing."

D) 8" X 10" photograph containing four line message "Today the locust.....will be disemboweled Ho."

E) 8" X 10" photograph containing oriental symbol.

F) 8" X 10" photograph containing drawing of a five pointed star with the words "Tumpac amaru lives."

G) 8" X 10" photograph containing message "da da o mi."

H) Two 8" X 10" photographs of three messages:

- 1) "Freedom is the will of life Cin"
- 2) "Patria O Muerto Venceremos Tania"
- 3) "We will win"

I) Two 8" X 10" photographs of 14 line message "Warning! to the FBI.....happy hunting Charles."

For the information of the FBI Lab and Identification Division with the exception of the scrap of paper with the name Karita Reynolds, the above messages all appeared on the walls of the SLA "safe house" at 1827 Golden Gate Avenue, Apt. 6, San Francisco, and were photographed after the house was discovered on 5/2/74.

"Karita Reynolds 64229" refers to a Mrs. Karita Reynolds, nee Hall, Negro female, 34 years, Chicago, Illinois, whose husband was killed in the Vietnam War, and who is employed by the Post Office at San Francisco. The notation is not in her handwriting, she has been interviewed and is unable to offer any explanation concerning the notation. She is considered a reliable person with no known history of militant activity. She commenced employment at the USA's office in November, 1973 where her telephone is 556-4225. The notation "64229" is commonly used by persons employed or in a position to use the U.S. Government contrix system

SF 7-155
TJP/cad

where you can dial within the system using the last five digits. [REDACTED] first name was misspelled which would possibly indicate other than a close relationship with her and she denies any type of approach by any persons that might be an effort either to compromise her or to solicit information from her concerning her duties as a secretary to AUSAs handling criminal prosecutions. She is originally from Chicago, Illinois and during 1972 resided in Lakewood, Colorado.

EXAMINATIONS DESIRED

The FBI Lab is requested to examine the 3" X 5" piece of unlined paper and the cardboard backing to which it is attached for:

- a) indented writing
- b) photograph it
- c) compare handwriting on the pad with known specimens previously submitted in connection with the investigation of HEARNAP and the SLA

It is requested that the piece of paper be examined for latent fingerprints and that any latents that might be developed, be compared with known prints of members or suspected members of the SLA or persons involved in HEARNAP.

The FBI Lab is requested in connection with the piece of plaster to photograph the latter and to compare it along with the eight different 8" X 10" photographs in an effort to identify the number of persons involved in placing the messages on the wall and to thereafter compare the handprinting and handwriting in those messages with the known handwriting and handprinting for members of the SLA or persons involved in HEARNAP. Appreciating that photographs being submitted are not of outstanding quality, particular interest is in the messages signed TANIA (name used by PATRICIA HEARST) and CTH (DONALD DAVID DE FREZZE).

SF 7-255

TJR/cad

The pieces of plaster and the 3" X 5" piece of paper with cardboard backing are evidence and after the examination is complete, it is requested that they be returned to San Francisco along with the results of the examination. The 8" X 10" photographs should be retained in the FBI Lab for possible comparison with other documents that might be received at some subsequent date relating to the SLA or HEARNAP.

LEAD:

CHICAGO

AT CHICAGO, ILLINOIS: Will search indices and conduct [redacted] criminal checks concerning BARITA REYNOLDS, nee Hall, Negro female, DOB [redacted]. No other action is desired at this time.

DENVER

AT DENVER, COLORADO: Will check indices and conduct [redacted] criminal checks in agencies covering Lakewood, Colorado, where BARITA REYNOLDS, nee Hall, resided in 1972.

SAN FRANCISCO

AT SAN FRANCISCO, CALIFORNIA: Will continue efforts to obtain photographic copies of other messages "our bruised laughter.....commitment of war" and "dedicated to childhood-~~and~~," and "to load a gun with a magazine of dreams..... from a magazine of steel" and forward to FBI Lab for appropriate examination.

- Q1078 Pieces of plaster obtained from kitchen wall at 1827 Golden Gate Avenue, Apartment 6, San Francisco, bearing written notations
- Q1079 Piece of cardboard bearing handwritten notation "Gafita Reynolds 64229"
- Qc1080 Photograph of hand printed message on wall of apartment beginning "Death to the ..."

- Qc1087 Two photographs of hand printed message on wall of apartment beginning "There are a ..."

Result of examination:

The conclusion was reached that the majority of the questioned writing on Q1078 was prepared by NANCY LING PERRY, purported writer of Kc4, K10, K13, K22 and K31.

A definite conclusion was not reached whether the questioned writing on Q1079 through Qc1087 was prepared by any of the writers of known or purported known writing on items submitted in this case and in case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM" due to the lack of distinctive writing characteristics, the lack of sufficiently comparable writing and the presence of unexplained variations, however, some handwriting similarities were observed in comparing the written notation "Patria D Muerte Vinceremos Tania" on Qc1086 with the purported writing of PATRICIA CAMPBELL HEARST on K32 which indicates this notation may have been written by HEARST. Also, handwriting similarities were observed in comparing the written notation "Freedom is the will of life Cin" on Qc1086 with purported writing of DONALD DAVID DE FREEZE, K12, K21, K24 and K29, previously submitted in this case, which indicates this notation may have been prepared by DE FREEZE.

A definite conclusion was not reached as to the number of writers involved in the preparation of the questioned writing on the submitted items due to the lack of sufficiently comparable writing, the presence of unexplained variations and the lack of significant writing characteristics.

Some indented writing was observed on Q1079. however, this indented writing was not legible.

Q1078 is being returned under separate cover.
Q1079 is being temporarily retained. Qc1080 through Qc1087 are retained. Appropriate photographs were made.

Q1078 Being forwarded under separate cover is a package containing four pieces of plaster from the west kitchen wall at 1827 Golden Gate Avenue, Apartment 6, San Francisco, containing the following statement which was not sufficiently readable that it could be photographed. This 18 line message commences "Everyday my rage grows fonder.....the enemy may live and she die in war." (U24).

Being forwarded AMSD are the following:

Q1079 A) 3" X 5" unlined sheet of white paper attached to a piece of cardboard which appears to be from a 3" X 5" tablet found in U.S. Government offices which contains the inked handwritten notation "██████████ 64229." (F109)

Q1080 B) 8" X 10" photograph of a handprinted three line message from wall of Apartment 6. 8" X 10" photograph of message "Death to the.....of the people."

Qc 1081 C) 8" X 10" photograph which contains four line message "Books once read make good bullet-proofing."

Qc 1082 D) 8" X 10" photograph containing four line message "Today the locust.....will be disemboweled Ho."

Qc 1083 E) 8" X 10" photograph containing oriental symbol.

Qc 1084 F) 8" X 10" photograph containing drawing of a five pointed star with the words "Tumpac amaru lives."

Qc 1085 G) 8" X 10" photograph containing message "da da o mi."

Qc 1086 H) Two 8" X 10" photographs of three messages:

- 1) "Freedom is the will of life Cin"
- 2) "Petria O Muecte Venceremos Tania"
- 3) "We will win"

Qc 1087 I) Two 8" X 10" photographs of 14 line message "Warning: to the FBI.....happy hunting Charles."

For the information of the FBI Lab and Identification Division with the exception of the scrap of paper with the name Karita Reynolds, the above messages all appeared on the walls of the SLA "safe house" at 1234 G Street Avenue, Apt. 6, San Francisco, and were photographed after the house was discovered on 5/2/74.

"Karita Reynolds 64229" refers to a Mrs. CARITA REYNOLDS neo HALL, Negro female, whose husband was killed in the Vietnam War, and who is employed by the USA's office at San Francisco. The notation is not in her handwriting, she has been interviewed and is unable to offer any explanation concerning the notation. She is considered a reliable person with no known history of militant activity. She commenced employment at the USA's office in November, 1973 where her telephone is 556-4229. The notation "64229" is commonly used by persons employed or in a position to use the U.S. Government contrivances.

SF 7-855

where you can dial within the system using the last five digits. 'REYNOLDS' first name was misspelled which would possibly indicate other than a close relationship with her and she denies any type of approach by any persons that might be an effort either to compromise her or to solicit information from her concerning her duties as a secretary to AUSAS handling criminal prosecutions. She is originally from [REDACTED]

EXAMINATIONS DESIRED

The FBI Lab is requested to examine the 3" X 5" piece of unlined paper and the cardboard backing to which it is attached for:

- a) indented writing
- b) photograph it
- c) compare handwriting on the pad with known specimens previously submitted in connection with the investigation of HEARNAP and the SLA

It is requested that the piece of paper be examined for latent fingerprints and that any latents that might be developed, be compared with known prints of members or suspected members of the SLA or persons involved in HEARNAP.

The FBI Lab is requested in connection with the piece of plaster to photograph the latter and to compare it along with the eight different 8" X 10" photographs in an effort to identify the number of persons involved in placing the messages on the wall and to thereafter compare the handprinting and handwriting in these messages with the known handwriting and handprinting for members of the SLA or persons involved in HEARNAP. Appreciating that photographs being submitted are not of outstanding quality, particular interest is in the messages signed TANIA (name used by PATRICIA HEARST) and CIN (DONALD DAVID DE FREEZE).

SF 7-855

TJP/cad

The pieces of plaster and the 3" X 5" piece of paper with cardboard backing are evidence and after the examination is complete, it is requested that they be returned to San Francisco along with the results of the examination. The 8" X 10" photographs should be retained in the FBI Lab for possible comparison with other documents that might be received at some subsequent date relating to the SLA or HEARNAP.

TO : MR. JENKINS *TJS*

DATE: 5/1/74

FROM : R. R. FRANCK *RFR/gfb*

SUBJECT: HEARNAP

As a consequence of the Director's telephone conversation with Mr. John Miller, Executive Vice President, Hearst Corporation yesterday afternoon, Mr. Miller has now submitted a list of 7 questions which he would like to pose of the Bureau in connection with the matter of a confidential reward for information which would bring this case to a successful conclusion.

In this regard, John Clements, Washington representative of Hearst, stopped by my office at 3 p.m. this afternoon and posed the questions. They are as follows:

- (1) In connection with a reward, what would be a useful amount of money?
- (2) Where should the money be deposited and in whose name?
- (3) Is it intended that the money go to a number of people or in one piece to the FBI?
- (4) Who will make the payments and in what way?
- (5) Would it be agreeable that whatever monies of the reward are left at the end of 30 days will be returned to Hearst?
- (6) Because of the tax situation, would the Hearst Corporation get any sort of receipt to support this disbursement of funds?
- (7) Should there be any restrictions by Hearst or the FBI on payment of reward money. *REC-100*

The proposed answers to the foregoing questions have been discussed and coordinated with Assistant Director Gebhardt and we feel that the Bureau should respond to Mr. Miller as follows:

- 1 - Mr. Gebhardt
- 1 - Mr. Franck
- 1 - Telephone Room
- 1 - Mrs. Metcalf

FRANCK TO JENKINS MEMO (continued)
Re: HEARNAP

(1) The amount of money to be offered as a reward should be sufficient to induce the desired response from an informant or a citizen in terms of providing information necessary to bring this case to a logical conclusion. The figures \$100,000 and \$250,000 have been discussed; however, the amount of the reward is the decision of the Hearst Corporation, not the FBI.

*No more than \$100,000 NBT
upto \$250,000 if necessary at later date*
(2) With respect to question #2, it should be pointed out to Mr. Miller that while the Hearst Corporation, if deemed desirable, might wish to place the reward money in escrow, that would be their decision and not the province of the FBI.

(3) and (4) In response to questions 3 & 4, it should be pointed out to Mr. Miller that the distribution of the funds for the reward would be made by them or persons designated by them based on information we would supply as to the participation or information obtained from an informant which resulted in the solution of the case. It is essential that it be made crystal clear that under no circumstances will the FBI enter into any negotiations regarding the distribution of the "reward" funds but only furnish the necessary information to the appropriate persons designated by the Hearst Corporation to adjudicate its disbursement.

(5) In response to question #5, it should be pointed out to Mr. Miller that it would be intended that the reward money would always be in control of the Hearst Corporation, never the FBI.

(6) With regard to question #6 which raises the issue of the tax situation, appropriate documentation from the FBI certainly could be afforded to cover this contingency following the payment of a reward.

(7) With respect to question #7 relating to restrictions by Hearst or the FBI on payments of reward money, the Hearst Corporation would have to decide precisely what the conditions should be for payment, that is, whether it should be merely for the location of subjects, the apprehension of subjects, the conviction of subjects, the safe return of Patricia Hearst or a combination of all four. It is strongly felt that the confidential reward, if decided upon by the Hearst Corporation, should not be made public until the FBI has had sufficient opportunity and is given sufficient latitude to bring the availability of such a reward to logical sources determined by its San Francisco Office in an effort to solve this case. This procedure will, of course, be expedited and if all possibilities are exhausted in a negative manner, the offer of the reward should then be made public through the news media.

~~John~~ Clements, Hearst representative, Washington, D.C., called this morning to advise that he flew to New York on the evening of 5/1/74 to deliver the answers to the questions posed of the Bureau (copy attached) by John Miller, Executive Vice President, Hearst Corporation, with respect to the possibility of a reward being offered in connection with this case.

Clements indicated he stayed in New York 5/2/74; however, returned to Washington late in the evening since a decision has yet to be reached by the Board of Directors and the Hearst family with respect to a reward. He said he would keep us advised of all developments in this regard.

**REWARD FOR SAFE RETURN OF
PATRICIA CAMPBELL HEARST**

1. In connection with a reward, what would be a useful amount of money?

The amount of money to be offered as a reward should be sufficient to induce the desired response from an informant or a citizen in terms of providing information necessary to bring this case to a logical conclusion. It is suggested that not more than \$100,000 be offered initially; if necessary, up to \$250,000 at a later date should the initial \$100,000 not prove to be a strong enough inducement.

2. Where should the money be deposited and in whose name?

The Hearst Corporation, if deemed desirable, may wish to place the reward money in escrow; however, this decision must rest solely with the Hearst Corporation.

3. Is it intended that the money go to a number of people or in one piece to the FBI? Who will make the payments and in what way?

The distribution of the funds for the reward would be made by the Hearst Corporation or persons designated by them based on information supplied by police authorities as to the participation or information obtained from an informant which resulted in the solution of the case. It is understood that under no circumstances will the FBI enter into any negotiations regarding the distribution of the "reward" funds but would only furnish the necessary information to the appropriate persons designated by the Hearst Corporation to adjudicate its disbursement.

4. Would it be agreeable that whatever monies of the reward are left at the end of 30 days will be returned to Hearst?

The reward money would always be in control of the Hearst Corporation, never the FBI.

7-15200 2214

5. Because of the tax situation, would the Hearst Corporation get any sort of receipt to support this disbursement of funds?

Appropriate documentation from the FBI, it is understood, could be afforded covering this contingency following the payment of a reward.

6. Should there be any restrictions by Hearst or the FBI on payment of reward money?

The Hearst Corporation would have to decide precisely what the conditions should be for payment, that is, whether it should be merely for the location of subjects, the apprehension of subjects, the conviction of subjects, the safe return of Patricia Hearst, or a combination of all four. It is strongly felt that the confidential reward if decided upon by the Hearst Corporation, should not be made public until the FBI has had sufficient opportunity and is given sufficient latitude to bring the availability of such a reward to logical sources determined by its San Francisco office in an effort to solve this case. This procedure will, of course, be expedited and if all possibilities are exhausted in a negative manner, the offer of the reward should then be made public through the news media.

SECTION

Enclosed for the Latent Fingerprint Section are two latent fingerprint lifts and two negatives of photographs of same.

For the information of the Latent Fingerprint Section, on 5/25/74, information was received at the Los Angeles FBI Office that two attendants at a gasoline station in Lawndale, California, and a third person at the station had observed on 5/20/74, or 5/21/74, a white over yellow orange Volkswagen van bearing possible California license 151 G--. Van driven by white male with white female in the passenger seat and second white female sitting in the rear. Female in passenger seat used women's room while gasoline was being pumped into van. Gas paid for by cash by white male driver. The three persons interviewed at the station identified a spread of photographs of EMILY HARRIS as the female who used the women's room and also identified spreads of WILLIAM HARRIS and PATRICIA HEARST as other occupants of the van. Metal key holder and key to women's restroom obtained and processed for latent prints with two latents of possible value obtained.

The latent fingerprint section is requested to compare enclosures with known and purported prints of EMILY HARRIS and PATRICIA HEARST for identification purposes.

Following comparison of the above request, the enclosures should be returned to Los Angeles.

6 I am an "Investigative or Law Enforcement Officer
7 of the United States" within the meaning of Section 2510 (7) of
8 Title 18, United States Code. That is, I am an officer of the
9 United States who is empowered by law to conduct investigations
10 of and make arrests for offenses enumerated in Section 2516 of
11 Title 18, United States Code. I have personally participated in
12 the investigation of these offenses and have supervised activities
13 of other agents who have furnished information to me in this
14 investigation. Because of my personal participation in this
15 investigation and because of reports made to me by other agents
16 of the Federal Bureau of Investigation and other law enforcement
17 agencies, information from reports of a confidential informant
18 of the Federal Bureau of Investigation and other facts and
19 details which have been made known to me and which are explained
20 in the facts and circumstances in this affidavit, I am familiar
21 with all facts and circumstances of the offenses.

22 ULTIMATE FACTS TO BE SHOWN

23 Based on this familiarity, I allege that the facts
24 contained in the following paragraph show:

25 There is probable cause to believe that [REDACTED]
26 [REDACTED] William Taylor Harris, Emily Montague Harris, and
27 Patricia Campbell Hearst and others, as yet unknown, have
28 committed and are committing all or some of the offenses
29 enumerated above.

30 There is probable cause to believe that particular

4 affidavit and to which this affidavit is attached.

5 As will be shown, there is reason to believe that
6 [REDACTED] and others are conspiring and acting as accessories
7 after the fact in regard to kidnaping, extortion and other offenses
8 enumerated above. Further, there is probable cause to believe that
9 their conversations will include evidence of their conspiracy and
10 their guilt as accessories. [REDACTED]
11 [REDACTED]

12 [REDACTED] The electronic surveillance requested here is for the
13 purpose of obtaining admissible evidence of their guilt.

14 Normal investigative procedures reasonably appear
15 unlikely to succeed and exhaustive efforts to date have been
16 unsuccessful in locating William Taylor Harris, Emily Montague
17 Harris, and Patricia Campbell Hearst, the wanted members of the
18 Symbionese Liberation Army.

19 There is probable cause to believe that the
20 premises referred to herein are being used in carrying out the
21 offenses previously detailed.

11 This investigation also shows that Emily Harris
12 and William Harris were married on November 24, 1971 at Bloomington,
13 Indiana. William Harris has no known arrest record;
14 however, Emily Harris was convicted on June 26, 1973 of a

8
9 FACTS AND CIRCUMSTANCES

10
11 A review of the files of the Los Angeles Office
12 of the Federal Bureau of Investigation by affiant reveals that
13 the following information was developed through investigation
14 by agents of the Los Angeles and San Francisco field offices:

15 On November 6, 1973, Marcus Foster, Superintendent
16 of Schools, Oakland, California, and his assistant, Robert W.
17 Blackman, were ambushed. Foster was killed and Blackman wounded

1 Shortly after the ambush (17 hours later) a Berkeley radio station
2 received a letter from a group calling itself the Symbionese
3 Liberation Army. In that communication the group said it had been
4 responsible for the killing of Dr. Foster and that the attack had
5 been ordered by "the People's Court." The letter also said that
6 the execution had been by cyanide bullets. A day later, the
7 Alameda County Coroner's Office confirmed that Dr. Foster had been
8 shot with bullets that contained cyanide, therefore, confirming
9 the Symbionese Liberation Army claim of responsibility which was
10 unknown to anyone else other than the sender of the letter.

11 On January 10, 1974, Russell Little and Joseph Remir
12 were arrested by the Concord, California Police Department in
13 Contra Costa County, California, for assault on a police officer
14 that day. Thereafter, they were charged with the hereinbefore
15 described murder of Marcus Foster and are currently pending
16 prosecution in State Court, Alameda County, California.

17 On January 10, 1974, the former residence of Nancy
18 Ling Perry, located at 1560 Sutherland Court, Clayton, California,
19 was burned and a warrant issued by Contra Costa County authorities
20 charging Perry with arson is outstanding. In the residence
21 material was located by the fire department describing the
22 Symbionese Liberation Army, its goals, tactics, structure, etc.

23 On February 4, 1974, Patricia Campbell Hearst was
24 abducted by two unidentified Negro males and an unidentified white
25 female from Apartment 4, 2603 Benvenue, Berkeley, California.

26 On February 7, 1974, Randolph A. Hearst, Hillsborough
27 California, father of Patricia Hearst, advised that on February 7,
28 1974, a letter and envelope, which was addressed to KPFA Radio
29 Station, News Department, 2207 Shattuck Avenue, Berkeley,
30 California, and postmarked Berkeley, California, February 6, 1974,
31 and containing a return address of 5 Sandringham Road, Piedmont,
32 California, was received by him.

1 Also received by Mr. Hearst was a Mobil Credit Card
2 in his name, Number 8132599823, which was also contained in the
3 aforementioned envelope.

4 This letter is typewritten and reads as follows:

5 "SYMBIONESE LIBERATION ARMY

18 "It is the order of this court that the subject be arrested by
19 combat units and removed to a protective area of safety and only
20 upon completion of this condition to notify Unit #4 to give

22 "It is the directive of this court that during this action ONLY,

17 "DEATH TO THE FASCIST INSECT THAT

19 Thereafter, numerous tape recordings were received
20 by Mr. Hearst through various individuals and organizations from
21 individuals identifying themselves as Patricia C. Hearst, General
22 Field Marshal Cinque and other members of the Symbionese
23 Liberation Army. An example of one of these tape records which
24 was directed to Mr. Hearst was received by Radio Station KPFA,
25 Berkeley, California, during the morning of February 12, 1974.
26 Portions of this tape recording are as follows:
27
28
29
30
31
32

1 First Male Voice: "To those who bear the hopes and future of our
2 people, let the voice of their guns express the words of
3 freedom. Greetings to the people and fellow comrades, brothers
4 and sisters: My name is Cinque (phonetic) and to my comrades
5 I am known as Cin. I am a black man and a representative of
6 black people. I hold the rank of General Field Marshal in
7 the United Federated Forces of the Symbionese Liberation
8 Army. Today I have received an order from the Symbionese War
9 Consel, the Court of the People, to the effect that I am
10 ordered to convey the following message in behalf of the SLA
11 and to insert a taped word of comfort and verification that
12 Patricia Campbell Hearst is alive and safe. The Symbionese
13 Liberation Army is the Federated Union of military political
14 elements of many different liberation struggles and of many
15 different races. Our unified purpose is to liberate the
16 oppressed people around the world in their struggle against
17 fascist imperialism and the robbery of their freedom and
18 homeland. Since this is the purpose and goal of the SLA, it
19 is therefore clear to us, as it will be to all the oppressed
20 people, that our interest is to serve and defend the people
21 and not ourselves, since the people shall always come first
22 in our hearts and souls. The SLA has arrested the subject
23 for the crimes that her mother and father have, through their
24 actions, committed against me, the American people, and the
25 oppressed people of the world."

26 "....for these acts and others, the Court of the People
27
28
29
30
31
32

1 hold the Hearst family accountable for their crimes and hold
2 that they are enemies of the people.

3 "We, of the Symbionese Liberation Army, hold that the
4 Hearst Corporation and the Hearst family, and the Board of
5 Regents as well, as the corporate states that they support
6 and aid are enemies of the people, and as such, that the
7 people have a legal and human right and duty to attack said
8 enemy, according to the forms of war taken by the oppressed
9 people against any enemy or murderer and oppressor, to gain
10 their freedom and liberty and to give life to their children
11 and people."

12 Affiant states further that a review of the files of
13 the Federal Bureau of Investigation, by him, revealed that the
14 transcription of the tape referred to above was listened to on
15 February 14, 1974, [REDACTED]

16 and Phoebe Cook, Virginia Bosworth, Vicki Hearst, sister of [REDACTED]
17 Patricia Hearst and Steven Vladeck of Patricia Campbell
18 Hearst addressing her mother and father and telling them that she
19 is being held a prisoner by the Symbionese Liberation Army.

20 As a condition of Patricia C. Hearst's release, the
21 Symbionese Liberation Army demanded Randolph A. Hearst to provide
22 free food to people in specified areas of California. In
23 compliance with this demand, Mr. Hearst has provided approximately
24 two million dollars (\$2,000,000.00) in free food to the people in
25 the areas specified. The Symbionese Liberation Army later claimed
26 this was inadequate.

1 During the afternoon of May 16, 1974, a white male
2 was the subject of a shoplifting incident at Mel's Sporting Goods
3 Store, Inglewood, California. At the time of his attempted
4 apprehension by an employee of that store, he was accompanied by
5 a female. Arrest was not effected at that time inasmuch as a
6 volley of gunfire was fired into the store front by a third person.

7 Shortly thereafter, at approximately 7:00 p.m.,
8 May 16, 1974, Tom Dean Matthews was kidnaped from his residence,
9 Inglewood, California, by two Caucasian females and one Caucasian
10 male. Matthews subsequently was shown photographs by an agent of
11 the Federal Bureau of Investigation on May 18, 1974, of
12 approximately 18 individuals, including photographs of Emily Harris
13 William Harris and Patricia Hearst. Matthews identified these
14 three photographs as being identical with the three individuals who
15 kidnaped him. Shortly after he was kidnaped, William Taylor Harris
16 asked Matthews, "Do you know who this is?" referring to a second
17 Caucasian female. This is "Tania, you probably know who she is."
18 Matthews said that during the following 12 hours during which he was
19 a kidnap victim, he was told by Patricia Campbell Hearst that she
20 had not been a willing kidnap victim but had since learned to
21 accept the Symbionese Liberation Army ways because of the actions
22 of her father. Patricia Hearst told Matthews that the Symbionese
23 Liberation Army, including herself, were disappointed with the
24 food distribution in the Bay Area and added that her father had not
25 done everything possible to get her back. Matthews questioned
26 William Taylor Harris by asking, "What is the SLA really trying
27 to do?" and he replied, "They wanted to overthrow the Government."
28
29
30
31
32

1 "The Government had already been overthrown with the assassination
2 of President Kennedy." Matthews continued, "Why did you rob the
3 bank?" Harris replied that they needed the money and continued,
4 "They declared war on the United States and were carrying on
5 guerilla warfare to achieve this purpose."

NORMAL INVESTIGATIVE PROCEDURES REASONABLE

APPEAR UNLIKELY TO SUCCEED

Normal investigative procedures appear unlikely to further develop information regarding the location of William Taylor Harris, Emily Montague Harris, and Patricia Campbell Hearst and other members of the Symbionese Liberation Army who are hiding to avoid arrest. These investigative techniques have included attempts to locate former associates of the Harrises and Patricia Campbell Hearst and other associates of the now deceased members of the Symbionese Liberation Army. Efforts to locate some of these persons prior associates have met with negative results in most cases. In other instances, where prior associates are located, they have, through their attorneys, advised the Federal Bureau of Investigation that they did not wish to become involved and that no further efforts should be made to attempt to contact them. In regard to surveillance by Bureau agents of individuals and locations believed to have some connection with the Symbionese Liberation Army members or associates, these too have met with negative results. Some of the locations surveilled have been avoided by persons who would normally frequent those locations, and the people who live in the surveilled neighborhoods are generally known to each other and sensitive to law enforcement operations. The intrusions of strangers where these individuals reside has caused comment and rapid publicity.

The continued use of the informant is limited in effectiveness since the informant has made every effort to learn the location of Patricia Campbell Hearst, William Taylor Harris,

1 and Emily Montague Harris and other members of the Symbionese
2 Liberation Army and their intermediaries. Repeated efforts by
3 [REDACTED]
4 who are associates of William Taylor Harris, Emily Montague Harris
5 and Patricia Campbell Hearst has not disclosed to date to the
6 informant who [REDACTED]
7 communicating with William Taylor Harris, Emily Montague Harris,
8 and Patricia Campbell Hearst and other members of the Symbionese
9 Liberation Army.

10 In addition to the aforementioned investigative
11 techniques, it is pointed out that during an interview of [REDACTED]
12 [REDACTED] she declined to comment upon her
13 knowledge of the Harrises or Patricia Campbell Hearst. [REDACTED]
14 [REDACTED]
15 [REDACTED]

16 [REDACTED] This fear is based upon the nature of
17 acts believed to have been committed by the Symbionese Liberation
18 Army members; such as, use of automatic weapons and shooting
19 elderly people in the commission of a bank robbery, issuance of
20 death warrants against persons suspected of assisting the Federal
21 Bureau of Investigation or law enforcement, and numerous other
22 acts and statements by the Symbionese Liberation Army.

23 CONCLUSION

24 Based on the facts related above and my experience
25 as a Special Agent of the Federal Bureau of Investigation for the
26 past four and one-half years, I believe the above facts meet the
27

standards for probable cause required by Title 18, United States Code, Section 2518 (3).

OTHER APPLICATIONS

No other application is known to have been made to any judge for authorization to intercept or for approval of interception of wire or oral communication involving any of the same persons, facilities or places specified herein.

TECHNICAL ASSISTANCE

Pursuant to provisions of Section 2518 (4) of Title 18, United States Code, the court may, pursuant to a request of the applicant, direct that a communications common carrier, landlord, custodian or other person shall furnish the applicant forthwith all information, facilities and technical assistance necessary to accomplish the interception unobtrusively. Expenses necessarily incurred pursuant to this authority will be processed for payment by the Federal Bureau of Investigation and the United States Government.

CONTINUING NATURE OF OFFENSE

Based on the facts set forth herein, it is believed that the activity to be electronically intercepted pursuant to the Court's Order represents a continuing criminal conspiracy or enterprise and that the evidence sought will be obtained on a continuing basis on a number of days following the first receipt of the particular communications which are the object of the application in this case. In order to detect all of the individuals who are expected to be involved, interception for several weeks will be required. Therefore, it is requested that

1 these interceptions not automatically terminate when the
2 described type of communications sought are first obtained, but
3 that this authority to intercept continue for a reasonable time
4 thereafter not to exceed a total of thirty (30) days from the
5 date of the Court's Order. As long as William Taylor Harris,
6 Emily Montague Harris and Patricia Campbell Hearst are at large,
7 there is clear and present danger to individuals and society
8 based on the organization's expressed goals and aforementioned
9 performances.

INTERVIEWED AT LENGTH BY SAN FRANCISCO AGENTS ~~APRIL 15, 1974~~. HE WAS COOPERATIVE IN FURNISHING HISTORICAL BACKGROUND DATA CONCERNING THE SYMBIONESE LIBERATION ARMY AND ADMITTED GIVING SOME DIRECTION TO SYMBIONESE LIBERATION ARMY PRIOR TO THE ARREST OF JOSEPH REMIRO AND RUSSEL LITTLE IN JANUARY, 1974. HE CLAIMS AFTER THAT TIME, HE HAS HAD LITTLE OR NO CONTACT WITH THE GROUP AND WAS UNAWARE OF WHEREABOUTS OF VICTIM.

IT IS THE OPINION OF SAN FRANCISCO OFFICE THAT JEFFERSON WOULD BE COOPERATIVE UPON INTERVIEW AND EVEN GARRULOUS AS LONG AS HE IS SUPPLIED WITH GOOD CIGARS; HOWEVER, IT IS DOUBTFUL HE IS IN THE POSITION TO FURNISH CURRENT INFORMATION CONCERNING WHEREABOUTS OF HARRIS' OR HEARST.

IT IS SUGGESTED INTERVIEWS OF ~~SPARKS AND [REDACTED]~~ IF DEEMED DESIRABLE, BE HANDLED BY SACRAMENTO.

SAN QUENTIN AUTHORITIES THIS DATE ADVISED THAT ~~[REDACTED]~~ HAS BEEN REMOVED TO LOS ANGELES COUNTY JAIL TEMPORARILY FOR HEARING IN HIS MURDER CASE. ATTEMPT WAS MADE TO INTERVIEW ~~[REDACTED]~~ AT SAN QUENTIN MAY 23, 1974, AND HE WAS ADAMANT HE DID NOT DESIRE TO TALK TO THE FBI.
